Mondelēz International, Inc. and Subsidiaries
Notes to Condensed Consolidated Financial Statements
(Unaudited)

Note 1. Basis of Presentation

Our interim condensed consolidated financial statements are unaudited. Certain information and footnote disclosures normally included in annual financial statements prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") have been omitted. It is management's opinion that these financial statements include all normal and recurring adjustments necessary for a fair presentation of our results of operations, financial position and cash flows. Results of operations for any interim period are not necessarily indicative of future or annual results. For a complete set of consolidated financial statements and related notes, refer to our Annual Report on Form 10-K for the year ended December 31, 2021.

Principles of Consolidation:

The condensed consolidated financial statements include Mondelēz International, Inc. as well as our wholly owned and majority owned subsidiaries, except our Venezuelan subsidiaries that were deconsolidated in 2015. All intercompany transactions are eliminated. The noncontrolling interest represents the noncontrolling investors' interests in the results of subsidiaries that we control and consolidate. We account for investments over which we exercise significant influence under the equity method of accounting. Investments over which we do not have significant influence or control are not material and as there are no readily determinable fair values for the equity interests, these investments are carried at cost with changes in the investment recognized to the extent cash is received.

War in Ukraine

In February 2022, Russia began a military invasion of Ukraine and we closed our operations and facilities in Ukraine. In March 2022, our two Ukrainian manufacturing facilities in Trostyanets and Vyshhorod were significantly damaged. During the first quarter of 2022, we evaluated and impaired these and other assets. We recorded \$143 million of total expenses (\$145 million after-tax) incurred as a direct result of the war, including \$75 million recorded in asset impairment and exit costs, \$44 million in cost of sales and \$24 million in selling, general and administrative expenses. We recorded \$75 million of property, plant and equipment impairments, \$33 million of estimated inventory reserves and write-offs, \$19 million of increased estimated allowances for trade receivables and \$16 million in accrued expenses. We continue to consolidate both our Ukrainian and Russian subsidiaries and continue to evaluate our ability to control our operating activities and businesses on an ongoing basis. In connection with these findings and impacts, we have made estimates and assumptions based on information available to us. We base our estimates on historical experience, expectations of future impacts and other assumptions that we believe are reasonable. Given the uncertainty of the ongoing effects of the war in Ukraine, and its impact on the global economic environment, our estimates could be significantly different than future performance.

Currency Translation and Highly Inflationary Accounting:

We translate the results of operations of our subsidiaries from multiple currencies using average exchange rates during each period and translate balance sheet accounts using exchange rates at the end of each period. We record currency translation adjustments as a component of equity (except for highly inflationary currencies) and realized exchange gains and losses on currency transactions in earnings.

Highly inflationary accounting is triggered when a country's three-year cumulative inflation rate exceeds 100%. It requires the remeasurement of financial statements of subsidiaries in the country from the functional currency of the subsidiary to our U.S. dollar reporting currency. Local currency monetary assets and liabilities are remeasured into U.S. dollars using exchange rates as of the latest balance sheet date, with remeasurement gains and losses recognized in net earnings.

Türkiye. During the first quarter of 2022, primarily based on data published by the Türkiye Statistical Institute that indicated that Türkiye's three-year cumulative inflation rate exceeded 100%, we concluded that Türkiye became a highly inflationary economy for accounting purposes. As of April 1, 2022, we expect to apply highly inflationary accounting for our subsidiaries operating in Türkiye and change their functional currency from the Turkish lira to the U.S. dollar. Our operations in Türkiye contributed \$43 million, or 0.6% of our condensed consolidated net revenues in the three months ended March 31, 2022. Based on a review of our Turkish lira-denominated monetary assets and liabilities, our operations in Türkiye had an immaterial net monetary liability position as of March 31, 2022.

Argentina. During the second quarter of 2018, primarily based on published estimates that indicated that Argentina's three-year cumulative inflation rate exceeded 100%, we concluded that Argentina became a highly inflationary economy for accounting purposes. As of July 1, 2018, we began to apply highly inflationary accounting for our Argentinean subsidiaries and changed their functional currency from the Argentinean peso to the U.S. dollar. Our operations in Argentina contributed \$129 million, or 1.7% of our condensed consolidated net revenues in the three months ended March 31, 2022. As of March 31, 2022, our Argentinean operations had \$26 million of Argentinean peso denominated net monetary assets. Within selling, general and administrative expenses, we recorded a remeasurement loss of \$5 million during the three months ended March 31, 2022 related to the revaluation of the Argentinean peso denominated net monetary position over these periods.

Other Countries. Since we sell our products in over 150 countries and have operations in approximately 80 countries, we monitor economic and currency-related risks and seek to take protective measures in response to potential exposures. We continue to monitor the developments in Ukraine and Russia as well as in the ongoing COVID-19 global pandemic and related impacts to our business operations, currencies and net monetary exposures. Since the global onset of COVID-19 in early 2020, most countries in which we do business experienced periods of significant economic uncertainty as well as exchange rate volatility. At this time, within our consolidated entities, Argentina and Türkiye are or will be accounted for as highly inflationary economies as noted above, and we continue to monitor currency volatility and associated risks, including highly inflationary economies.

Cash, Cash Equivalents and Restricted Cash:

Cash and cash equivalents include demand deposits with banks and all highly liquid investments with original maturities of three months or less. We also have restricted cash that is recorded within other current assets of \$7 million as of March 31, 2022 and \$7 million as of December 31, 2021. Total cash, cash equivalents and restricted cash was \$1,953 million as of March 31, 2022 and \$3,553 million as of December 31, 2021.

Allowances for Credit Losses:

The allowances for credit losses are recorded against our receivables. They are developed at a country and region level based on historical collection experiences, current economic condition of specific customers and the forecasted economic condition of countries using various factors such as bond default rates and consumption indexes. We write off receivables once it is determined that the receivables are no longer collectible and as allowed by local laws.

Changes in allowances for credit losses consisted of:

	Allowance for Trade Receivables	Allowance for Other Current Receivables	Allowance for Long-Term Receivables
	(in millions)		
Balance at January 1, 2022	\$ (37)	\$ (49)	\$ (10)
Current period provision for expected credit losses	(19)	(2)	(5)
Write-offs charged against the allowance	3	—	—
Currency	(2)	3	(2)
Balance at March 31, 2022	<u>\$ (55)</u>	<u>\$ (48)</u>	<u>\$ (17)</u>

Transfers of Financial Assets:

We account for transfers of financial assets, such as uncommitted revolving non-recourse accounts receivable factoring arrangements, when we have surrendered control over the related assets. Determining whether control has transferred requires an evaluation of relevant legal considerations, an assessment of the nature and extent of our continuing involvement with the assets transferred and any other relevant considerations. We use receivable factoring arrangements periodically when circumstances are favorable to manage liquidity. We have non-recourse factoring arrangements in which we sell eligible trade receivables primarily to banks in exchange for cash. We may then continue to collect the receivables sold, acting solely as a collecting agent on behalf of the banks. The outstanding principal amount of receivables under these arrangements amounted to \$887 million as of March 31, 2022 and \$761 million as of December 31, 2021. The incremental cost of factoring receivables under this arrangement was not material for all periods presented. The proceeds from the sales of receivables are included in cash from operating activities in the condensed consolidated statements of cash flows.

Non-Cash Lease Transactions:

We recorded \$95 million in operating lease and \$56 million in finance lease right-of-use assets obtained in exchange for lease obligations during the three months ended March 31, 2022 and \$29 million in operating lease and \$30 million in finance lease right-of-use assets obtained in exchange for lease obligations during the three months ended March 31, 2021.

New Accounting Pronouncements:

In October 2021, the Financial Accounting Standards Board ("FASB") issued an Accounting Standards Update ("ASU") which requires companies to recognize and measure customer contract assets and contract liabilities acquired in a business combination as if the acquiring company originated the related revenue contracts. Prior to adopting this ASU, acquired contract assets and liabilities were measured at fair value. This ASU is effective for fiscal years beginning after December 15, 2022 and early adoption is permitted. We are evaluating the timing and effects of adopting this ASU and currently we do not expect this ASU to have a material impact on our consolidated financial statements.

In March 2020 and subsequently in January 2021, the FASB issued an ASU to provide optional accounting guidance for a limited period of time to ease the potential burden in accounting for reference rate reform. The guidance provides optional expedients and exceptions to existing accounting requirements for contract modifications and hedge accounting related to transitioning from discontinued reference rates, such as LIBOR, to alternative reference rates, if certain criteria are met. The new accounting requirements can be applied as of the beginning of the interim period including March 12, 2020, or any date thereafter, through December 31, 2022. We expect to adopt this standard in the fourth quarter of 2022. Based on our evaluation of our contracts to date, we do not expect this ASU to have a material impact on our consolidated financial statements.

Note 2. Acquisitions and Divestitures

On April 24, 2022, we entered into an agreement with Grupo Bimbo to acquire Ricolino, its confectionery business located primarily in Mexico for a purchase price of approximately \$1.3 billion, subject to closing purchase price adjustments. The transaction, which will be funded through a combination of an issuance of debt and cash on hand, is subject to relevant antitrust approvals and closing conditions and is expected to close in late Q3 or early Q4 2022.

On January 3, 2022, we acquired Chipita S.A. ("Chipita"), a leading croissants and baked snacks company in the Central and Eastern European markets. The acquisition of Chipita offers a strategic complement to our existing portfolio and advances our strategy to become the global leader in broader snacking. The cash consideration paid for Chipita totaled €1.3 billion (\$1.4 billion), net of cash received, plus the assumption of Chipita's debt of €0.4 billion (\$0.4 billion) for a total purchase price of €1.7 billion (\$1.9 billion).

We are working to complete the valuation and have recorded a preliminary purchase price allocation of:

	(in millions)	
Cash	\$	52
Receivables		102
Inventory		62
Other current assets		4
Property, plant and equipment		406
Finance leases right of use assets		8

Total purchase price	\$	1,906
Less: long-term debt		(436)
Less: cash received		(52)
Net Cash Paid	\$	1,418

[Table of Contents](#)

Within identifiable intangible assets, we allocated \$686 million to trade names which have an indefinite-life. The fair value for the 7 Days trade name, which is the primary asset acquired, was determined using the multi-period excess earnings method under the income approach at the acquisition date. The fair value measurements of intangible assets are based on significant unobservable inputs, and thus represent Level 3 inputs. Significant assumptions used in assessing the fair values of intangible assets include forecasted future cash flows and discount rates.

Goodwill was determined as the excess of the purchase price over the fair value of the net assets acquired and arises principally as a result of expansion opportunities and synergies across both new and legacy product categories. None of the goodwill recognized is expected to be deductible for income tax purposes. All of the goodwill was assigned to the Europe segment.

Chipita added incremental net revenues of \$152 million and operating income of \$4 million in the three months ended March 31, 2022. We incurred acquisition-related costs of \$21 million and integration costs of \$35 million in the three months ended March 31, 2022.

On November 1, 2021, we completed the sale of MaxFoods Pty Ltd, an Australian packaged seafood business that we had acquired as part of our acquisition of Gourmet Food Holdings Pty Ltd ("Gourmet Food"). The sales price was \$57 million Australian dollars (\$41 million), net of cash divested with the business, and we recorded an immaterial loss on the transaction.

On April 1, 2021, we acquired Gourmet Food, a leading Australian food company in the premium biscuit and cracker category, for closing cash consideration of approximately \$450 million Australian dollars (\$343 million), net of cash received. We have recorded a purchase price allocation of net tangible and intangible assets acquired and liabilities assumed of \$41 million to indefinite-lived intangible assets, \$80 million to definite-lived intangible assets, \$164 million to goodwill, \$19 million to property, plant and equipment, \$18 million to inventory, \$25 million to accounts receivable, \$12 million to other assets, \$5 million to operating right of use assets, \$3 million to other current assets, \$19 million to current liabilities and \$5 million to long-term operating lease liabilities. The acquisition added incremental net revenues of \$14 million, and operating income of \$1 million in the three months ended March 31, 2022. We incurred acquisition-related costs of \$1 million in the three months ended March 31, 2021.

On March 25, 2021, we acquired a majority interest in Lion/Gemstone Topco Ltd ("Grenade"), a performance nutrition leader in the United Kingdom, for closing cash consideration of £188 million (\$261 million), net of cash received. The acquisition of Grenade expands our position into the premium nutrition segment. We have recorded a purchase price allocation of net tangible and intangible assets acquired and liabilities assumed of \$82 million to indefinite-lived intangible assets, \$28 million to definite-lived intangible assets, \$181 million to goodwill, \$1 million to property, plant and equipment, \$11 million to inventory, \$18 million to accounts receivable, \$25 million to current liabilities, \$20 million to deferred tax liabilities and \$15 million to long-term other liabilities. Through the one-year anniversary of the acquisition, Grenade added incremental net revenues of \$21 million, and operating income of \$2 million in the three months ended March 31, 2022. We incurred acquisition-related costs of \$2 million in the three months ended March 31, 2021.

On January 4, 2021, we acquired the remaining 93% of equity of Hu Master Holdings ("Hu"), a category leader in premium chocolate in the United States, which provides a strategic complement to our snacking portfolio in North America through growth opportunities in chocolate and other categories in the well-being category. The initial cash consideration paid was \$229 million, net of cash received, and the Company may be required to pay additional contingent consideration. The estimated fair value of the contingent consideration obligation at the acquisition date was \$132 million and was determined using a Monte Carlo simulation based on forecasted future results. As a result of acquiring the remaining equity interest, we consolidated the operations prospectively from the date of acquisition and recorded a pre-tax gain of \$9 million (\$7 million after-tax) related to stepping up our previously-held \$8 million (7%) investment to fair value. We have recorded a purchase price allocation of net tangible and intangible assets acquired and liabilities assumed of \$123 million to indefinite-lived intangible assets, \$51 million to definite-lived intangible assets, \$202 million to goodwill, \$1 million to property, plant and equipment, \$2 million to inventory, \$4 million to accounts receivable, \$5 million to current liabilities and \$132 million to long-term other liabilities. We incurred acquisition-related costs of \$4 million during the three months ended March 31, 2021.

Indefinite-life intangible assets consist principally of brand names purchased through our acquisitions of Nabisco Holdings Corp., the Spanish and Portuguese operations of United Biscuits, the global *LU* biscuit business of Groupe Danone S.A. and Cadbury Limited. Definite-life intangible assets consist primarily of brands, customer-related intangibles, process technology, licenses and non-compete agreements.

Amortization expense for intangible assets was \$32 million for the three months ended March 31, 2022 and \$38 million for the three months ended March 31, 2021. For the next five years, we currently estimate annual amortization expense of approximately \$130 million in 2022-2024, approximately \$105 million in 2025 and approximately \$65 million in 2026 (reflecting March 31, 2022 exchange rates).

Changes to goodwill and intangibles were:

- *Acquisitions* - In connection with our acquisition of Chipita during the first three months of 2022, we recorded a preliminary purchase price allocation of \$774 million to goodwill and \$734 million to intangible assets. See Note 2, *Acquisitions and Divestitures*, for additional information.
- *Asset impairment* - As further described below, during the first quarter of 2022, we recorded a \$78 million intangible asset impairment in AMEA due to lower than expected growth and profitability of a local biscuit brand sold in select markets in AMEA and Europe.

During the first quarter of 2022, we evaluated our goodwill and intangible asset impairment risk through an assessment of potential triggering events. In light of the war in Ukraine and the overall global economic environment, we considered qualitative and quantitative information in our assessment of goodwill and indefinite-life intangible assets. Based on the financial performance of our goodwill reporting units, we concluded there were no impairment indicators for goodwill. Based on further quantitative analysis of our indefinite-life intangible assets, we concluded that a biscuit brand was impaired. During the first quarter of 2022, we recorded a \$78 million impairment charge for the brand within asset impairment and exit costs and based on the excess carrying value over its estimated fair value. During our indefinite-life impairment testing, we use several accepted valuation methods, including relief of royalty, excess earnings and excess margin, that utilize estimates of future sales, earnings growth rates, royalty rates and discount rates in determining a brand's global fair value.

During the first quarter of 2021, there were no impairments of goodwill or intangible assets. During our 2021 annual indefinite-life intangible asset testing in the third quarter of 2021, we identified eight brands, including the one brand impaired during the first quarter of 2022, that each had a fair value in excess of book value of 10% or less. The aggregate book value of the eight brands was \$1,045 million as of March 31, 2022. We continue to monitor our brand performance, particularly in light of the significant global economic uncertainties and related impacts to our business. If a brand's earnings expectations, including the timing of the expected recovery from the war and the pandemic, are not met or specific valuation factors outside of our control, such as discount rates, change significantly, then a brand or brands could become impaired in the future.

Note 6. Equity Method Investments

Equity method investments consist of our investments in entities in which we maintain an equity ownership interest and apply the equity method of accounting due to our ability to exert significant influence over decisions relating to their operating and financial affairs. Revenue and expenses of our equity method investees are not consolidated into our financial statements; rather, our proportionate share of the earnings of each investee is reflected as equity method investment net earnings. The carrying values of our equity method investments are also impacted by our proportionate share of items impacting the investee's accumulated other comprehensive income or losses and other items, such as our share of investee dividends.

Our equity method investments include, but are not limited to, our ownership interests in JDE Peet's (Euronext Amsterdam: "JDEP"), Keurig Dr Pepper Inc. (Nasdaq: "KDP"), Dong Suh Foods Corporation and Dong Suh Oil & Fats Co. Ltd. Our ownership interests may change over time due to investee stock-based compensation arrangements, share issuances or other equity-related transactions. As of March 31, 2022, we owned 22.7%, 5.3%, 50.0% and 49.0%, respectively, of these companies' outstanding shares.

Our investments accounted for under the equity method of accounting totaled \$5,255 million as of March 31, 2022 and \$5,289 million as of December 31, 2021. We recorded equity earnings of \$117 million and cash dividends of \$107 million in the first quarter of 2022 and equity earnings of \$78 million and cash dividends of \$74 million in the first quarter of 2021.

Based on the quoted closing prices as of March 31, 2022, the combined fair value of our publicly-traded investments in JDEP and KDP was \$6.1 billion, and for each investment, its fair value exceeded its carrying value.

On September 20, 2021, we issued €300 million exchangeable bonds, which are redeemable at maturity in September 2024 at their principal amount in cash or, at our option, through the delivery of an equivalent number of JDE Peet's ordinary shares based on an initial exchange price of €35.40 and, as the case may be, an additional amount in cash. If all bonds were redeemed in exchange for JDE Peet's shares, this would represent approximately 8.5 million shares or approximately 7% of our equity interest in JDE Peet's. Refer to Note 9, *Debt and Borrowing Arrangements*, for further details on this transaction.

Note 7. Restructuring Program

On May 6, 2014, our Board of Directors approved a \$3.5 billion 2014-2018 restructuring program and up to \$2.2 billion of capital expenditures. On August 31, 2016, our Board of Directors approved a \$600 million reallocation between restructuring program cash costs and capital expenditures so the \$5.7 billion program consisted of approximately \$4.1 billion of restructuring program charges (\$3.1 billion cash costs and \$1.0 billion non-cash costs) and up to \$1.6 billion of capital expenditures. On September 6, 2018, our Board of Directors approved an extension of the restructuring program through 2022, an increase of \$1.3 billion in the program charges and an increase of

\$700 million in capital expenditures. On October 21, 2021, our Board of Directors approved an extension of the restructuring program through 2023. The total \$7.7 billion program now consists of \$5.4 billion of program charges (\$4.1 billion of cash costs and \$1.3 billion of non-cash costs) and total capital expenditures of \$2.3 billion to be incurred over the life of the program. The current restructuring program, as increased and extended by these actions, is now called the Simplify to Grow Program.

The primary objective of the Simplify to Grow Program is to reduce our operating cost structure in both our supply chain and overhead costs. The program covers severance as well as asset disposals and other manufacturing and procurement-related one-time costs. Since inception, we have incurred total restructuring and implementation charges of \$5.1 billion related to the Simplify to Grow Program. We expect to incur the remainder of the program charges by year-end 2023.

Restructuring Costs:

The Simplify to Grow Program liability activity for the three months ended March 31, 2022 was:

- We recorded restructuring charges of \$11 million in the first quarter of 2022 and \$88 million in the first quarter of 2021 within asset impairment and exit costs and benefit plan non-service income.
- We spent \$17 million in the first quarter of 2022 and \$34 million in the first quarter of 2021 in cash severance and related costs.
- We recognized non-cash asset write-downs (including accelerated depreciation and asset impairments), and other adjustments, including any gains on sale of restructuring program assets, which totaled \$2 million in the first quarter of 2022 and \$40 million in the first quarter of 2021.
- At March 31, 2022, \$172 million of our net restructuring liability was recorded within other current liabilities and \$30 million was recorded within other long-term liabilities.

Implementation Costs:

Implementation costs are directly attributable to restructuring activities; however, they do not qualify for special accounting treatment as exit or disposal activities. We believe the disclosure of implementation costs provides readers of our financial statements with more information on the total costs of our Simplify to Grow Program. Implementation costs primarily relate to reorganizing our operations and facilities in connection with our supply chain reinvention program and other identified productivity and cost saving initiatives. The costs include incremental expenses related to the closure of facilities, costs to terminate certain contracts and the simplification of our information systems. Within our continuing results of operations, we recorded implementation costs of \$20 million in the first quarter of 2022 and \$34 million in the first quarter of 2021. We recorded these costs within cost of sales and general corporate expense within selling, general and administrative expenses.

Restructuring and Implementation Costs:

During the three months ended March 31, 2022 and March 31, 2021, and since inception of the Simplify to Grow Program, we recorded the following restructuring and implementation costs within segment operating income and earnings before income taxes:

(1) We maintain a multi-year senior unsecured revolving credit facility for general corporate purposes, including working capital needs, and to support our commercial paper program. The revolving credit agreement includes a covenant that we maintain a minimum shareholders' equity of at least \$25.0 billion, excluding accumulated other comprehensive earnings/(losses), the cumulative effects of any changes in accounting principles and earnings/(losses) recognized in connection with the ongoing application of any mark-to-market accounting for

pensions and other retirement plans. At March 31, 2022, we complied with this covenant as our shareholders' equity, as defined by the covenant, was \$38.6 billion. The revolving credit facility also contains customary representations, covenants and events of default. There are no credit rating triggers, provisions or other financial covenants that could require us to post collateral as security.

- (2) On March 31, 2022, we entered into a supplemental term loan credit facility that can be utilized for general corporate purposes, including acquisitions. Under this agreement we may draw up to a total of \$2.0 billion in term loans from the facility. The maturity dates of any loans drawn under this facility will be three years after the funding date of the applicable loan(s).

- (1) Net investment hedge derivative contracts consist of cross-currency interest rate swaps, forward contracts and options. We also designate some of our non-U.S. dollar denominated debt to hedge a portion of our net investments in our non-U.S. operations. This debt is not reflected in the table above, but is included in long-term debt discussed in Note 8, *Debt and Borrowing Arrangements*. Both net investment hedge derivative contracts and non-U.S. dollar denominated debt acting as net investment hedges are also disclosed in the *Derivative Volume* table and the *Hedges of Net Investments in International Operations* section appearing later in this footnote.
- (2) Equity method investment contracts consist of the bifurcated embedded derivative option that was a component of the September 20, 2021 €300 million exchangeable bonds issuance. Refer to Note 8, *Debt and Borrowing Arrangements*.

Derivatives designated as accounting hedges include cash flow and net investment hedge derivative contracts. Our currency exchange, commodity derivative and equity method investment contracts are economic hedges that are not designated as accounting hedges. We record derivative assets and liabilities on a gross basis on our condensed consolidated balance sheets. The fair value of our asset derivatives is recorded within other current assets and other assets and the fair value of our liability derivatives is recorded within other current liabilities and other liabilities.

The fair values (asset/(liability)) of our derivative instruments were determined using:

Level 1 financial assets and liabilities consist of exchange-traded commodity futures and listed options. The fair value of these instruments is determined based on quoted market prices on commodity exchanges.

Level 2 financial assets and liabilities consist primarily of over-the-counter (“OTC”) currency exchange forwards, options and swaps; commodity forwards and options; net investment hedge contracts; and interest rate swaps. Our currency exchange contracts are valued using an income approach based on observable market forward rates less the contract rate multiplied by the notional amount. Commodity derivatives are valued using an income approach based on the observable market commodity index prices less the contract rate multiplied by the notional amount or based on pricing models that rely on market observable inputs such as commodity prices. Our bifurcated exchange options are valued, as derivative instrument liabilities, using the Black-Scholes option pricing model. This model requires assumptions related to the market price of the underlying note and associated credit spread combined with the share of price, expected dividend yield, and expected volatility of the JDE Peet’s shares over the life of the option. Our calculation of the fair value of interest rate swaps is derived from a discounted cash flow analysis based on the terms of the contract and the observable market interest rate curve. Our calculation of the fair value of financial instruments takes into consideration the risk of nonperformance, including counterparty credit risk. Our OTC derivative transactions are governed by International Swap Dealers Association agreements and other

[Table of Contents](#)

standard industry contracts. Under these agreements, we do not post nor require collateral from our counterparties. The majority of our derivative contracts do not have a legal right of set-off. We manage the credit risk in connection with these and all our derivatives by entering into transactions with counterparties with investment grade credit ratings, limiting the amount of exposure with each counterparty and monitoring the financial condition of our counterparties.

Compensation expense is recognized using the grant date fair values regardless of whether the market condition is achieved, so long as the requisite service has been provided.

Share Repurchase Program:

Between 2013 and 2017, our Board of Directors authorized the repurchase of a total of \$13.7 billion of our Common Stock through December 31, 2018. On January 31, 2018, our Finance Committee, with authorization delegated from our Board of Directors, approved an increase of \$6.0 billion in the share repurchase program, raising the authorization to \$19.7 billion of Common Stock repurchases, and extended the program through December 31, 2020. On December 2, 2020, our Board of Directors approved an increase of \$4.0 billion in the share repurchase program, raising the authorization to \$23.7 billion of Common Stock repurchases, and extended the program through December 31, 2023. Repurchases under the program are determined by management and are wholly discretionary. Prior to January 1, 2022, we had repurchased approximately \$20.0 billion of Common Stock pursuant to this authorization. During the three months ended March 31, 2022, we repurchased approximately 11 million shares of Common Stock at an average cost of \$65.96 per share, or an aggregate cost of approximately \$0.8 billion, all of which was paid during the period. All share repurchases were funded through available cash and commercial paper issuances. As of March 31, 2022, we have approximately \$2.9 billion in remaining share repurchase capacity.

Note 12. Commitments and Contingencies

Legal Proceedings:

We routinely are involved in legal proceedings, claims, disputes, regulatory matters and governmental inspections or investigations arising in the ordinary course of or incidental to our business, including those noted below in this section. We record provisions in the consolidated financial statements for pending litigation when we determine that an unfavorable outcome is probable and the amount of the loss can be reasonably estimated. For matters we have not provided for that are reasonably possible to result in an unfavorable outcome, management is unable to estimate the possible loss or range of loss or such amounts have been determined to be immaterial. At present we believe that the ultimate outcome of these proceedings, individually and in the aggregate, will not materially harm our financial position, results of operations or cash flows. However, legal proceedings and government investigations are subject to inherent uncertainties, and unfavorable rulings or other events could occur. Unfavorable resolutions could involve substantial monetary damages. In addition, in matters for which conduct remedies are sought, unfavorable resolutions could include an injunction or other order prohibiting us from selling one or more products at all or in particular ways, precluding particular business practices or requiring other remedies. An unfavorable outcome might result in a material adverse impact on our business, results of operations or financial position.

On April 1, 2015, the U.S. Commodity Futures Trading Commission ("CFTC") filed a complaint against Kraft Foods Group and Mondelēz Global LLC ("Mondelēz Global") in the U.S. District Court for the Northern District of Illinois (the "District Court"), Eastern Division (the "CFTC action") following its investigation of activities related to the trading of December 2011 wheat futures contracts that occurred prior to the spin-off of Kraft Foods Group. The complaint alleges that Kraft Foods Group and Mondelēz Global (1) manipulated or attempted to manipulate the wheat markets during the fall of 2011; (2) violated position limit levels for wheat futures and (3) engaged in non-competitive trades by trading both sides of exchange-for-physical Chicago Board of Trade wheat contracts. The CFTC seeks civil monetary penalties of either triple the monetary gain for each violation of the Commodity Exchange Act (the "Act") or \$1 million for each violation of Section 6(c)(1), 6(c)(3) or 9(a)(2) of the Act and \$140,000 for each additional violation of the Act, plus post-judgment interest; an order of permanent injunction prohibiting Kraft Foods Group and Mondelēz Global from violating specified provisions of the Act; disgorgement of profits; and costs and fees. On August 15, 2019, the District Court approved a settlement agreement between the CFTC and Mondelēz Global. The terms of the settlement, which are available in the District Court's docket, had an immaterial impact on our financial position, results of operations and cash flows. On October 23, 2019, following a ruling by the United States Court of Appeals for the Seventh Circuit regarding Mondelēz Global's allegations that the CFTC and its Commissioners violated certain terms of the settlement agreement and the CFTC's argument that the Commissioners were not bound by the terms of the settlement agreement, the District Court vacated the settlement agreement and reinstated all pending motions that the District Court had previously mooted as a result of the settlement. The parties have reached a new agreement in principle to resolve the CFTC action and have submitted the settlement to the District Court for approval. The District Court cancelled a scheduled conference on June 4, 2020 to discuss the proposed settlement agreement but indicated that it would rule on pending motions in due course. Additionally, several class action complaints were filed against Kraft Foods Group and Mondelēz Global in the District Court by investors in wheat futures and options on behalf of themselves and others similarly situated. The complaints make similar allegations as those made in the CFTC action, and the plaintiffs are seeking monetary damages, interest and unjust enrichment; costs and fees; and injunctive, declaratory and other unspecified relief. In June 2015, these suits were consolidated in the District Court. On January 3, 2020, the District Court granted

plaintiffs' request to certify a class. It is not possible to predict the outcome of these matters; however, based on our Separation and Distribution Agreement with Kraft Foods Group dated as of September 27, 2012, we expect to bear any monetary penalties or other payments in connection with the CFTC action and the class action. Although the CFTC action and the class action complaints involve the same alleged conduct, a resolution or decision with respect to one of the matters may not be dispositive as to the outcome of the other matter.

In November 2019, the European Commission informed us that it has initiated an investigation into our alleged infringement of European Union competition law through certain practices restricting cross-border trade within the European Economic Area. On January 28, 2021, the European Commission announced it has taken the next procedural step in its investigation and opened formal proceedings. We are cooperating with the investigation and expect to continue to engage with the European Commission as its investigation proceeds. It is not possible to predict how long the investigation will take or the ultimate outcome of this matter.

Third-Party Guarantees:

We enter into third-party guarantees primarily to cover long-term obligations of our vendors. As part of these transactions, we guarantee that third parties will make contractual payments or achieve performance measures. At March 31, 2022, we had no material third-party guarantees recorded on our condensed consolidated balance sheet.

Tax Matters:

We are a party to various tax matter proceedings incidental to our business. These proceedings are subject to inherent uncertainties, and unfavorable outcomes could subject us to additional tax liabilities and could materially adversely impact our business, results of operations or financial position.

Note 14. Income Taxes

As of the first quarter of 2022, our estimated annual effective tax rate, which excludes discrete tax impacts, was 24.8%. This rate reflected the impact of unfavorable foreign provisions under U.S. tax laws and our tax related to earnings from equity method investments (the earnings are reported separately on our statement of earnings and thus not included in earnings before income taxes), partially offset by favorable impacts from the mix of pre-tax income in various non-U.S. jurisdictions. The estimated annual effective tax rate also considers the impact of the establishment of a valuation allowance related to a deferred tax asset arising from the anticipated 2022 Ukraine loss. Our effective tax rate for the three months ended March 31, 2022 of 21.9% was favorably impacted by discrete net tax benefits of \$62 million primarily driven by the Chipita acquisition, which resulted in the release of a portion of the valuation allowance recorded against the deferred tax asset for the step-up of intangible assets in Switzerland.

As of the first quarter of 2021, our estimated annual effective tax rate, which excluded discrete tax impacts, was 25.2%. This rate reflected the impact of unfavorable foreign provisions under U.S. tax laws and our tax related to earnings from equity method investments (the earnings are reported separately on our statement of earnings and thus not included in earnings before income taxes), partially offset by favorable impacts from the mix of pre-tax income in various non-U.S. jurisdictions. Our effective tax rate for the three months ended March 31, 2021 of 19.1% was favorably impacted by discrete net tax benefits of \$65 million, primarily driven by a \$32 million net benefit from the release of liabilities for uncertain tax positions due to expirations of statutes of limitations and audit settlements in several jurisdictions and a \$27 million benefit from a U.S. amended tax return filed to reflect new guidance from the U.S. Treasury Department.

Note 15. Earnings per Share

Note 16. Segment Reporting

We manufacture and market primarily snack food products, including biscuits, chocolate, gum & candy and various cheese & grocery products, as well as powdered beverage products.

We manage our global business and report operating results through geographic units. We manage our operations by region to leverage regional operating scale, manage different and changing business environments more effectively and pursue growth opportunities as they arise across our key markets. Our regional management teams have responsibility for the business, product categories and financial results in the regions.

[Table of Contents](#)

Our operations and management structure are organized into four operating segments:

- Latin America
- AMEA
- Europe
- North America

We use segment operating income to evaluate segment performance and allocate resources. We believe it is appropriate to disclose this measure to help investors analyze segment performance and trends. Segment operating income excludes unrealized gains and losses on hedging activities (which are a component of cost of sales), general corporate expenses (which are a component of selling, general and administrative expenses), amortization of intangibles, gains and losses on divestitures and acquisition-related costs (which are a component of selling, general and administrative expenses) in all periods presented. We exclude these items from segment operating income in order to provide better transparency of our segment operating results. Furthermore, we centrally manage benefit plan non-service income and interest and other expense, net. Accordingly, we do not present these items by segment because they are excluded from the segment profitability measure that management reviews.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations.

Description of the Company

We make and sell primarily snacks, including biscuits, chocolate, gum & candy as well as various cheese & grocery and powdered beverage products around the world.

We aim to be the global leader in snacking. Our strategy is to drive long-term growth by focusing on three strategic priorities: accelerating consumer-centric growth, driving operational excellence and creating a winning growth culture. We believe the successful implementation of our strategic priorities and leveraging of our strong foundation of iconic global and local brands, an attractive global footprint, our market leadership in developed and emerging markets, our deep innovation, marketing and distribution capabilities, and our efficiency and sustainability efforts, will drive top- and bottom-line growth, enabling us to continue to create long-term value for our shareholders.

Recent Developments and Significant Items Affecting Comparability

War in Ukraine

In February 2022, Russia began a military invasion of Ukraine. For the safety of our employees, we stopped production and closed our facilities in Ukraine. We are providing all of our employees with compensation and with help in securing shelter in neighboring countries. We have also made cash and in-kind donations to several humanitarian aid organizations in the region.

In March 2022, our two Ukrainian manufacturing facilities in Trostyanets and Vyshhorod were significantly damaged. In connection with the damage to these plants and impairment of other assets, primarily inventory, other plant, property and equipment, as well as increased allowances on our receivables, we recorded \$143 million of total charges directly incurred as a result of the war in Ukraine, including an accrual for continued compensation for our employees in Ukraine (see Note 1, *Basis of Presentation*, to the condensed consolidated financial statements, and refer to *Items Affecting Comparability of Financial Results* for additional information.) We are increasing operations and providing resources in other primarily European manufacturing and distribution facilities to seek to continue supplying our Ukraine business's customers and consumers across Europe.

As a food company, we continue to work to support the continuity of food supply and provide packaged foods to consumers. We have discontinued new capital investments and suspended our advertising spending in Russia, but as a food company with more than 2,500 employees in Russia, we have not ceased operations given we believe we play a role in the continuity of the food supply. We are required to comply with applicable international sanctions and other measures that have been imposed on Russian entities and additional sanctions and measures are under consideration. We continue to evaluate the situation in Ukraine and Russia and our ability to control our operating activities and businesses on an ongoing basis, and we continue to consolidate both our Ukrainian and Russian subsidiaries. Prior to the onset of the war, Ukraine generated 0.5% and Russia generated 2.9% of 2021 consolidated net revenues.

We provide more information on risks related to the war in Ukraine in our *Financial Outlook* section and under Item 1A, *Risk Factors*.

COVID-19

In the third year of the COVID-19 global pandemic, our main priority remains the safety of our employees as well as continuing to help maintain the global food supply. During the pandemic, particularly in 2020 and also in 2021, we experienced an overall increase in demand and revenue growth as consumers increased their food purchases for in-home consumption in many markets, while parts of our business were negatively affected by related lockdowns and restrictions. In late 2021, global supply chain, transportation and labor issues escalated and we experienced significantly higher operating costs, including higher overall raw material, transportation, labor and energy costs that have continued to rise in 2022 as the pandemic continues to affect global markets and operations.

During the first quarter of 2022, our net revenues continued to grow with net revenue growth of 7.3% and Organic Net Revenue growth of 8.6%, compared to the first quarter of 2021. In the first quarter of 2022, we continued to see increased demand primarily for our snack category products and revenue growth in both our emerging and

developed markets relative to the first quarter of 2021. We continued to also experience significantly higher operating costs. See additional details on our results in our *Discussion and Analysis of Historical Results*.

During the pandemic, we continued to closely monitor our cash position and cash flows and worked to increase our access to financing. As of March 31, 2022, our liquidity remains strong. During the first quarter of 2022, we funded our acquisition of Chipita (see additional information below) and issued \$2 billion of long-term debt, refinancing approximately \$2 billion of tendered and redeemed debt (refer to Note 8, *Debt and Borrowing Arrangements* for details) ahead of a 2022 rising interest rate environment. We generated \$1.1 billion of cash from operations, ending the quarter with cash and cash equivalents of \$1.9 billion as of March 31, 2022. We also have \$9 billion of unused credit facilities available as well as ongoing access to additional financing. Our JDE Peet's and KDP equity method investments also give us additional financial flexibility.

We will continue to proactively manage our business in response to the evolving global economic environment and related uncertainty and business risks as well as prioritize and support our employees and customers. We continue to take steps to mitigate impacts to our supply chain, operations, technology and assets. We intend to continue to execute on our strategic operating plans as the situation evolves. We seek to further our strategic priorities and position the Company to withstand the current uncertainties and emerge stronger.

Chipita Acquisition

On January 3, 2022, we closed on our acquisition of Chipita S.A., which is a strategic complement to our existing snacks portfolio and advances our strategy to become the global leader in broader snacking. We paid cash consideration of €1.3 billion (\$1.4 billion), net of cash received, and we assumed and paid down €0.4 billion (\$0.4 billion) of Chipita's debt in January for a total purchase price of approximately €1.7 billion (\$1.9 billion). Refer to our *Discussion and Analysis of Historical Results* for more information on the impact of the acquisition on our first quarter 2022 results and refer to Note 2, *Acquisitions and Divestitures*, for additional details on the acquisition.

Summary of Results

- Net revenues increased 7.3% to \$7.8 billion in the first three months of 2022 as compared to the same period in the prior year. In the first quarter of 2022, our net revenue growth continued to reflect increased demand for most of our snack category products in both our emerging and developed markets relative to 2021. Overall, our net revenue growth was driven by higher net pricing, favorable volume/mix and incremental net revenues from acquisitions, partially offset by unfavorable currency translation.
- Organic Net Revenue, a non-GAAP financial measure, increased 8.6% to \$7.9 billion in the first three months of 2022 as compared to same period in the prior year. During the first three months of 2022, Organic Net Revenue grew due to higher net pricing and favorable volume/mix. Refer to our *Discussion and Analysis of Historical Results* below for additional information. Organic Net Revenue is on a constant currency basis and excludes revenue from acquisitions and divestitures. We use Organic Net Revenue as it provides improved year-over-year comparability of our underlying operating results (see the definition of Organic Net Revenue and our reconciliation with net revenues within *Non-GAAP Financial Measures* appearing later in this section).
- Diluted EPS attributable to Mondelez International decreased (10.3)% to \$0.61 in the first three months of 2022 as compared to the same period in the prior year. The decrease was primarily driven by incremental costs incurred due to the war in Ukraine, unfavorable year-over-year mark-to-market impacts from currency and commodity derivatives and intangible asset impairment charges incurred in 2022, partially offset by an increase in Adjusted EPS and lower Simplify to Grow program costs.
- Adjusted EPS, a non-GAAP financial measure, increased 6.3% to \$0.84 in the first three months of 2022 as compared to the same period in the prior year. On a constant currency basis, Adjusted EPS increased 13.9% to \$0.90 in the first three months of 2022 as compared to the same periods in the prior year. The increase in Adjusted EPS was driven by operating gains, lower interest expense and fewer shares outstanding, partially offset by unfavorable currency translation, higher taxes primarily due to lower net benefits from non-recurring discrete tax items and lower benefit plan non-service income. Adjusted EPS and Adjusted EPS on a constant currency basis are non-GAAP financial measures. We use these measures as they provide improved year-over-year comparability of our underlying results (see the definition of Adjusted EPS and our reconciliation with diluted EPS within *Non-GAAP Financial Measures* appearing later in this section).

Financial Outlook

We seek to achieve profitable, long-term growth and manage our business to attain this goal using our key operating metrics: Organic Net Revenue, Adjusted Operating Income and Adjusted EPS. We use these non-GAAP financial metrics and related computations, particularly growth in profit dollars, to evaluate and manage our business and to plan and make near- and long-term operating and strategic decisions. As such, we believe these metrics are useful to investors as they provide supplemental information in addition to our U.S. Generally Accepted Accounting Principles ("U.S. GAAP") financial results. We believe it is useful to provide investors with the same financial information that we use internally to make comparisons of our historical operating results, identify trends in our underlying operating results and evaluate our business. We believe our non-GAAP financial measures should always be considered in relation to our GAAP results. We have provided reconciliations between our GAAP and non-GAAP financial measures in *Non-GAAP Financial Measures*, which appears later in this section.

In addition to monitoring our key operating metrics, we monitor developments and trends that could impact our revenue and profitability objectives, similar to those we highlighted in our most recently filed Annual Report on Form 10-K for the year ended December 31, 2021 and discussed in the footnotes to our financial statements.

- *Market conditions.* Snack categories continued to grow in the first quarter of 2022. This is consistent with the latest findings in the third annual *State of Snacking* report, commissioned by Mondelez International and issued in January 2022. The research report was conducted in conjunction with consumer poll specialist The Harris Poll and summarizes the findings from interviews with thousands of consumers across 12 countries. The report underscores the growth of snacking worldwide and how behavior, sentiment and routines surrounding food are being reshaped by factors such as the COVID-19 pandemic. Snacking, which was already increasing among consumers, continues to grow as we noted in our latest Annual Report on Form 10-K. Our outlook for future snacks revenue growth remains strong, but we anticipate some volatility in revenues while current events and conditions continue. As the COVID-19 pandemic, war in Ukraine and related impacts continue, we could see shifts in consumer demand and in our sales and product mix that could have a negative impact on our results. We continue to monitor volatility across markets, including global consumer, energy and other commodity, transportation, labor, currency and capital markets. We expect greater inflation, including input cost volatility and a higher aggregate cost environment in 2022, as the war in Ukraine, the pandemic, supply chain disruptions (affecting the availability of raw materials, packaging, transportation and other costs), rising energy costs, labor shortages, adverse weather events and conditions and other factors are expected to continue. Refer also to *Commodity Trends* and Item 3, *Quantitative and Qualitative Disclosures about Market Risk*.
- *War in Ukraine.* We expect to experience increased volatility and higher costs in international supply chains and global markets (including energy and other commodities, currencies and capital markets) in connection with the war in Ukraine with related negative impacts to our operating results that we cannot fully predict. We also expect increased inflationary pressures that will adversely impact our operating costs, particularly as the war continues. Demand for our products may also be negatively impacted, particularly in those markets closest to Ukraine or other markets that are more vulnerable to consumer price increases. We have also been expanding operations in other European facilities to continue supplying the majority of our Ukraine business's customers and consumers across Europe. We continue to take action and evaluate additional ways to mitigate risks, including executing business continuity plans to cover products produced in Ukraine and taking actions to adjust product offerings, package sizes and pricing to help address rising costs. While we are working to mitigate negative effects on our business, we may not be able to fully predict or respond to all impacts on a timely basis to prevent adverse impacts to our results. We also continue to monitor the situation in Russia and any risks to our employees, operations or assets. Any ongoing or new developments in the war could have a material negative effect on our business and results in the future.
- *COVID-19.* As described above, we continue to monitor and respond to the COVID-19 pandemic. While its impact is not fully known, it has had a material negative effect on the global and local economies and could have a material negative effect on our business and results in the future, particularly if there are significant adverse changes to consumer demand, product mix or operating costs; significant disruptions to the supply, production or distribution of our products; or deterioration of the credit or financial stability of our customers and other business partners. While we have seen some improvements in many markets where we sell and operate, COVID-19 variants and spikes in infections continue across a number of markets. Disruptions or our failure to effectively respond to them could further increase product or distribution costs and prices and negatively affect operations and results. Although we hedge to mitigate exposures to commodity and other input cost increases, we cannot fully hedge against all cost increases and changes in costs, and our hedging strategies may not protect us from increases in specific raw materials or other costs. We also may not be able to adjust pricing timely or fully, and this may negatively affect our revenue, margins or earnings. If a significant economic or credit deterioration occurs, it could impair credit availability and our ability to raise capital when needed. A significant disruption in the financial markets may also have a negative effect on our derivative counterparties and could impair our banking or other business partners, on whom we rely for access to capital and as counterparties for a number of our derivative contracts. As we continue to manage operations during the pandemic, we will continue to prioritize the safety of our employees and consumers and we may continue to incur increased labor, customer service, commodity, transportation and other costs. We are working to mitigate negative impacts to our business from the COVID-19 pandemic, but we may not be able to fully predict or respond to all impacts on a timely basis to prevent adverse impacts to our results. Any of these and other developments could materially harm our business, results of operations and financial condition.

- *Ricolino acquisition.* On April 24, 2022, we entered into an agreement with Grupo Bimbo to acquire Ricolino, its confectionery business located primarily in Mexico for a purchase price of approximately \$1.3 billion, subject to closing purchase price adjustments. The transaction, which will be funded through a combination of an issuance of debt and cash on hand, is subject to relevant antitrust approvals and closing conditions and is expected to close in late Q3 or early Q4 2022.
- *Taxes.* We continue to monitor existing and potential future tax reform around the world. In March 2022, President Biden sent a proposed 2023 budget to Congress and in November 2021, the U.S. House of Representatives passed a bill that has not yet been acted on by the Senate; both proposals contain significant changes to currently enacted U.S. tax rules. In addition, the Organization of Economic Cooperation and Development (OECD) continues to work toward agreement regarding model rules for a global minimum tax. These proposed U.S. and global legislative changes could have a material effect on us if enacted.
- *Türkiye, Argentina and currency volatility.* During the first quarter of 2022, currency exchange rate volatility increased. We discuss currency impacts on our results in our *Discussion and Analysis of Historical Results*. As further discussed in Note 1, *Basis of Presentation – Currency Translation and Highly Inflationary Accounting*, during the first quarter of 2022, we concluded that Türkiye became a highly inflationary economy for accounting purposes. As of April 1, 2022, we expect to apply highly inflationary accounting for our subsidiaries operating in Türkiye and change their functional currency from the Turkish lira to the U.S. dollar. Our operations in Türkiye contributed \$43 million, or 0.6% of our condensed consolidated net revenues in the three months ended March 31, 2022. Based on a review of our Turkish lira-denominated monetary assets and liabilities, our operations in Türkiye had an immaterial net monetary liability position as of March 31, 2022. We also continue to apply highly inflationary accounting for our Argentinean subsidiaries. During the three months ended March 31, 2022, we recorded a remeasurement loss of \$5 million within selling, general and administrative expenses related to the revaluation of our Argentinean peso denominated net monetary position. The mix of monetary assets and liabilities and the exchange rate to convert Turkish lira and Argentinean pesos to U.S. dollars could change over time, so it is difficult to predict the overall impact of the Türkiye and Argentina highly inflationary accounting on future net earnings.
- *Gum Portfolio Review.* During 2021, we began to conduct a strategic review of our developed market gum business. We continue to conduct the review and expect to have more information to share in mid-2022.
- *U.K. advertising and promotion ban.* In the United Kingdom, a ban on specific types of TV and online advertising of food containing levels of fat, sugar or salt above specified thresholds is expected to go into effect in 2023, and new measures restricting certain promotions and in-store placement of some of those products are expected to go into effect in October 2022. Although we are unable to estimate precisely the impact of the restrictions, they could significantly negatively affect our U.K. results of operations in 2022 and thereafter. In the three months ended March 31, 2022, we generated 9.3% of our consolidated net revenues in the U.K.
- *Cybersecurity Risks.* Global cybersecurity risks continue to increase and we continue to be on heightened alert and dedicate focused resources to network security, backup and disaster recovery and to provide ongoing workforce training and employ security measures to protect our systems and data. We also continue to monitor threats in our environment, including but not limited to the manufacturing environment and operational technologies, as well as adjusting information security controls based on updated threats. While we have taken security measures to protect our systems and data, security measures cannot provide absolute certainty or guarantee that we will be successful in preventing or responding to every breach or disruption on a timely basis.

Net Revenues – Net revenues increased \$526 million (7.3%) to \$7,764 million in the first quarter of 2022, and Organic Net Revenue ⁽¹⁾ increased \$619 million (8.6%) to \$7,857 million. Developed markets net revenues increased 2.7% and developed markets Organic Net Revenue increased 4.2% ⁽¹⁾. Emerging markets net revenues increased 15.6% and emerging markets Organic Net Revenue increased 16.5% ⁽¹⁾. The underlying changes in net revenues and Organic Net Revenue are detailed below:

Total change in Organic Net Revenue ⁽¹⁾	8.6 %
Higher net pricing	4.8 pp
Favorable volume/mix	3.8 pp

(1) Please see the *Non-GAAP Financial Measures* section at the end of this item.

Net revenue increase of 7.3% was driven by our underlying Organic Net Revenue growth of 8.6% and the impact of acquisitions, partially offset by unfavorable currency translation. Overall, we continued to see increased demand for our snack category products, though some markets are still challenged due to the pandemic. Organic Net Revenue growth was driven by higher net pricing and favorable volume/mix. Higher net pricing in all regions was due to the benefit of carryover pricing from 2021 as well as the effects of input cost-driven pricing actions taken during the first three months of 2022. Favorable volume/mix across all regions was driven primarily by strong volume gains primarily across our snack category products. The January 3, 2022 acquisition of Chipita added incremental net revenues of \$169 million (constant currency basis), the April 1, 2021 acquisition of Gourmet Food added incremental net revenues of \$15 million (constant currency basis) and the March 25, 2021 acquisition of Grenade added incremental net revenues of \$22 million (constant currency basis). Refer to Note 2, *Acquisitions and Divestitures*, for additional information. Unfavorable currency impacts decreased net revenues by \$299 million, due primarily to the strength of the U.S. dollar relative to several currencies, including the euro, Turkish lira, Russian ruble, Argentinean peso, British pound sterling and Australian dollar, partially offset by the strength of several currencies relative to the U.S. dollar, including the Brazilian real and Chinese yuan.

During the first quarter of 2022, we realized higher net pricing and favorable volume/mix, which was partially offset by increased input costs. Higher net pricing, which included the carryover impact of pricing actions taken in 2021 as well as the effects of input cost-driven pricing actions taken during the first three months of 2022, was reflected across all regions. Favorable volume/mix was driven by Europe, Latin America and AMEA, partially offset by unfavorable volume/mix in North America. Overall volume/mix benefited from strong volume growth due to continued increased demand for our snack category products. The increase in input costs was driven by higher raw material costs, partially offset by lower manufacturing costs driven by productivity. Higher raw material costs were in part due to higher packaging, edible oils, dairy, energy, grains, sugar and other ingredient costs, partially offset by favorable year-over-year currency exchange transaction costs on imported materials and lower cocoa costs.

Total selling, general and administrative expenses increased \$129 million from the first quarter of 2021, due to a number of factors noted in the table above, including in part, the impact of acquisitions, higher acquisition integration costs, incremental costs incurred due to the war in Ukraine and higher acquisition-related costs, which were partially offset by a favorable currency impact related to expenses and lower implementation costs incurred for the Simplify to Grow Program. Excluding these factors, selling, general and administrative expenses increased \$77 million from the first quarter of 2021. The increase was driven primarily by higher advertising and consumer promotion costs and higher overhead costs reflecting increased investments in route-to-market capabilities.

Unfavorable currency changes decreased operating income by \$89 million due primarily to the strength of the U.S. dollar relative to most currencies, including the Russian ruble, euro, Argentinean peso, British pound sterling, Turkish lira and Australian dollar, partially offset by the strength of a few currencies relative to the U.S. dollar, including the Brazilian real and Chinese yuan.

Operating income margin decreased from 17.7% in the first quarter of 2021 to 14.1% in the first quarter of 2022. The decrease was driven primarily by incremental costs incurred due to the war in Ukraine, unfavorable year-over-year change in mark-to-market gains/(losses) from currency and commodity hedging activities, intangible asset impairment charges incurred in 2022, higher acquisition integration costs, lower Adjusted Operating Income margin, higher acquisition-related costs and lapping a prior-year gain on acquisition, partially offset by lower Simplify to Grow program costs. Adjusted Operating Income margin decreased from 17.9% for the first quarter of 2021 to 17.7% for the first quarter of 2022. The decrease was driven primarily by higher raw material costs and unfavorable product mix, partially offset by higher net pricing and overhead cost leverage.

Net Earnings and Earnings per Share Attributable to Mondelez International – Net earnings attributable to Mondelez International of \$855 million decreased by \$106 million (11.0%) in the first quarter of 2022. Diluted EPS attributable to Mondelez International was \$0.61 in the first quarter of 2022, down \$0.07 (10.3%) from the first quarter of 2021. Adjusted EPS ⁽¹⁾ was \$0.84 in the first quarter of 2022, up \$0.05 (6.3%) from the first quarter of 2021. Adjusted EPS on a constant currency basis ⁽¹⁾ was \$0.90 in the first quarter of 2022, up \$0.11 (13.9%) from the first quarter of 2021.

Results of Operations by Reportable Segment

Our operations and management structure are organized into four operating segments:

- Latin America
- AMEA
- Europe
- North America

We manage our operations by region to leverage regional operating scale, manage different and changing business environments more effectively and pursue growth opportunities as they arise across our key markets. Our regional management teams have responsibility for the business, product categories and financial results in the regions.

We use segment operating income to evaluate segment performance and allocate resources. We believe it is appropriate to disclose this measure to help investors analyze segment performance and trends. See Note 16, *Segment Reporting*, for additional information on our segments and *Items Affecting Comparability of Financial Results* earlier in this section for items affecting our segment operating results.

Segment operating income	103	76	27	35.5 %

Three Months Ended March 31:

Net revenues increased \$157 million (23.5%), due to higher net pricing (17.0 pp) and favorable volume/mix (8.7 pp), partially offset by unfavorable currency (2.2 pp). Higher net pricing was reflected across all categories, driven primarily by Argentina, Brazil and Mexico. Favorable volume/mix reflected strong volume growth as the region continued to see increased demand for our snack category products. Favorable volume/mix was driven by gains in chocolate, biscuits, gum and candy, partially offset by declines in refreshment beverages and cheese & grocery. Unfavorable currency impacts were due primarily to the strength of the U.S. dollar relative to most currencies in the region, primarily the Argentinean peso, partially offset by the strength of a few currencies relative to the U.S. dollar, primarily the Brazilian real.

Segment operating income increased \$27 million (35.5%), primarily due to higher net pricing, favorable volume/mix, lower manufacturing costs due to productivity and lower costs incurred for the Simplify to Grow Program. These favorable items were partially offset by higher raw material costs, higher advertising and consumer promotion costs, unfavorable currency and higher other selling, general and administrative expenses.

Three Months Ended March 31:

Net revenues increased \$122 million (7.0%), due to favorable volume/mix (6.4 pp), higher net pricing (2.5 pp) and the impact of an acquisition (0.9 pp), partially offset by unfavorable currency (2.8 pp). Favorable volume/mix reflected overall volume gains from increased demand for our snack category products, though some markets were still challenged due to the pandemic. Favorable volume/mix was driven by gains in chocolate, biscuits, refreshment beverages, gum and candy, partially offset by declines in cheese & grocery. Higher net pricing was reflected across all categories except gum. The April 1, 2021 acquisition of Gourmet Food added incremental net revenues of \$15 million (constant currency basis) in the first quarter of 2022. Unfavorable currency impacts were due to the strength of the U.S. dollar relative to most currencies in the region, including the Australian dollar, Indian rupee and Philippine peso, partially offset by the strength of a few currencies relative to the U.S. dollar, primarily the Chinese yuan.

Segment operating income decreased \$90 million (24.9%), primarily due to intangible asset impairment charges incurred in the first quarter of 2022, higher raw material costs, higher costs incurred for the Simplify to Grow Program, higher advertising and consumer promotion costs, unfavorable currency and higher other selling, general and administrative expenses. These unfavorable items were partially offset by higher net pricing, favorable volume/mix and lower manufacturing costs driven by productivity.

Three Months Ended March 31:

Net revenues increased \$88 million (3.1%), due to the impact of acquisitions (6.4 pp), favorable volume/mix (3.4 pp) and higher net pricing (1.5 pp), partially offset by unfavorable currency (8.2 pp). The January 3, 2022 acquisition of Chipita added incremental net revenues of \$162 million (constant currency basis) and the March 25, 2021 acquisition of Grenade added incremental net revenues of \$22 million (constant currency basis) in the first quarter of 2022. Favorable volume/mix was driven by strong volume growth as we experienced increased demand for our snack category products and our world travel business grew as global travel continued to improve though still below pre-pandemic levels. Favorable volume/mix was driven by gains in chocolate, biscuits, candy and gum, partially offset by declines in cheese & grocery and refreshment beverages. Higher net pricing was reflected across all categories except refreshment beverages. Unfavorable currency impacts reflected the strength of the U.S. dollar relative to most currencies across the region, including the euro, Turkish lira, Russian ruble, British pound sterling, Polish zloty and Swedish krona.

Segment operating income decreased \$180 million (32.3%), primarily due to incremental costs incurred due to the war in Ukraine, unfavorable currency, acquisition integration costs incurred in the first quarter of 2022, higher advertising and consumer promotion costs and higher other selling, general and administrative expenses. These unfavorable items were partially offset by higher net pricing, favorable volume/mix, lower Simplify to Grow program costs, the impact of acquisitions and lower manufacturing costs due to productivity.

Three Months Ended March 31:

Net revenues increased \$159 million (8.0%), due to higher net pricing (7.5 pp), the impact of an acquisition (0.3 pp) and favorable volume/mix (0.2 pp). Higher net pricing was reflected across all categories driven by pricing actions taken in the first three months of 2022. The January 3, 2022 acquisition of Chipita added incremental net revenues of \$7 million in the first quarter of 2022. Favorable volume/mix was driven by gains in candy, chocolate and gum, mostly offset by a decline in biscuits which primarily reflected the impact of supply chain constraints on volume.

Segment operating income increased \$148 million (54.8%), primarily due to higher net pricing and lower Simplify to Grow Program costs. These favorable items were partially offset by higher raw material costs, unfavorable volume/mix and higher manufacturing costs net of productivity.

Liquidity and Capital Resources

We believe that cash from operations, our revolving credit and term loan facilities, short-term borrowings and our authorized long-term financing will continue to provide sufficient liquidity for our working capital needs, planned capital expenditures, future payments of our contractual, tax and benefit plan obligations and payments for acquisitions, share repurchases and quarterly dividends. We expect to continue to utilize our commercial paper program and available international credit lines as needed. We continually evaluate long-term debt issuances to meet our short- and longer-term funding requirements. We also use intercompany loans with our international subsidiaries to improve financial flexibility. Our investments in JDE Peet's and KDP also provide us additional flexibility. Overall, we do not expect negative effects to our funding sources that would have a material effect on our liquidity, and we continue to monitor our operations in Europe and effects from the war in Ukraine. To date, we have been successful in generating cash and raising financing as needed. However, in connection with the COVID-19 pandemic, war in Ukraine or other circumstances, if a serious economic or credit market crisis ensues, it could have a material adverse effect on our liquidity, results of operations and financial condition.

Our most significant ongoing short-term cash requirements relate primarily to funding operations (including expenditures for raw materials, labor, manufacturing and distribution, trade and promotions, advertising and marketing, tax liabilities, benefit plan obligations and lease expenses) as well as periodic expenditures for acquisitions, shareholder returns (such as dividend payments and share repurchases) and property, plant and equipment.

Long-term cash requirements primarily relate to funding long-term debt repayments (refer to Note 8, *Debt and Borrowing Arrangements*), our U.S. tax reform transition tax liability which is payable through 2026 and deferred taxes (refer to Note 16, *Income Taxes*, in our Annual Report on Form 10-K), our long-term benefit plan obligations (refer to Note 10, *Benefit Plans*, and Note 11, *Benefit Plans*, in our Annual report on Form 10-K) and commodity-related purchase commitments and derivative contracts (refer to Note 9, *Financial Instruments*).

We generally fund short- and long-term cash requirements with cash from operating activities as well as cash proceeds from short- and long-term debt financing (refer to *Debt* below). We generally do not use equity to fund our ongoing obligations.

Cash Flow:

We believe our ability to generate substantial cash from operating activities and readily access capital markets and secure financing at competitive rates are key strengths and give us significant flexibility to meet our short and long-term financial commitments. Our cash flow activity is noted below:

Three months ended March 31,	2022	2021
Net cash provided by operating activities	\$ 1,131	\$ 915
Net cash used in investing activities	\$ (1,441)	\$ (690)
Net cash used in financing activities	\$ (1,280)	\$ (1,781)

Net Cash Provided by Operating Activities:

The increase in net cash provided by operating activities was due primarily to lower year-over-year working capital requirements, higher cash earnings, lower tax payments and higher dividends received from our equity method investments, partially offset by higher acquisition integration-related costs.

Net Cash Used in Investing Activities:

The increase in net cash used in investing activities was largely driven by higher cash payments for acquisitions, including \$1.4 billion cash consideration paid for the Chipita acquisition during January 2022 relative to \$490 million paid to acquire a majority interest in Grenade and the remaining equity of Hu Master Holdings during the first quarter of 2021 (refer to Note 2, *Acquisitions and Divestitures*), partially offset by proceeds related to a sale of an acquired Chipita equity method investment and lower capital expenditures. We continue to make capital expenditures primarily to modernize manufacturing facilities and support new product and productivity initiatives. We expect 2022 capital expenditures to be approximately \$1.2 billion, including capital expenditures in connection with our Simplify to Grow Program. We expect to continue to fund these expenditures with cash from operations.

Net Cash Used in Financing Activities:

The decrease in cash used in financing activities was primarily due to lower share repurchases as well as lower net debt repayments as we largely refinanced debt during the first quarter of 2022 with lower interest rate debt (refer to Note 8, *Debt and Borrowing Arrangements*) and we lapped higher amounts of net long-term debt repayments in the prior-year first quarter. The decrease in cash used in financing activities was partially offset by higher dividends paid in the first three months of 2022 than in the same prior-year period.

Supply Chain Financing

As part of our continued efforts to improve our working capital efficiency, we have worked with our suppliers over the past several years to optimize our terms and conditions, which include the extension of payment terms. Our current payment terms with a majority of our suppliers are from 30 to 180 days, which we deem to be commercially reasonable. We also facilitate voluntary supply chain financing ("SCF") programs through several participating financial institutions. Under these programs, our suppliers, at their sole discretion, determine invoices that they want to sell to participating financial institutions. Our suppliers' voluntary inclusion of invoices in SCF programs has no bearing on our payment terms or amounts due. Our responsibility is limited to making payments based upon the agreed-upon contractual terms. No guarantees are provided by the Company or any of our subsidiaries under the SCF programs and we have no economic interest in the suppliers' decision to participate in the SCF programs. Amounts due to our suppliers that elected to participate in the SCF program are included in accounts payable in our consolidated balance sheet. We have been informed by the participating financial institutions that as of March 31, 2022, and March 31, 2021, \$2.5 billion and \$2.3 billion, respectively, of our accounts payable to suppliers that participate in the SCF programs are outstanding.

Guarantees:

As discussed in Note 12, *Commitments and Contingencies*, we enter into third-party guarantees primarily to cover the long-term obligations of our vendors. As part of these transactions, we guarantee that third parties will make contractual payments or achieve performance measures. At March 31, 2022, we had no material third-party guarantees recorded on our condensed consolidated balance sheet. Guarantees do not have, and we do not expect them to have, a material effect on our liquidity.

Debt:

The nature and amount of our long-term and short-term debt and the proportionate amount of each varies as a result of current and expected business requirements, market conditions and other factors. Due to seasonality, in the first and second quarters of the year, our working capital requirements grow, increasing the need for short-term financing. The second half of the year typically generates higher cash flows. As such, we may issue commercial paper or secure other forms of financing throughout the year to meet short-term working capital or other financing needs.

Refer to Note 8, *Debt and Borrowing Arrangements*, for details of our debt activity during the first three months of 2022. In the next 12 months, we expect to repay approximately \$0.7 billion of maturing long-term debt including \$0.2 billion in July 2022 and \$0.5 billion in September 2022. We fund ongoing debt maturities and other long-term obligations using cash on hand or we may refinance obligations with long-term debt or short-term financing (such as our commercial paper borrowings) depending on financing available, timing considerations, flexibility to raise funding and the cost of financing.

During December 2021, our Board of Directors approved a new \$7.0 billion long-term financing authority to replace the prior \$6.0 billion authority. As of March 31, 2022, \$5 billion of the long-term financing authorization remained available, with \$2 billion of this amount allocated for any borrowings that we may make under the term loan facility we entered into in March 2022. Refer to Note 8, *Debt and Borrowing Arrangements*.

Our total debt was \$19.7 billion at March 31, 2022 and \$19.5 billion at December 31, 2021. Our debt-to-capitalization ratio was 0.41 at March 31, 2022 and 0.41 at December 31, 2021. At March 31, 2022, the weighted-average term of our outstanding long-term debt was 9.4 years. Our average daily commercial paper borrowings outstanding were \$1.2 billion in the first three months of 2022 and \$0.2 billion in the first three months of 2021. We had commercial paper outstanding totaling \$0.5 billion as of March 31, 2022 and \$0.2 billion as of December 31, 2021. We expect to continue to use cash or commercial paper to finance various short-term financing needs. Through March 31, 2022, we continue to comply with our debt covenants.

One of our subsidiaries, Mondelez International Holdings Netherlands B.V. ("MIHN"), has outstanding debt. The operations held by MIHN generated approximately 74.4% (or \$5.8 billion) of the \$7.8 billion of consolidated net revenue in the three months ended March 31, 2022. The operations held by MIHN represented approximately 81.6% (or \$23.0 billion) of the \$28.2 billion of net assets as of March 31, 2022 and 79.2% (or \$22.4 billion) of the \$28.3 billion of net assets as of December 31, 2021.

Refer to Note 8, *Debt and Borrowing Arrangements*, for more information on our debt and debt covenants.

Commodity Trends

We regularly monitor worldwide supply, commodity cost and currency trends so we can cost-effectively secure ingredients, packaging and fuel required for production. During the first three months of 2022, the primary drivers of the increase in our aggregate commodity costs were higher packaging, edible oils, dairy, energy, grains, sugar and other ingredient costs, partially offset by favorable year-over-year currency exchange transaction costs on imported materials and lower cocoa costs.

A number of external factors such as the COVID-19 global pandemic, effects of the war in Ukraine, climate and weather conditions, commodity, transportation and labor market conditions, currency fluctuations and the effects of governmental agricultural or other programs affect the cost and availability of raw materials and agricultural materials used in our products. We address higher commodity costs and currency impacts primarily through hedging, higher pricing and manufacturing and overhead cost control. We use hedging techniques to limit the impact of fluctuations in the cost of our principal raw materials; however, we may not be able to fully hedge against commodity cost changes, such as dairy, where there is a limited ability to hedge, and our hedging strategies may not protect us from increases in specific raw material costs. Due to competitive or market conditions, planned trade or promotional incentives, fluctuations in currency exchange rates or other factors, our pricing actions may also lag commodity cost changes temporarily.

As a result of international supply chain, transportation and labor market disruptions and generally higher commodity, transportation and labor costs in the first quarter of 2022, we expect price volatility and a higher aggregate cost environment to continue in the remainder of 2022. While the costs of our principal raw materials fluctuate, we believe there will continue to be an adequate supply of the raw materials we use and that they will generally remain available.

Equity and Dividends

Stock Plans and Share Repurchases:

See Note 11, *Stock Plans*, to our condensed consolidated financial statements and Part II, Item 2, *Unregistered Sales of Equity Securities and Use of Proceeds*, for more information on our stock plans, grant activity and share repurchase program for the three months ended March 31, 2022.

As of March 31, 2022, our Board of Directors has authorized share repurchases up to \$23.7 billion through December 31, 2023. Under this program, we have repurchased approximately \$20.8 billion of shares through March 31, 2022 (\$0.8 billion in the first three months of 2022, \$2.1 billion in 2021, \$1.4 billion in 2020, \$1.5 billion in 2019, \$2.0 billion in 2018, \$2.2 billion in 2017, \$2.6 billion in 2016, \$3.6 billion in 2015, \$1.9 billion in 2014 and \$2.7 billion in 2013), at a weighted-average cost of \$42.50 per share.

The number of shares that we ultimately repurchase under our share repurchase program may vary depending on numerous factors, including share price and other market conditions, our ongoing capital allocation planning, levels of cash and debt balances, other demands for cash, such as acquisition activity, general economic or business conditions and Board and management discretion. Additionally, our share repurchase activity during any particular period may fluctuate. We may accelerate, suspend, delay or discontinue our share repurchase program at any time, without notice.

Dividends:

We paid dividends of \$491 million in the first three months of 2022 and \$453 million in the first three months of 2021. The first quarter 2022 dividend of \$0.35 per share, declared on February 3, 2022 for shareholders of record as of March 31, 2022, was paid on April 14, 2022. The declaration of dividends is subject to the discretion of our Board of Directors and depends on various factors, including our net earnings, financial condition, cash requirements, future prospects and other factors that our Board of Directors deems relevant to its analysis and decision making.

We anticipate that the 2022 distributions will be characterized as dividends under U.S. federal income tax rules. The final determination will be made on an IRS Form 1099–DIV issued in early 2023.

Significant Accounting Estimates

We prepare our condensed consolidated financial statements in conformity with U.S. GAAP. The preparation of these financial statements requires the use of estimates, judgments and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the periods presented. Actual results could differ from those estimates and assumptions. Our significant accounting policies are described in Note 1 to our consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2021. Our significant accounting estimates are described in *Management's Discussion and Analysis of Financial Condition and Results of Operations* in our Annual Report on Form 10-K for the year ended December 31, 2021. See also Note 1, *Basis of Presentation*, in this report.

Non-GAAP Financial Measures

We use non-GAAP financial information and believe it is useful to investors as it provides additional information to facilitate comparisons of historical operating results, identify trends in our underlying operating results and provide additional insight and transparency on how we evaluate our business. We use non-GAAP financial measures to budget, make operating and strategic decisions and evaluate our performance. We have detailed the non-GAAP adjustments that we make in our non-GAAP definitions below. The adjustments generally fall within the following categories: acquisition & divestiture activities, gains and losses on intangible asset sales and non-cash impairments, major program restructuring activities, constant currency and related adjustments, major program financing and hedging activities and other major items affecting comparability of operating results. We believe the non-GAAP measures should always be considered along with the related U.S. GAAP financial measures. We have provided the reconciliations between the GAAP and non-GAAP financial measures below, and we also discuss our underlying GAAP results throughout our *Management's Discussion and Analysis of Financial Condition and Results of Operations* in this Form 10-Q.

Our primary non-GAAP financial measures are listed below and reflect how we evaluate our current and prior-year operating results. As new events or circumstances arise, these definitions could change. When our definitions change, we provide the updated definitions and present the related non-GAAP historical results on a comparable basis ⁽¹⁾.

- “Organic Net Revenue” is defined as net revenues excluding the impacts of acquisitions, divestitures⁽²⁾ and currency rate fluctuations⁽³⁾. We also evaluate Organic Net Revenue growth from emerging markets and developed markets.
 - Our emerging markets include our Latin America region in its entirety; the AMEA region, excluding Australia, New Zealand and Japan; and the following countries from the Europe region: Russia, Ukraine, Türkiye, Kazakhstan, Georgia, Poland, Czech Republic, Slovak Republic, Hungary, Bulgaria, Romania, the Baltics and the East Adriatic countries.
 - Our developed markets include the entire North America region, the Europe region excluding the countries included in the emerging markets definition, and Australia, New Zealand and Japan from the AMEA region.

 - “Adjusted Operating Income” is defined as operating income excluding the impacts of the Simplify to Grow Program⁽⁴⁾; gains or losses (including non-cash impairment charges) on goodwill and intangible assets; divestiture⁽²⁾ or acquisition gains or losses, divestiture-related costs⁽²⁾, acquisition-related costs, and acquisition integration costs and contingent consideration adjustments⁽²⁾; the operating results of divestitures⁽²⁾; remeasurement of net monetary position⁽⁵⁾; mark-to-market impacts from commodity, forecasted currency and equity method investment transaction derivative contracts⁽⁶⁾; impact from resolution of tax matters⁽⁷⁾; incremental costs due to the war in Ukraine⁽⁸⁾; impact from pension participation changes⁽⁹⁾; and costs associated with the JDE Peet’s transaction. We also present “Adjusted Operating Income margin,” which is subject to the same adjustments as Adjusted Operating Income. We also evaluate growth in our Adjusted Operating Income on a constant currency basis⁽³⁾.

 - “Adjusted EPS” is defined as diluted EPS attributable to Mondelēz International from continuing operations excluding the impacts of the items listed in the Adjusted Operating Income definition as well as losses on debt extinguishment and related expenses; gains or losses on interest rate swaps no longer designated as accounting cash flow hedges due to changed financing and hedging plans; net earnings from divestitures⁽²⁾; initial impacts from enacted tax law changes⁽¹⁰⁾; and gains or losses on equity method investment transactions. Similarly, within Adjusted EPS, our equity method investment net earnings exclude our proportionate share of our investees’ significant operating and non-operating items⁽¹¹⁾. We also evaluate growth in our Adjusted EPS on a constant currency basis⁽³⁾.
- (1) When items no longer impact our current or future presentation of non-GAAP operating results, we remove these items from our non-GAAP definitions. In the first quarter of 2022, we added to the non-GAAP definitions the exclusion of incremental costs due to the war in Ukraine (refer to footnote (8) below).
 - (2) Divestitures include completed sales of businesses (including the partial or full sale of an equity method investment) and exits of major product lines upon completion of a sale or licensing agreement. As we record our share of KDP and JDE Peet’s ongoing earnings on a one-quarter lag basis, any KDP or JDE Peet’s ownership reductions are reflected as divestitures within our non-GAAP results the following quarter. Related to acquisitions, we exclude the impact of adjustments made to our acquisition contingent consideration liabilities that were recorded at the date of acquisition. We made this adjustment to better facilitate comparisons of our underlying operating performance across periods. See Note 2, *Acquisitions and Divestitures*, and Note 6, *Equity Method Investments*, for information on acquisitions and divestitures impacting the comparability of our results.
 - (3) Constant currency operating results are calculated by dividing or multiplying, as appropriate, the current-period local currency operating results by the currency exchange rates used to translate the financial statements in the comparable prior-year period to determine what the current-period U.S. dollar operating results would have been if the currency exchange rate had not changed from the comparable prior-year period.
 - (4) Non-GAAP adjustments related to the Simplify to Grow Program reflect costs incurred that relate to the objectives of our program to transform our supply chain network and organizational structure. Costs that do not meet the program objectives are not reflected in the non-GAAP adjustments.
 - (5) During the third quarter of 2018, as we began to apply highly inflationary accounting for Argentina (refer to Note 1, *Basis of Presentation*), we excluded the remeasurement gains or losses related to remeasuring net monetary assets or liabilities in Argentina during the period to be consistent with our prior accounting for these remeasurement gains/losses for Venezuela when it was subject to highly inflationary accounting prior to deconsolidation in 2015.
 - (6) We exclude unrealized gains and losses (mark-to-market impacts) from outstanding commodity and forecasted currency and equity method investment transaction derivative contracts from our non-GAAP earnings measures. The mark-to-market impacts of commodity and forecasted currency transaction derivatives are excluded until such time that the related exposures impact our operating results. Since we purchase commodity and forecasted currency transaction contracts to mitigate price volatility primarily for inventory requirements in future periods, we make this adjustment to remove the volatility of these future inventory purchases on current operating results to facilitate comparisons of our underlying operating performance across periods. We exclude equity method investment transaction derivative contract settlements as they represent protection of value for future divestitures.
 - (7) Refer to Note 12, *Commitments and Contingencies – Tax Matters*, in this report, and Note 14, *Commitments and Contingencies – Tax Matters*, in our Annual Report on Form 10-K for the year ended December 31, 2021.
 - (8) In February 2022, Russia began a military invasion of Ukraine and we stopped our production and closed our facilities in Ukraine. We began to incur incremental costs directly related to the war including asset impairments, such as property and inventory losses, higher expected allowances for uncollectible accounts receivable and committed compensation. We have isolated and exclude these costs from our operating results to facilitate evaluation and comparisons of our ongoing results. Incremental costs related to increasing operations in other primarily European facilities are not included with these costs.

- (9) The impact from pension participation changes represents the charges incurred when employee groups are withdrawn from multiemployer pension plans and other changes in employee group pension plan participation. We exclude these charges from our non-GAAP results because those amounts do not reflect our ongoing pension obligations. See Note 10, *Benefit Plans*, for more information on the multiemployer pension plan withdrawal.
- (10) We have excluded the initial impacts from enacted tax law changes. Initial impacts include items such as the remeasurement of deferred tax balances and the transition tax from the 2017 U.S. tax reform. We exclude initial impacts from enacted tax law changes from our Adjusted EPS as they do not reflect our ongoing tax obligations under the enacted tax law changes. Refer to our Annual Report on Form 10-K for the year ended December 31, 2021 for more information on the impact of Swiss and U.S. tax reform.
- (11) We have excluded our proportionate share of our equity method investees' significant operating and non-operating items such as acquisition and divestiture related costs, restructuring program costs and initial impacts from enacted tax law changes, in order to provide investors with a comparable view of our performance across periods. Although we have shareholder rights and board representation commensurate with our ownership interests in our equity method investees and review the underlying operating results and significant operating and non-operating items each reporting period, we do not have direct control over their operations or resulting revenue and expenses. Our use of equity method investment net earnings on an adjusted basis is not intended to imply that we have any such control. Our GAAP "diluted EPS attributable to Mondelēz International from continuing operations" includes all of the investees' significant operating and non-operating items.

We believe that the presentation of these non-GAAP financial measures, when considered together with our U.S. GAAP financial measures and the reconciliations to the corresponding U.S. GAAP financial measures, provides you with a more complete understanding of the factors and trends affecting our business than could be obtained absent these disclosures. Because non-GAAP financial measures vary among companies, the non-GAAP financial measures presented in this report may not be comparable to similarly titled measures used by other companies. Our use of these non-GAAP financial measures is not meant to be considered in isolation or as a substitute for any U.S. GAAP financial measures. A limitation of these non-GAAP financial measures is they exclude items detailed below that have an impact on our U.S. GAAP reported results. The best way this limitation can be addressed is by evaluating our non-GAAP financial measures in combination with our U.S. GAAP reported results and carefully evaluating the following tables that reconcile U.S. GAAP reported figures to the non-GAAP financial measures in this Form 10-Q.

Organic Net Revenue:

Applying the definition of “Organic Net Revenue,” the adjustments made to “net revenues” (the most comparable U.S. GAAP financial measure) were to exclude the impact of currency and acquisitions. We believe that Organic Net Revenue reflects the underlying growth from the ongoing activities of our business and provides improved comparability of results. We also evaluate our Organic Net Revenue growth from emerging markets and developed markets, and these underlying measures are also reconciled to U.S. GAAP below.

	For the Three Months Ended March 31, 2022			For the Three Months Ended March 31, 2021

Organic Net Revenue	\$ 2,987	\$ 4,870	\$ 7,857	\$ 2,563	\$ 4,675	\$ 7,238

Adjusted Operating Income:

Applying the definition of “Adjusted Operating Income,” the adjustments made to “operating income” (the most comparable U.S. GAAP financial measure) were to exclude Simplify to Grow Program; intangible asset impairment charges; mark-to-market impacts from commodity, forecasted currency and equity method investment transaction derivative contracts; acquisition integration costs and contingent consideration adjustments; acquisition-related costs; divestiture-related costs; gain on an acquisition; incremental costs due to the war in Ukraine; the remeasurement of net monetary position; and impact from pension participation changes. We also evaluate Adjusted Operating Income on a constant currency basis. We believe these measures provide improved comparability of underlying operating results.

Adjusted EPS:

Applying the definition of “Adjusted EPS,” ⁽¹⁾ the adjustments made to “diluted EPS attributable to Mondelez International” (the most comparable U.S. GAAP financial measure) were to exclude the impacts of the items listed in the Adjusted Operating Income tables above as well as net earnings from divestitures; losses on debt extinguishment and related expenses; initial impacts from enacted tax law changes; losses on equity method investment transactions; and our proportionate share of significant operating and non-operating items recorded by our JDE Peet’s and KDP equity method investees. We also evaluate Adjusted EPS on a constant currency basis. We believe Adjusted EPS provides improved comparability of underlying operating results.

Item 3. Quantitative and Qualitative Disclosures about Market Risk.

As we operate globally, we are primarily exposed to currency exchange rate, commodity price and interest rate market risks. We monitor and manage these exposures as part of our overall risk management program. Our risk management program focuses on the unpredictability of financial markets and seeks to reduce the potentially adverse effects that the volatility of these markets may have on our operating results.

The COVID-19 pandemic and related global response significantly impacted economic activity and markets around the world. National and local governments imposed preventative or protective restrictions on travel and business operations and advised or required citizens to remain at home. Temporary closures of businesses were ordered and numerous other businesses temporarily closed voluntarily. The impact of the global pandemic and response as well as the war in Ukraine has had a material unfavorable impact on global and local markets, including commodity, currency and capital markets. These markets are likely to continue to remain volatile while these situations continue. An economic or credit crisis could occur and impair credit availability and our ability to raise capital when needed. A disruption in the financial markets may have a negative effect on our derivative counterparties and could impair our banking or other business partners, on whom we rely for access to capital and as counterparties for a number of our derivative contracts. We work to mitigate these risks and we largely employ existing strategies that are described below to mitigate currency, commodity and interest rate market risks.

We principally utilize derivative instruments to reduce significant, unanticipated earnings fluctuations that may arise from volatility in currency exchange rates, commodity prices and interest rates. For additional information on our derivative activity and the types of derivative instruments we use to hedge our currency exchange, commodity price and interest rate exposures, see Note 9, *Financial Instruments*.

Many of our non-U.S. subsidiaries operate in functional currencies other than the U.S. dollar. Fluctuations in currency exchange rates create volatility in our reported results as we translate the balance sheets, operating results and cash flows of these subsidiaries into the U.S. dollar for consolidated reporting purposes. The translation of non-U.S. dollar denominated balance sheets and statements of earnings of our subsidiaries into the U.S. dollar for consolidated reporting generally results in a cumulative translation adjustment to other comprehensive income within equity. A stronger U.S. dollar relative to other functional currencies adversely affects our consolidated earnings and net assets while a weaker U.S. dollar benefits our consolidated earnings and net assets. While we hedge significant forecasted currency exchange transactions as well as certain net assets of non-U.S. operations and other currency impacts, we cannot fully predict or eliminate volatility arising from changes in currency exchange rates on our consolidated financial results. See *Consolidated Results of Operations and Results of Operations by Reportable Segment* under *Discussion and Analysis of Historical Results* for currency exchange effects on our financial results during the three months ended March 31, 2022. Throughout our discussion and analysis of results, we isolate currency impacts and supplementally provide net revenues, operating income and diluted earnings per share on a constant currency basis. For additional information on the impact of currency policies, recent currency devaluations and highly inflationary accounting on our financial condition and results of operations, also see Note 1, *Basis of Presentation – Currency Translation and Highly Inflationary Accounting*, including our discussion of Türkiye becoming a highly inflationary economy with currency remeasurement impacts expected to start on April 1, 2022.

We also continually monitor the market for commodities that we use in our products. Input costs may fluctuate widely due to international demand, weather conditions, government policy and regulation and unforeseen conditions such as the current COVID-19 global pandemic and war in Ukraine. Refer to *Recent Developments and Significant Items Affecting Comparability* and *Financial Outlook* above for updates on recent supply chain, transportation, labor and other disruptions that are increasing operating costs and impacting our results. To manage input cost volatility and inflation, we enter into forward purchase agreements and other derivative financial instruments. We also pursue productivity and cost saving measures and take pricing actions when necessary to mitigate the impact of higher input costs on earnings.

We regularly evaluate our variable and fixed-rate debt as well as current and expected interest rates in the markets in which we raise capital. Our primary exposures include movements in U.S. Treasury rates, corporate credit spreads and commercial paper rates. We periodically use interest rate swaps and forward interest rate contracts to achieve a desired proportion of variable versus fixed rate debt based on current and projected market conditions. For more information on our 2022 debt activity, see Note 8, *Debt and Borrowing Arrangements*.

See Note 9, *Financial Instruments*, for more information on our 2022 derivative activity. For additional information on our hedging strategies, policies and practices on an ongoing basis, also refer to our Annual Report on Form 10-K for the year ended December 31, 2021.

Item 4. Controls and Procedures.

Evaluation of Disclosure Controls and Procedures

We have established disclosure controls and procedures that are designed to ensure that information required to be disclosed in our reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC, and such information is accumulated and communicated to our management, including our Chief Executive Officer (“CEO”) and Chief Financial Officer (“CFO”), as appropriate to allow timely decisions regarding required disclosure. Management, together with our CEO and CFO, evaluated the effectiveness of the Company’s disclosure controls and procedures as of March 31, 2022. Based on this evaluation, the CEO and CFO concluded that our disclosure controls and procedures were effective as of March 31, 2022.

Changes in Internal Control Over Financial Reporting

Management, together with our CEO and CFO, evaluated the changes in our internal control over financial reporting during the quarter ended March 31, 2022. There were no material changes in our internal control over financial reporting during the quarter ended March 31, 2022, that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II – OTHER INFORMATION

Item 1. Legal Proceedings.

Information regarding legal proceedings is available in Note 12, *Commitments and Contingencies*, to the condensed consolidated financial statements in this report.

Item 1A. Risk Factors.

The following represents a material change in our risk factors to those disclosed in our Annual Report on Form 10-K for the year ended December 31, 2021.

The war in Ukraine has negatively impacted our business operations, financial performance and results of operations, and we are unable to predict the full extent to which the war in Ukraine will negatively impact our business, operations, financial condition, results of operations and stock price in the future.

The scope and duration of the war in Ukraine is uncertain, rapidly changing and hard to predict. Our business operations, financial performance and results of operations have been negatively impacted by the war, as discussed above in *Recent Developments and Significant Items Affecting Comparability – War in Ukraine* under *Management's Discussion and Analysis of Financial Condition and Results of Operations*. We have discontinued new capital investments and suspended our advertising spending in Russia. Other potential consequences include but are not limited to those outlined below:

- As the business and geopolitical environment continues to change, we may further scale back our operations in Russia, which accounted for 2.9% of 2021 consolidated net revenues, or Ukraine, which accounted for 0.5% of 2021 consolidated net revenues.
- Our Russian assets may be partially or fully impaired in future periods based on actions taken by Russia, other parties or us.
- The war has materially disrupted commodity markets, including for wheat and energy, and is contributing to supply chain disruption and inflation. We expect continued volatility with respect to these costs, and our hedging activities might not sufficiently offset this volatility.
- Our operations may be subject to increased risk of cyber threats as a result of the war.
- International sanctions and other measures that have been imposed on Russian entities make it more difficult to operate in Russia, and failure to comply with applicable sanctions and measures could subject us to regulatory penalties and reputational risk.
- We might face continued questions from stakeholders about our operations in Russia despite our role as a food company and our public statements about Ukraine and Russia.

These and other impacts of the war in Ukraine could have the effect of heightening many of the other risks described in the "Risk Factors" section of our Annual Report on Form 10-K, such as those relating to our reputation, brands, product sales, sanctions, trade relations in countries in which we operate, input price inflation and volatility, results of operations and financial condition. We might not be able to predict or respond to all impacts on a timely basis to prevent near- or long-term adverse impacts to our results. The ultimate impact of these disruptions also depends on events beyond our knowledge or control, including the scope and duration of the war and actions taken by parties other than us to respond to them. Any of these disruptions could have a negative impact on our business operations, financial performance, results of operations and stock price, and this impact could be material. Additionally, the war in Ukraine may also materially adversely affect our operating results and financial position in a manner that is not currently known to us or that we do not currently consider to be a significant risk.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds.

Our stock repurchase activity for each of the three months in the quarter ended March 31, 2022 was:

Period	Issuer Purchases of Equity Securities			
	Total Number of Shares Purchased ⁽¹⁾	Average Price Paid per Share ⁽¹⁾	Total Number of Shares Purchased as Part of Publicly Announced Plans or Programs ⁽²⁾	Approximate Dollar Value of Shares That May Yet Be Purchased Under the Plans or Programs ⁽²⁾

February 1-28, 2022	4,760,384	66.45	4,280,007	3,069
March 1-31, 2022	2,403,672	62.48	2,400,087	2,919
For the Quarter Ended March 31, 2022	<u>11,627,447</u>	\$ 65.93	<u>11,142,301</u>	

- (1) The total number of shares purchased (and the average price paid per share) reflects: (i) shares purchased pursuant to the repurchase program described in (2) below; and (ii) shares tendered to us by employees who used shares to exercise options and to pay the related taxes for grants of deferred stock that vested, totaling 1,184 shares, 480,377 shares and 3,585 shares for the fiscal months of January, February and March 2022, respectively.
- (2) Dollar values stated in millions. Our Board of Directors has authorized the repurchase of \$23.7 billion of our Common Stock through December 31, 2023. Authorizations to increase and extend the program duration included: \$4.0 billion on December 2, 2020, \$6.0 billion on January 31, 2018, \$6.0 billion on July 29, 2015, \$1.7 billion on December 3, 2013, and \$6.0 billion on August 6, 2013 (cumulatively including the amount authorized on March 12, 2013, which was the lesser of 40 million shares and \$1.2 billion). Since the program inception on March 12, 2013 through March 31, 2022, we have repurchased \$20.8 billion, and as of March 31, 2022, we had approximately \$2.9 billion share repurchase authorization remaining. See related information in Note 11, *Stock Plans*.

**MONDELÉZ INTERNATIONAL, INC.
AMENDED AND RESTATED 2005 PERFORMANCE INCENTIVE PLAN
(Amended and Restated as of February 3, 2017)**

NON-QUALIFIED GLOBAL STOCK OPTION AGREEMENT

MONDELÉZ INTERNATIONAL, INC., a Virginia corporation (the “Company”), hereby grants to the employee (the “Optionee”) identified in the award statement provided to the Optionee (the “Award Statement”) under the Mondelez International, Inc. Amended and Restated 2005 Performance Incentive Plan, as amended from time to time (the “Plan”) non-qualified stock options (the “Option”). The Option entitles the Optionee to exercise options for up to the aggregate number of shares set forth in the Award Statement (the “Option Shares”) of the Company’s Common Stock, at the price per share set forth in the Award Statement (the “Grant Price”). Capitalized terms not otherwise defined in this Non-Qualified Global Stock Option Agreement (this “Agreement”) shall have the same meaning as defined under the Plan. All references to action of or approval by the Committee shall be deemed to include action of or approval by any other person(s) to whom the Committee has delegated authority to act.

The Option is subject to the following terms and conditions (including the country-specific terms set forth in Appendix A to this Agreement):

The Optionee must either execute and deliver an acceptance of the terms set forth in this Agreement or electronically accept the terms set forth in this Agreement, in the manner and within a period specified by the Committee. The Committee may, in its sole discretion, cancel the Option if the Optionee fails to accept this Agreement and related documents within the specified period or using the procedures for acceptance established by the Committee.

1. Vesting. Except as expressly provided in this Agreement, this Option may not be exercised before the vesting requirements (“Vesting Requirements”) set forth in the schedule to the Award Statement (the “Schedule”) have been satisfied.

2. Vesting Upon Termination of Employment. Unless determined otherwise by the Committee or except as expressly provided in this Agreement, if the Optionee terminates employment with the Mondelez Group before satisfying the Vesting Requirements, this Option will not be exercisable. If the Optionee terminates employment with the Mondelez Group before satisfying the Vesting Requirements due to:

(a) the Optionee’s death or Disability (as defined below in paragraph 15), then this Option will become immediately exercisable for 100% of the Option Shares identified in the Award Statement; or

(b) the Optionee’s Retirement (as defined below in paragraph 15) occurring at least ninety (90) days after the date of grant (“Grant Date”) of the Option, or as otherwise determined by the Committee, and provided the Option is not otherwise accounted for, or included in, the Optionee’s severance or retirement arrangement with the Mondelez Group and the Optionee timely executes a general release and waiver of claims in a form and manner determined by the Company in its sole discretion, then this Option will continue to vest and become exercisable as identified on the Schedule as if the Optionee’s employment had not terminated.

3. Exercisability Upon Termination of Employment from the Mondelez Group. During the period commencing on the first date that the Vesting Requirements are satisfied (or, such earlier date determined in accordance with paragraph 2) until the close of the market on the expiration date set forth in the Schedule (“Expiration Date”) (or if the market is closed on such date, the close of the market on the last date the market is open prior to the Expiration Date), this Option may be exercised in whole or in part with respect to such Option Shares, subject to the following provisions:

(a) In the event that the Optionee’s employment terminates by reason of Retirement, death or Disability, such Option may be exercised on or prior to the Expiration Date;

(b) If employment is terminated by the Optionee (other than by Retirement, death or Disability), such Option may be exercised until the close of the market 30 days from the effective date of

termination (the “30-Day Period”) (or if the market is closed on such date, the close of the market on the last date the market is open prior to the expiration of the 30-Day Period);

(c) If, other than by death, Disability or Retirement, the Optionee’s employment is terminated by the Mondelez Group without Cause for any reason (even if such termination constitutes unfair dismissal under the employment laws of the country where the Optionee resides or if the Optionee’s termination is later determined to be invalid and/or his or her employment is reinstated) or in the event of any other termination of employment caused directly or indirectly by the Mondelez Group, such Option may be exercised until the close of the market 12 months from the effective date of termination (the “12-Month Period”) (or if the market is closed on such date, the close of the market on the last date the market is open prior to the expiration of the 12-Month Period); and

(d) If the Optionee’s employment is involuntarily suspended or terminated by the Mondelez Group for Cause, the Option shall be forfeited.

No provision of this paragraph 3 shall permit the exercise of any Option after the Expiration Date. For purposes of this Agreement, the Optionee’s employment shall be deemed to be terminated when he or she is no longer actively employed by the Mondelez Group (regardless of the reason for such termination and whether or not later found to be invalid or in breach of employment laws in the jurisdiction where the Optionee is employed or the terms of the Optionee’s employment agreement, if any). The Optionee shall not be considered actively employed during any period for which he or she is receiving, or is eligible to receive, salary continuation, notice period or garden leave payments, or other comparable benefits or through other such arrangements that may be entered into that give rise to separation or notice pay. The Committee shall have the exclusive discretion to determine when the Optionee is no longer actively employed for purposes of the Option. Unless otherwise determined by the Committee, leaves of absence shall not constitute a termination of employment for purposes of this Agreement. Notwithstanding the foregoing provisions and unless otherwise determined by the Company, this Option may only be exercised on a day that the Nasdaq Global Select Market (the “Exchange”) is open. Accordingly, if the Expiration Date (or the expiration of the 30-Day Period and/or the 12-Month Period) is a day the Exchange is closed, the Expiration Date (or the expiration of the 30-Day Period and/or the 12-Month Period) shall be the immediately preceding day on which the Exchange is open.

4. Exercise of Option and Withholding Taxes. This Option may be exercised only in accordance with the procedures and limitations (including the country-specific terms set forth in Appendix A to this Agreement) set forth in this paragraph 4, the Company’s Equity Grants Guide, as amended from time to time, or such other similar-type communication provided by the Company. Payment of the aggregate Grant Price shall be by any of the following, or a combination thereof:

- (a) to the extent permitted by applicable law, by cash, check or cash equivalent;
- (b) consideration received by the Company from a cashless exercise through a licensed securities broker acceptable to the Company;
- (c) if the Optionee is a U.S. taxpayer or if permitted by the Committee, by surrender of shares of Common Stock previously owned by the Optionee which meet the conditions established by the Committee; or
- (d) any other methods approved by the Committee and permitted by applicable laws.

The Optionee acknowledges that, regardless of any action taken by the Company or, if different, the Optionee’s employer (the “Employer”), the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to the Optionee’s participation in the Plan and legally applicable to the Optionee or deemed by the Company or the Employer, in their discretion, to be an appropriate charge to the Optionee even if legally applicable to the Company or the Employer (“Tax-Related Items”), is and remains the Optionee’s responsibility and may exceed the amount, if any, actually withheld by the Company or the Employer. The Optionee further acknowledges that the Company and/or the Employer (a) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Option, including

the grant, vesting or exercise of the Option, the subsequent sale of Option Shares acquired pursuant to such exercise and the receipt of any dividends; and (b) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Option to reduce or eliminate the Optionee's liability for Tax-Related Items or achieve any particular tax result. Further, if the Optionee becomes subject to any Tax-Related Items in more than one jurisdiction, the Optionee acknowledges that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for (including report) Tax-Related Items in more than one jurisdiction.

The Optionee acknowledges and agrees that the Company may refuse to issue or deliver shares of Common Stock upon exercise of the Option if Optionee fails to comply with his or her Tax-Related Items obligations or the Company has not received payment in a form acceptable to the Company for all applicable Tax-Related Items, as well as amounts due to the Company as "hypothetical taxes", if applicable, pursuant to the then-current international assignment and tax and/or social insurance equalization policies and procedures of the Mondelēz Group, or arrangements satisfactory to the Company for the payment thereof have been made.

In this regard, the Optionee authorizes the Company and/or the Employer, in their sole discretion and without any notice or further authorization by the Optionee, to satisfy any applicable withholding obligations with regard to all Tax-Related Items legally due by the Optionee (or otherwise due from the Optionee as set forth above in this paragraph 4) and any hypothetical taxes from the Optionee's wages or other cash compensation paid by the Company and/or the Employer or from proceeds of the sale of Option Shares. Alternatively, or in addition, the Company may instruct the broker it has selected for this purpose (on the Optionee's behalf and at the Optionee's direction pursuant to this authorization without further consent) to sell the Option Shares that the Optionee acquires to meet the Tax-Related Items withholding obligation and any hypothetical taxes. In addition, unless otherwise determined by the Committee, Tax-Related Items or hypothetical taxes may be paid by withholding from Option Shares subject to the exercised Option, provided, however, that withholding in Option Shares shall be subject to approval by the Committee to the extent deemed necessary or advisable by counsel to the Company at the time of any relevant tax withholding event. Finally, the Optionee agrees to pay to the Company or the Employer any amount of Tax-Related Items and hypothetical taxes that the Company or the Employer may be required to withhold as a result of the Optionee's participation in the Plan or the Optionee's exercise of the Option that cannot be satisfied by the means previously described.

The Company may withhold or account for Tax-Related Items and any hypothetical taxes by considering statutory withholding rates or other applicable withholding rates, including minimum rates or maximum rates applicable in the Optionee's jurisdiction(s), in which case the Optionee may receive a refund of any over-withheld amount in cash and will have no entitlement to the equivalent shares of Common Stock or, if not refunded, the Optionee may be able to seek a refund from the applicable tax authorities. In the event of under-withholding, the Optionee may be required to pay any additional Tax-Related Items directly to the applicable tax authority or to the Company and/or the Employer. If the obligation for Tax-Related Items is satisfied by withholding in shares of Common Stock, for tax purposes, the Optionee is deemed to have been issued the full number of Option Shares, notwithstanding that a number of the Option Shares are held back solely for the purpose of paying the Tax-Related Items and/or hypothetical taxes due as a result of any aspect of the Optionee's participation in the Plan.

5. Cash-Out of Option. The Committee may elect to cash out all or a portion of the Option to be exercised pursuant to any method of exercise by paying the Optionee an amount in cash or Common Stock, or both, equal to the Fair Market Value of the shares of Common Stock on the exercise date less the Grant Price for such shares.

6. Restrictions and Covenants.

(a) In addition to such other conditions as may be established by the Company or the Committee, in consideration for making a Grant under the terms of the Plan, the Optionee agrees and covenants as follows for a period of twelve (12) months following the date of the Optionee's termination of employment from the Mondelēz Group:

1. to protect the Mondelez Group's legitimate business interests in its confidential information, trade secrets and goodwill, and to enable the Mondelez Group's ability to reserve these for the exclusive knowledge and use of the Mondelez Group, which is of great competitive importance and commercial value to the Mondelez Group, the Optionee, without the express written permission of the Company's chief human resources officer, will not engage in any conduct in which the Optionee contributes his/her knowledge and skills, directly or indirectly, in whole or in part, as an executive, employer, employee, owner, operator, manager, advisor, consultant, agent, partner, director, stockholder, officer, volunteer, intern or any other similar capacity to a competitor or to an entity engaged in the same or similar business as the Mondelez Group, including those engaged in the business of production, sale or marketing of snack foods (including, but not limited to gum, chocolate, confectionary products, biscuits or any other product or service the Optionee has reason to know has been under development by the Mondelez Group during the Optionee's employment with the Mondelez Group). The Optionee will not engage in any activity that may require or inevitably require the Optionee's use or disclosure of the Mondelez Group's confidential information, proprietary information and/or trade secrets;
2. to protect the Mondelez Group's investment in its employees and to ensure the long-term success of the business, the Optionee, without the express written permission of the Company's chief human resources officer, will not directly or indirectly solicit, hire, recruit, attempt to hire or recruit, or induce the termination of employment of any employee of the Mondelez Group; and
3. to protect the Mondelez Group's investment in its development of goodwill and customers and to ensure the long-term success of the business, the Optionee will not directly or indirectly solicit (including, but not limited to, e-mail, regular mail, express mail, telephone, fax, instant message, SMS text messaging and social media) or attempt to directly or indirectly solicit, contact or meet with the current or prospective customers of the Mondelez Group for the purpose of offering or accepting goods or services similar to or competitive with those offered by the Mondelez Group.

The provisions contained herein in paragraph 6 are not in lieu of, but are in addition to the continuing obligation of the Optionee (which the Optionee acknowledges by accepting any Grant under the Plan) to not use or disclose the Mondelez Group's trade secrets or Confidential Information known to the Optionee until any particular trade secret or Confidential Information becomes generally known (through no fault of the Optionee), whereupon the restriction on use and disclosure shall cease as to that item. For purposes of this agreement, "Confidential Information" includes, but is not limited to, certain sales, marketing, strategy, financial, product, personnel, manufacturing, technical and other proprietary information and material which are the property of the Mondelez Group. The Optionee understands that this list is not exhaustive, and that Confidential Information also includes other information that is marked or otherwise identified as confidential or proprietary, or that would otherwise appear to a reasonable person to be confidential or proprietary in the context and circumstances in which the information is known or used.

(b) A main purpose of the Plan is to strengthen the alignment of long-term interests between optionees and the Mondelez Group by providing an ownership interest in the Company, and to prevent former employees whose interests become adverse to the Company from maintaining that ownership interest. By acceptance of any Grant (including the Option) under the Plan, the Optionee acknowledges and agrees that if the Optionee breaches any of the covenants set forth in paragraph 6(a):

1. all unvested Grants (including any unvested portion of the Option) shall be immediately forfeited;
2. the Company may cancel, rescind, suspend, withhold or otherwise limit or restrict any unexpired, vested, unpaid or deferred Grants (including the vested but unexercised portion of the Option) at any time if the Optionee is not in compliance with all terms and conditions set forth in the Plan and this Agreement including, but not limited to, paragraph 6(a);

3. the Optionee shall repay to the Mondelēz Group the net proceeds of any exercise or Plan benefit that occurs at any time after the earlier of the following two dates: (i) the date twelve (12) months immediately preceding any such violation; or (ii) the date six (6) months prior to the Optionee's termination of employment with the Mondelēz Group. The Optionee shall repay to the Mondelēz Group the net proceeds in such a manner and on such terms and conditions as may be required by the Mondelēz Group, and the Mondelēz Group shall be entitled to set-off against the amount of any such net proceeds any amount owed to the Optionee by the Mondelēz Group, in a way that is intended to avoid the application of penalties under Section 409A of the Code, if applicable, or other applicable law. For purposes of this paragraph, net proceeds shall mean the difference between the Fair Market Value of the shares of Common Stock and the Grant Price less any Tax-Related Items; and
4. the Mondelēz Group shall be entitled to seek, in addition to other available remedies, a temporary or permanent injunction or other equitable relief against such breach or threatened breach from any court of competent jurisdiction, without the necessity of showing any actual damages or that money damages would not afford an adequate remedy, and without the necessity of posting any bond or other security as the Optionee acknowledges that such breach would cause the Mondelēz Group to suffer irreparable harm. The aforementioned equitable relief shall be in addition to, not in lieu of, legal remedies, monetary damages or other available forms of relief.

(c) If any provision contained in this paragraph 6 shall for any reason, whether by application of existing law or law which may develop after the Optionee's acceptance of a Grant under the Plan be determined by a court of competent jurisdiction to be overly broad as to scope of activity, duration or territory, the Optionee agrees to join the Mondelēz Group in requesting such court to construe such provision by limiting or reducing it so as to be enforceable to the extent compatible with then applicable law.

(d) Notwithstanding the foregoing, no section of this Agreement is intended to or shall limit, prevent, impede or interfere with the Optionee's non-waivable right, without prior notice to the Company, to provide information to, participate in investigations by or testify in proceedings before any federal, state or local government subdivision or agency, including but not limited to the U.S. Equal Employment Opportunity Commission, the National Labor Relations Board, the Securities and Exchange Commission, the Occupational Safety and Health Administration, U.S. Department of Justice, the U.S. Congress, or any agency Inspector General, regarding the Mondelēz Group's past or future conduct, or to engage in any activities protected under applicable whistleblower statutes, or to receive and fully retain a monetary award from a government-administered whistleblower award program for providing information directly to a government agency. The Optionee does not need prior authorization from the Mondelēz Group to make any such reports or disclosures and is not required to notify the Mondelēz Group that the Optionee has made such reports or disclosures.

(e) The Optionee is hereby advised in writing to consult with an attorney before entering into the covenants outlined in this Section 6. The Optionee acknowledges that prior to acceptance of this Agreement, the Optionee has been advised by the Company of the Optionee's right to seek independent advice from an attorney of the Optionee's own selection regarding this Agreement, including the restraints imposed upon him or her pursuant to this Section 6. The Optionee acknowledges that they have entered into this Agreement knowingly and voluntarily and with full knowledge and understanding of the provisions of this Agreement after being given the opportunity to consult with counsel. The Optionee further represents that in entering into this Agreement, the Optionee is not relying on any statements or representations made by any of the Company's directors, officers, employees or agents which are not expressly set forth herein, and that the Optionee is relying only upon their own judgment and any advice provided by the Optionee's attorney. The Optionee acknowledges he or she has been provided at minimum 14 calendar days to review the provisions contained herein but may voluntarily waive this period and sign prior to the 14 calendar day period lapsing.

(f) For purposes of this Section 6, the Company and any member of the Mondelēz Group shall be deemed to be third-party beneficiaries with the right to seek enforcement of any of the provisions

of this Section 6. Further, for purposes of this Section 6, references to acting directly or indirectly include acting jointly with or through another person.

7. Clawback Policy/Forfeiture. The Optionee understands and agrees that in the Committee's sole discretion, the Company may cancel all or part of the Option or require repayment by the Optionee to the Company of all or part of any cash payment or shares of Common Stock acquired at exercise pursuant to any recovery, recoupment, clawback and/or other forfeiture policy maintained by the Company, including a violation of paragraph 6 above, from time to time. In addition, any payments or benefits the Optionee may receive hereunder shall be subject to repayment or forfeiture as may be required to comply with the requirements under the U.S. Securities Act of 1933, as amended (the "Securities Act"), the Exchange Act, rules promulgated by the Commission or any other applicable law, including the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act, or any securities exchange on which the Common Stock is listed or traded, as may be in effect from time to time.

8. Transfer Restrictions. Unless otherwise required by law, this Option is not transferable or assignable by the Optionee in any manner other than by will or the laws of descent and distribution applicable to the Optionee and is exercisable during the Optionee's lifetime only by the Optionee.

9. Adjustments. In the event of any merger, share exchange, reorganization, consolidation, recapitalization, reclassification, distribution, stock dividend, stock split, reverse stock split, split-up, spin-off, issuance of rights or warrants or other similar transaction or event affecting the Common Stock after the Grant Date, the Board or the Committee shall make adjustments to the terms and provisions of this Grant (including, without limiting the generality of the foregoing, terms and provisions relating to the Grant Price and the number and kind of shares subject to this Option) as it deems appropriate including, but not limited to, the substitution of equity interests in other entities involved in such transactions, to provide for cash payments in lieu of the Option, and to determine whether continued employment with any entity resulting from such transaction or event will or will not be treated as a continued employment with the Mondelēz Group, in each case, subject to any Board or Committee action specifically addressing any such adjustments, cash payments or continued employment treatment.

10. Successors and Assigns. Whenever the word "Optionee" is used herein under circumstances such that the provision should logically be construed to apply to the executors, the administrators, or the person or persons to whom this Option may be transferred pursuant to this Agreement, it shall be deemed to include such person or persons. The Company may assign any of its rights under this Agreement to single or multiple assignees, and this Agreement shall be binding upon and inure to the benefit of any successors or assigns of the Company and any person or persons who shall acquire any rights hereunder in accordance with this Agreement, the Award Statement or the Plan.

11. Entire Agreement; Governing Law. The Award Statement, the Plan and this Agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and the Optionee with respect to the subject matter hereof, and may not be modified adversely to the Optionee's interest except as provided in the Award Statement, the Plan or this Agreement or by means of a writing signed by the Company and the Optionee. Nothing in the Award Statement, the Plan and this Agreement (except as expressly provided therein) is intended to confer any rights or remedies on any persons other than the parties. The Award Statement, the Plan and this Agreement are to be construed in accordance with and governed by the substantive laws of the Commonwealth of Virginia, U.S.A., without giving effect to any choice of law rule that would cause the application of the laws of any jurisdiction other than the substantive laws of the Commonwealth of Virginia to the rights and duties of the parties. Unless otherwise provided in the Award Statement, the Plan or this Agreement, the Optionee is deemed to submit to the exclusive jurisdiction of the Commonwealth of Virginia, U.S.A., and agrees that such litigation shall be conducted in the courts of Henrico County, Virginia, or the federal courts for the United States for the Eastern District of Virginia.

12. Grant Confers No Rights to Continued Employment - Nature of the Grant. Nothing contained in the Plan or this Agreement (including the country-specific terms set forth in Appendix A to this Agreement) shall give the Optionee the right to be retained in the employment of any member of the Mondelēz Group, affect the right of the Employer to terminate the Optionee's employment, or be interpreted as forming or amending an employment or service contract with any member of the Mondelēz

Group. The adoption and maintenance of the Plan shall not constitute an inducement to, or condition of, the employment of the Optionee. Further, the Optionee acknowledges, understands and agrees that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, to the extent permitted by the Plan;

(b) the grant of the Option is exceptional, voluntary and occasional and does not create any contractual or other right to receive future grants of options, or benefits in lieu of options, even if options have been granted in the past;

(c) all decisions with respect to future option or other Grants, if any, will be at the sole discretion of the Committee;

(d) the Optionee is voluntarily participating in the Plan;

(e) the Option and the Option Shares subject to the Option, and the income and value of same, are not intended to replace any pension rights or compensation;

(f) the Option and the Option Shares subject to the Option, and the income and value of same, are not part of normal or expected compensation or salary for purposes of calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, holiday pay, bonuses, long-service awards, leave-related payment, pension, retirement or welfare benefits or similar mandatory payments;

(g) the future value of the underlying shares of Common Stock is unknown, indeterminable and cannot be predicted;

(h) if the underlying shares of Common Stock do not increase in value, the Option will have no value;

(i) if the Optionee exercises the Option and obtains shares of Common Stock, the value of those shares of Common Stock acquired upon exercise may increase or decrease in value, even below the Grant Price;

(j) unless otherwise agreed with the Company, the Option and the shares of Common Stock subject to the Option, and the income and value of same, are not granted as consideration for, or in connection with, the service the Optionee may provide as a director of any entity of the Mondelēz Group;

(k) the Optionee understands and agrees that Optionee should consult with the Optionee's own personal tax, legal and financial advisors regarding the Optionee's participation in the Plan before taking any action related to the Plan and that the Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Optionee's participation in the Plan, or the Optionee's acquisition or sale of the underlying shares of Common Stock;

(l) the Option is designated as not constituting an Incentive Stock Option; this Agreement shall be interpreted and treated consistently with such designation;

(m) unless otherwise provided in the Plan or by the Company in its discretion, the Option and the benefits evidenced by this Agreement do not create any entitlement to have the Option or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Company's Common Stock;

(n) the Option and the shares of Common Stock subject to the Option, and the income and value of same, are not part of Optionee's normal or expected compensation or salary for any purpose;

(o) neither the Company, the Employer nor any member of the Mondelēz Group shall be liable for any foreign exchange rate fluctuation between the Optionee's local currency and the United States Dollar that may affect the value of the Option or any shares of Common Stock delivered to the Optionee upon exercise of the Option or of any proceeds resulting from the Optionee's sale of such shares; and

(p) no claim or entitlement to compensation or damages shall arise from forfeiture of the Option resulting from the termination of the Optionee's employment or other service relationship by the Company or the Employer (for any reason whatsoever, whether or not later found to be invalid or in breach of any employment laws in the jurisdiction where the Optionee is employed or the terms of the Optionee's employment agreement, if any).

13. ***Data Privacy.*** *The Optionee explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of the Optionee's personal data as described in this Agreement and any other Option grant materials ("Data") by and among the Mondelēz Group for the exclusive purpose of implementing, administering and managing the Optionee's participation in the Plan.*

The Optionee understands that the Mondelēz Group may hold certain personal information about the Optionee, including, but not limited to, the Optionee's name, home address, email address and telephone number, date of birth, social security, passport or insurance number or other identification number (e.g., resident registration number), salary, nationality, job title, any shares of stock or directorships held in the Company, details of all Options or any other entitlement to shares of stock or other equivalent benefits awarded, canceled, purchased, exercised, vested, unvested or outstanding in the Optionee's favor, for the exclusive purpose of implementing, administering and managing the Plan.

The Optionee understands that Data will be transferred to UBS Financial Services, Inc. ("UBS"), or such other stock plan service provider as may be selected by the Company in the future, which is assisting the Company with the implementation, administration and management of the Plan. The Optionee understands that Data may also be transferred to the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP, KPMG LLP, or such other public accounting firm that may be engaged by the Company in the future. The Optionee understands that the recipients of the Data may be located in the United States or elsewhere, and that the recipients' country (e.g., the United States) may have different data privacy laws and protections than the Optionee's country. If the Optionee resides outside the United States, the Optionee understands that the Optionee may request a list with the names and addresses of any potential recipients of the Data by contacting the Optionee's local human resources representative. The Optionee authorizes the Company, UBS, PricewaterhouseCoopers LLP and any other possible recipients which may assist the Company (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing the Optionee's participation in the Plan. The Optionee understands that Data will be held only as long as is necessary to implement, administer and manage the Optionee's participation in the Plan. If the Optionee resides outside the United States, the Optionee understands that the Optionee may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing the Optionee's local human resources representative. Further, the Optionee understands that he or she is providing the consents herein on a purely voluntary basis. If the Optionee does not consent, or if the Optionee later seeks to revoke his or her consent, his or her employment status or service with the Employer will not be affected; the only consequence of refusing or withdrawing the Optionee's consent is that the Company would not be able to grant the Optionee an option or other equity awards or administer or maintain such grants. The Optionee also understands that the Company has no obligation to substitute other forms of grants or compensation in lieu of the option as a consequence of the Optionee's refusal or withdrawal of his or her consent. Therefore, the Optionee understands that refusing or withdrawing his or her consent may affect the Optionee's ability to participate in the Plan. For more information on the consequences of the Optionee's refusal to consent or withdrawal of consent, the Optionee understands that he or she may contact his or her local human resources representative.

Further, upon request of the Company or the Employer, the Optionee agrees to provide an executed data privacy form (or any other agreements or consents) that the Company and/or the Employer may deem necessary to obtain from the Optionee for the purpose of administering the Optionee's participation in the Plan in compliance with the data privacy laws in the Optionee's country, either now or in the future. The Optionee understands and agrees that he or she will not be able to participate in the Plan if the Optionee's fails to provide any such consent or agreement as requested by the Company and/or the Employer.

14. **Interpretation.** The terms and provisions of the Plan (a copy of which will be made available online or furnished to the Optionee upon written request to the Corporate Secretary, Mondelēz International, Inc., 905 West Fulton Market, Suite 200, Chicago, Illinois 60607, U.S.A.) are incorporated herein by reference. To the extent any provision in the Award Statement or this Agreement is inconsistent or in conflict with any term or provision of the Plan, the Plan shall govern. The Committee shall have the right to resolve all questions that may arise in connection with the Grant or this Agreement, including whether an Optionee is no longer actively employed, and any interpretation, determination or other action made or taken by the Committee regarding the Plan or this Agreement shall be final, binding and conclusive.

15. **Miscellaneous Definitions.** For the purposes of this Agreement, the term “Disability” means permanent and total disability as determined under the procedures established by the Company for purposes of the Plan and the term “Retirement” means, unless otherwise determined by the Committee in its sole discretion, the termination of employment on or after either (i) the date the Optionee is age 55 or older with at least ten (10) or more years of active continuous employment with the Mondelēz Group or (ii) the date the Optionee is age 65 or older with at least five (5) or more years of active continuous employment with the Mondelēz Group.

Notwithstanding the above, if the Company receives an opinion of counsel that there has been a legal judgment and/or legal development in the Optionee's jurisdiction that likely would result in the favorable Retirement treatment (as set forth in paragraphs 2 and 3) that applies to the Option being deemed unlawful and/or discriminatory, then the Company will not apply the favorable Retirement treatment at the time of termination and the Option will be treated as it would under the rules that apply if the Optionee's employment is terminated for reasons other than Retirement, death or Disability.

16. **Language.** The Optionee acknowledges that he or she is sufficiently proficient in English, or, alternatively, the Optionee acknowledges that he or she will seek appropriate assistance, to understand the terms and conditions in the Agreement. Furthermore, if this Agreement or any other document related to the Plan is translated into a language other than English and if the meaning of the translated version is different from the English version, the English version will control.

17. **Compliance With Law.** Notwithstanding any other provision of the Plan or this Agreement, unless there is an available exemption from any registration, qualification or other legal requirement applicable to the shares of Common Stock, the Company shall not be required to deliver any Option Shares issuable upon exercise of the Option prior to the completion of any registration or qualification of the Option Shares under any local, state, federal or foreign securities or exchange control law or under rulings or regulations of the Commission or of any other governmental regulatory body, or prior to obtaining any approval or other clearance from any local, state, federal or foreign governmental agency, which registration, qualification or approval the Company shall, in its absolute discretion, deem necessary or advisable. The Optionee understands that the Company is under no obligation to register or qualify the Option Shares with the Commission or any state or foreign securities commission or to seek approval or clearance from any governmental authority for the issuance or sale of the shares. Further, the Optionee agrees that the Company shall have unilateral authority to amend the Plan and this Agreement without the Optionee's consent to the extent necessary to comply with securities or other laws applicable to the issuance of shares of Common Stock.

18. **Notices.** Any notice required or permitted hereunder shall be (i) given in writing and shall be deemed effectively given upon personal delivery, upon deposit for delivery by an internationally recognized express mail courier service or upon deposit in the United States mail by certified mail (if the parties are within the United States), with postage and fees prepaid, addressed to the other party at its

address as shown in these instruments, or to such other address as such party may designate in writing from time to time to the other party or (ii) delivered electronically through the Company's electronic mail system (including any notices delivered by a third-party) and shall be deemed effectively given upon such delivery. Any documents required to be given or delivered to the Optionee related to current or future participation in the Plan may also be delivered through electronic means as described in paragraph 19 below.

19. Electronic Delivery and Acceptance. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Optionee hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through any on-line or electronic system established and maintained by the Company or a third party designated by the Company.

20. Agreement Severable. The provisions of this Agreement are severable and if any one or more provisions are determined to be illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable.

21. Headings. Headings of paragraphs and sections used in this Agreement are for convenience only and are not part of this Agreement, and must not be used in construing it.

22. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Optionee's participation in the Plan, on the Option and on any shares of Common Stock acquired under the Plan, to the extent the Company determines it is necessary or advisable for legal or administrative reasons and to require the Optionee to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

23. Insider Trading/Market Abuse Laws. The Optionee may be subject to insider trading and/or market abuse laws which may affect the Optionee's ability to accept, acquire, sell or otherwise dispose of shares of Common Stock, rights to such shares (*e.g.*, Options) or rights linked to the value of shares of Common Stock under the Plan during such times as the Optionee is considered to have "material nonpublic information" or "insider information" regarding the Company (as defined by the laws or regulations in the relevant jurisdiction). Local insider trading laws and regulations may prohibit the cancellation or amendment of orders the Optionee places before the Optionee possessed inside information. Furthermore, the Optionee could be prohibited from (i) disclosing inside information to any third party, including fellow employees (other than on a "need to know" basis) and (ii) "tipping" third parties or causing them otherwise to buy or sell Company securities. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under the Company's insider trading policy, and the requirements of applicable laws may or may not be consistent with the terms of the Company's insider trading policy. The Optionee acknowledges that it is his or her responsibility to comply with any applicable restrictions, and that the Optionee should speak to his or her personal advisor on this matter.

24. Exchange Control Tax and Foreign Asset/Account Reporting Requirements. The Optionee acknowledges that there may be exchange control, tax, foreign asset and/or account reporting requirements which may affect the Optionee's ability to acquire or hold shares of Common Stock acquired under the Plan or cash received from participating in the Plan (including from any dividends paid on shares of Common Stock acquired under the Plan) in a brokerage, bank account or legal entity outside the Optionee's country. The Optionee may be required to report such accounts, balances, assets and/or the related transactions to the tax or other authorities in his or her country. The Optionee also may be required to repatriate sale proceeds or other funds received as a result of the Optionee's participation in the Plan to his or her country through a designated bank or broker within a certain time after receipt. The Optionee acknowledges that it is the Optionee's responsibility to be compliant with such regulations, and the Optionee should consult his or her personal legal advisor for any details.

25. Appendix. Notwithstanding any provisions in this Agreement, the Option shall be subject to any terms set forth in the Appendix to this Agreement for the Optionee's country. Moreover, if the Optionee relocates to one of the countries included in the Appendix, the terms for such country will apply to the

Optionee, to the extent the Company determines that the application of such terms is necessary or advisable for legal or administrative reasons. The Appendix constitutes part of this Agreement.

26. Waiver. The Optionee acknowledges that a waiver by the Company of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any other provision of this Agreement or of any subsequent breach by the Optionee or any other participant of the Plan.

27. Conformity to Securities Laws. The Optionee acknowledges that the Award Statement, the Plan and this Agreement are intended to conform to the extent necessary with all provisions of the Securities Act and the Exchange Act, and any and all regulations and rules promulgated thereunder by the Commission, including, without limitation, Rule 16b-3 under the Exchange Act. Notwithstanding anything herein to the contrary, the Award Statement, the Plan and this Agreement shall be administered, and the Option is granted, only in such a manner as to conform to such laws, rules and regulations. To the extent permitted by applicable law, the Award Statement, the Plan and this Agreement shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

The Optionee acknowledges that the Optionee has reviewed the Plan, the Award Statement and this Agreement (including any appendices hereto) in their entirety and fully understands their respective provisions. The Optionee agrees to accept as binding, conclusive and final all decisions or interpretations of the Committee upon any questions arising under the Plan, the Award Statement or this Agreement.

IN WITNESS WHEREOF, this Agreement has been executed as of the Grant Date.

APPENDIX A

MONDELÉZ INTERNATIONAL, INC. AMENDED AND RESTATED 2005 PERFORMANCE INCENTIVE PLAN (Amended and Restated as of February 3, 2017)

ADDITIONAL TERMS AND CONDITIONS OF THE NON-QUALIFIED GLOBAL STOCK OPTION AGREEMENT

This Appendix A includes additional terms and conditions that govern the Option granted to the Optionee under the Plan if he or she resides and/or works in one of the countries listed herein. If the Optionee is a citizen or resident (or is considered as such for local law purposes) of a country other than the country in which the Optionee is currently residing and/or working, or if the Optionee transfers to another country after receiving the Option, the Company shall, in its discretion, determine to what extent the terms and conditions contained herein shall be applicable to the Optionee. Certain capitalized terms used but not defined in this Appendix A have the meanings set forth in the Plan and/or the Non-Qualified Global Stock Option Agreement (the “Agreement”).

This Appendix A also includes information regarding securities, exchange control and certain other issues of which the Optionee should be aware with respect to participation in the Plan. The information is based on the securities, exchange control and other laws in effect in the respective countries as of January 2022. Such laws are often complex and change frequently. As a result, the Optionee should not rely on the information in this Appendix A as the only source of information relating to the consequences of his or her participation in the Plan because the information may be out of date at the time the Optionee exercises the Option or sells shares of Common Stock acquired under the Plan.

In addition, the information contained herein is general in nature and may not apply to the Optionee’s particular situation, and the Company is not in a position to assure the Optionee of a particular result. Accordingly, the Optionee should seek appropriate professional advice as to how the relevant laws in his or her country may apply to the Optionee’s situation.

Finally, if the Optionee is a citizen or resident of a country other than the one in which he or she is currently working, transfers employment after the Grant Date, or is considered a resident of another country for local law purposes, the information contained herein may not be applicable to the Optionee in the same manner.

EUROPEAN UNION / EUROPEAN ECONOMIC AREA, SWITZERLAND AND THE UNITED KINGDOM

TERMS AND CONDITIONS

Data Privacy Notice. The following provision replaces in its entirety paragraph 13 of the Agreement:

If the Optionee is based in the European Union (“EU”), the European Economic Area, Switzerland or the United Kingdom, the Optionee should note that Mondelez International, Inc., with registered address at 905 West Fulton Market, Suite 200, Chicago, Illinois 60607, U.S.A. is the controller responsible for the processing of the Optionee’s Personal Data (as defined below) in connection with the Agreement and the Plan.

Data Collection and Usage. Pursuant to applicable data protection laws, the Optionee is hereby notified that the Company collects, processes and uses the following types of personal data about the Optionee: name, home address and telephone number, email address, date of birth, social insurance, passport number or other identification number, salary, nationality, job title, any shares of stock or directorships held in any entity in the Mondelez Group, details of all Options or any other entitlement to shares awarded, canceled, settled, vested, unvested or outstanding in the Optionee’s favor, which the Company

receives from the Optionee or the Employer (“Personal Data”) for the exclusive legitimate purpose of granting Options and implementing, administering and managing the Optionee’s participation in the Plan.

Purposes and Legal Bases of Processing. The legal basis for the processing of the Personal Data by the Company is the necessity of the data processing for the Company to perform its contractual obligations under the Agreement and for the Company’s legitimate business interests of managing the Plan and generally administering employee equity awards. The Optionee understands that providing the Company with Personal Data is necessary for the performance of the Agreement and that the Optionee’s refusal to provide Personal Data would make it impossible for the Company to perform its contractual obligations and may affect the Optionee’s ability to participate in the Plan.

International Data Transfers. The Company is located in the United States which means that it will be necessary for Personal Data to be transferred to, and processed in, the United States. The Optionee understands and acknowledges that the United States is not subject to an unlimited adequacy finding by the European Commission and that the Optionee’s Personal Data may not have an equivalent level of protection as compared to the Optionee’s country of residence. To provide appropriate safeguards for the protection of the Optionee’s Personal Data, the Personal Data is transferred to the Company based on data transfer and processing agreements implementing the EU Standard Contractual Clauses. Further, the Optionee understands that the Company transfers his or her Personal Data, or parts thereof to third parties based on agreements implementing the EU Standard Contractual Clauses. These third parties include UBS Financial Services, Inc. (“UBS”), an independent service provider based in the United States which assists the Company with the implementation, administration and management of the Plan. UBS has opened or will open an account for the Optionee to receive and trade shares of Common Stock acquired under the Plan. The Optionee understands that Personal Data may also be transferred to the Company’s independent registered public accounting firm, PricewaterhouseCoopers LLP, KPMG LLP or such other public accounting firm that may be engaged by the Company. In the future, the Company may select a different service provider or other service providers and share the Personal Data with such other provider(s) serving the Company in a similar manner. The Optionee may be asked to agree on separate terms and data processing practices with UBS, PricewaterhouseCoopers LLP or KPMG LLP with such agreement being a condition to the Optionee’s ability to participate in the Plan.

The Optionee may request a copy of the safeguards used to protect his or her Personal Data or the names and addresses of any potential recipients of Personal Data by contacting the Company at DataProtectionOfficeMEU@mdlz.com.

Data Retention. The Company will use the Personal Data only as long as necessary to implement, administer and manage the Optionee’s participation in the Plan, or as required to comply with legal or regulatory obligations, including tax and securities laws. When the Company no longer needs the Personal Data, the Company will remove it from its systems. If the Company keeps data longer, it would be to satisfy legal or regulatory obligations and the Company’s legal basis would be relevant laws or regulations.

Data Subject Rights. To the extent provided by law, the Optionee has the right to (i) inquire whether and what kind of Personal Data the Company holds about the Optionee and how it is processed, and to access or request copies of such Personal Data, (ii) request the correction or supplementation of Personal Data that is inaccurate, incomplete or out-of-date in light of the purposes underlying the processing, (iii) obtain the erasure of Personal Data no longer necessary for the purposes underlying the processing or processed in non-compliance with applicable legal requirements, (iv) request the Company to restrict the processing of Personal Data in certain situations where the Optionee feels its processing is inappropriate, (v) object, in certain circumstances, to the processing of Personal Data for legitimate interests, (vi) request portability of Personal Data that the Optionee has actively or passively provided to the Company, where the processing of such Personal Data is based on consent or a contractual agreement with the Optionee and is carried out by automated means, or (vii) lodge a complaint with the competent local data protection authority. To receive additional information regarding the Optionee’s rights, raise any other questions regarding the practices described in the Agreement or to exercise his or her rights, the Optionee should contact the Company at DataProtectionOfficeMEU@mdlz.com.

ARGENTINA

TERMS AND CONDITIONS

Cashless Exercise Restriction. Notwithstanding anything to the contrary in the Agreement, due to regulatory requirements in Argentina, the Optionee may be required to pay the Grant Price by a cashless exercise through a licensed securities broker acceptable to the Company, such that all shares of Common Stock subject to the exercised Option will be sold immediately upon exercise and the proceeds of sale, less the Grant Price, any Tax-Related Items and broker's fees or commissions, will be remitted to the Optionee in accordance with any applicable exchange control laws and regulations. The Company reserves the right to provide the Optionee with additional methods of exercise depending on the development of local law.

Restrictions and Covenants. Notwithstanding anything to the contrary in the Agreement, paragraph 6 of the Agreement will not apply to Argentinian Optionees.

Labor Law Policy and Acknowledgement. The following provision supplements paragraph 12 of the Agreement:

The Optionee acknowledges and agrees that the Grant is made by the Company (not the Employer) in its sole discretion and that the value of the Option or any shares of Common Stock acquired under the Plan shall not constitute salary or wages for any purpose under Argentine labor law, including, but not limited to, the calculation of (i) any labor benefits, such as vacation pay, thirteenth salary, compensation in lieu of notice, annual bonus, disability, and leave of absence payments, etc., or (ii) any termination or severance indemnities or similar payments.

If, notwithstanding the foregoing, any benefits under the Plan are considered for any purpose under Argentine labor law, the Optionee acknowledges and agrees that such benefits shall not accrue more frequently than on each vesting date.

NOTIFICATIONS

Type of Offering. Neither the Option nor the underlying shares of Common Stock are publicly offered or listed on any stock exchange in Argentina.

Exchange Control Information. The Optionee is solely responsible for complying with the exchange control rules that may apply in connection with his or her participation in the Plan and/or the transfer of proceeds acquired under the Plan into Argentina. Prior to exercising the Option or transferring proceeds into Argentina, the Optionee should consult his or her local bank and exchange control advisor to confirm the exchange control rules and required documentation.

Foreign Asset/Account Reporting Information. The Optionee must report holdings of any equity interest in a foreign company (*e.g.*, shares of Common Stock acquired under the Plan) on his or her annual tax return each year.

AUSTRALIA

TERMS AND CONDITIONS

Nature of Plan. The Plan and the Agreement is a plan to which Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) (the "Act") applies (subject to the conditions in the Act).

Australian Offer Document. The Optionee's right to participate in the Plan and receive the grant of the Option under the Plan is subject to the terms and conditions as stated in the offer document, the Plan and the Agreement. By accepting the grant of the Option, the Optionee acknowledges and confirms that the Optionee has received these documents.

No payment constituting breach of law in Australia. Notwithstanding anything else in the Plan or the Agreement, the Optionee will not be entitled to, and shall not claim any benefit (including without

limitation a legal right) under the Plan if the provision of such benefit would give rise to a breach of Part 2D.2 of the Corporations Act 2001 (Cth), any other provision of that Act, or any other applicable statute, rule or regulation which limits or restricts the giving of such benefits. Further, the Employer is under no obligation to seek or obtain the approval of its shareholders in general meeting for the purpose of overcoming any such limitation or restriction.

NOTIFICATIONS

Exchange Control Information. Exchange control reporting is required for cash transactions exceeding AUD10,000 and for international fund transfers. If an Australian bank is assisting with the transaction, the bank will file the report on the Optionee's behalf, otherwise the Optionee will be responsible for complying with any exchange control reporting requirements.

AUSTRIA

NOTIFICATIONS

Foreign Asset/Account Reporting Information. If the Optionee holds shares of Common Stock acquired under the Plan or cash (including proceeds from the sale of shares of Common Stock) outside Austria, the Optionee may be subject to reporting obligations to the Austrian National Bank.

Exchange Control Information. A separate reporting requirement applies if the Optionee sells shares of Common Stock acquired under the Plan or receives a cash dividend paid on such shares of Common Stock. In that case, there may be exchange control obligations if the cash proceeds are held outside of Austria. If the transaction volume of all cash accounts abroad meets or exceeds a specified threshold, the movements and balances of all accounts must be reported monthly, as of the last day of the month, on or before the 15th day of the following month, on the prescribed form (*Meldungen SI-Forderungen und/oder SI-Verpflichtungen*).

BAHRAIN

NOTIFICATIONS

Securities Law Information. The Agreement does not constitute advertising or an offering of securities in Bahrain, nor does it constitute an allotment of securities in Bahrain. Any shares of Common Stock issued pursuant to the Options under the Plan shall be deposited into a brokerage account in the United States. In no event will shares of Common Stock be issued or delivered in Bahrain. The issuance of shares of Common Stock pursuant to the Options described herein has not and will not be registered in Bahrain and hence, the shares of Common Stock described herein may not be admitted or used for offering, placement or public circulation in Bahrain. Accordingly, the Optionee may not make any public advertising or announcements regarding the Options or shares of Common Stock in Bahrain, promote these shares of Common Stock to legal entities or individuals in Bahrain, or sell shares of Common Stock directly to other legal entities or individuals in Bahrain. The Optionee acknowledges and agrees that he or she is permitted to sell shares of Common Stock acquired under the Plan through the designated broker appointed under the Plan, if any, provided that the sale of such shares takes place outside of Bahrain through the facilities of a stock exchange on which the shares of Common Stock are listed (*i.e.*, the Nasdaq Global Select Market).

BELGIUM

TERMS AND CONDITIONS

Tax Considerations. The Option must be accepted in writing either (i) within 60 days of the offer (for tax at offer), or (ii) after 60 days of the offer (for tax at exercise). The Optionee will receive a separate offer letter, acceptance form and undertaking form in addition to the Agreement. He or she should refer to the offer letter for a more detailed description of the tax consequences of choosing to accept the

Option. The Optionee should consult a personal tax advisor with respect to completing the additional forms.

NOTIFICATIONS

Foreign Asset/Account Reporting Information. The Optionee is required to report any securities (*e.g.*, shares of Common Stock acquired under the Plan) or bank accounts established outside of Belgium on his or her annual tax return. In a separate report, Belgium residents are also required to provide the National Bank of Belgium with the account details of any such foreign accounts (including the account number, bank name and country in which any such account was opened). This report, as well as additional information on how to complete it, can be found on the website of the National Bank of Belgium, www.nbb.be, under Kredietcentrales / Centrales des crédits caption. The Optionee should consult a personal tax advisor with respect to the applicable reporting obligations.

Annual Securities Accounts Tax. If the value of securities held in a Belgian or foreign securities account exceeds EUR 1 million, a new “annual securities accounts tax” applies. Belgian residents should consult with their personal tax advisor regarding the new tax.

BRAZIL

TERMS AND CONDITIONS

Compliance with Law. By accepting the Option, the Optionee acknowledges that he or she agrees to comply with applicable Brazilian laws and pay any and all applicable Tax-Related Items associated with the exercise of the Option, the receipt of any dividends and the sale of shares of Common Stock acquired under the Plan.

Labor Law Acknowledgment. By accepting the Option, the Optionee understands, acknowledges and agrees that, for all legal purposes (i) the Optionee is making an investment decision and (ii) the value of the underlying shares of Common Stock are not fixed and may increase or decrease in value over the vesting period without compensation to the Optionee.

NOTIFICATIONS

Exchange Control Information. Individuals who are resident or domiciled in Brazil are generally required to submit an annual declaration of assets and rights held outside Brazil to the Central Bank of Brazil if the aggregate value of such assets and rights is greater than US\$1,000,000. If such amount is equal to or greater than US\$100,000,000, the referenced declaration must be submitted quarterly, in the month following the end of each quarter. Assets and rights to be included in this annual declaration include shares of Common Stock acquired under the Plan.

Tax on Financial Transaction (IOF). Payments to foreign countries (including payment of the Grant Price) and the repatriation of funds (*e.g.*, sale proceeds from the sale of shares of Common Stock and/or dividends) into Brazil and the conversion between BRL and USD associated with such transfers may be subject to the Tax on Financial Transactions. It is the Optionee’s responsibility to comply with any applicable Tax on Financial Transactions arising from his or her participation in the Plan. The Optionee should consult with his or her personal tax advisor for additional details.

BULGARIA

NOTIFICATIONS

Exchange Control Information. If the Optionee exercises the Option through a cash purchase exercise, in order to remit funds out of Bulgaria, he or she will need to declare the purpose of the remittance to the local bank that is transferring the funds abroad. If the amount the Optionee wishes to transfer exceeds BGN 30,000, he or she will need to provide the bank with certain documents evidencing the transaction.

If the Optionee exercises the Option by way of a cashless method of exercise, this declaration will not be required because no funds will be remitted out of Bulgaria.

In addition, the Optionee will be required to file statistical forms with the Bulgarian national bank annually regarding his or her receivables in bank accounts abroad as well as securities held abroad (*e.g.*, shares of Common Stock acquired under the Plan) if the total sum of all such receivables and securities equals or exceeds BGN50,000 as of the previous calendar year end. The reports are due by March 31.

The Optionee should contact his or her bank in Bulgaria for additional information regarding these requirements.

CANADA

TERMS AND CONDITIONS

Form of Payment. Notwithstanding anything in the Plan or the Agreement to the contrary, the Optionee is prohibited from surrendering shares of Common Stock that he or she already owns or attesting to the ownership of shares of Common Stock to pay the Grant Price or any Tax-Related Items in connection with the Option.

Form of Settlement. Options granted to employees resident in Canada shall be paid in shares of Common Stock only.

Termination of Employment. The following provision supplements paragraphs 2 and 3(d) of the Agreement:

Except as expressly required by applicable legislation, the Optionee's employment with the Mondelez Group shall be deemed to be terminated, vesting will terminate and the period remaining to exercise any Options will be measured effective as of the date that is the earliest of: (1) the date the Optionee's employment with the Mondelez Group is terminated, or (2) the date the Optionee receives notice of termination of employment from the Mondelez Group; regardless of the reason for such termination and whether or not later found to be invalid or in breach of any applicable law, including Canadian provincial employment law (including but not limited to statutory law, regulatory law and/or common law) or the terms of the Optionee's employment or service agreement, if any. The Committee shall have the exclusive discretion to determine when the Optionee is no longer actively employed or providing services and the termination date for purposes of the Agreement.

Notwithstanding the foregoing, if applicable employment standards legislation explicitly requires continued entitlement to vesting during a statutory notice period, the Optionee's right to vest in the Option under the Plan, if any, will terminate effective as of the last day of the Optionee's minimum statutory notice period. The Optionee will not earn or be entitled to pro-rated vesting for that portion of time before the date on which the Optionee's right to vest terminates or if the vesting date falls after the end of the Optionee's statutory notice period, nor will the Optionee be entitled to any compensation for lost vesting.

The following provisions apply for Optionees resident in Quebec:

Data Privacy. The following provision supplements paragraph 13 of the Agreement:

The Optionee hereby authorizes the Company and the Company's representatives to discuss with and obtain all relevant information from all personnel, professional or not, involved in the administration and operation of the Plan. The Optionee further authorizes the Mondelez Group and the administrator of the Plan to disclose and discuss the Plan with their advisors. The Optionee further authorizes the Mondelez Group to record such information and to keep such information in his or her employee file.

Language Consent. The parties acknowledge that it is their express wish that the Agreement, including this Appendix A, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English.

Consentement relatif à la langue utilisée. Les parties reconnaissent avoir exigé la rédaction en anglais de cette convention, ainsi que de tous documents, avis et procédures judiciaires, exécutés, donnés ou intentés en vertu de, ou liés directement ou indirectement à, la présente convention.

NOTIFICATIONS

Non-Qualified Securities. All or a portion of the shares of Common Stock subject to the Option may be "non-qualified securities" within the meaning of the *Income Tax Act* (Canada). The Mondelēz Group shall provide the Optionee with additional information and/or appropriate notification regarding the characterization of the Option for Canadian income tax purposes as may be required by the *Income Tax Act* (Canada) and the regulations thereunder.

Securities Law Information. The Optionee is permitted to sell shares of Common Stock acquired under the Plan through the designated broker appointed under the Plan, if any, provided that the sale of such shares takes place outside Canada through the facilities of a stock exchange on which the shares of Common Stock are listed (*i.e.*, the Nasdaq Global Select Market).

Foreign Asset/Account Reporting Information. The Optionee is required to report any specified foreign property (including shares of Common Stock) annually on Form T1135 (Foreign Income Verification Statement) if the total cost of the Optionee's specified foreign property exceeds C\$100,000 at any time during the year. The form must be filed by April 30th of the following year. Specified foreign property includes shares of Common Stock acquired under the Plan and may include Options. The Options must be reported—generally at a nil cost—if the \$100,000 cost threshold is exceeded because of other specified foreign property the Optionee holds. If shares of Common Stock are acquired, their cost generally is the adjusted cost base ("ACB") of the shares of Common Stock. The ACB would normally equal the fair market value of the shares of Common Stock at exercise for Options, but if the Optionee owns other shares of Company Common Stock, this ACB may have to be averaged with the ACB of the other shares of Common Stock owned by the Optionee. It is the Optionee's responsibility to comply with applicable reporting obligations.

CHINA

TERMS AND CONDITIONS

The following provisions apply to Optionees who are exclusively citizens of the People's Republic of China and who reside in mainland China, and Optionees who are otherwise subject to exchange control restrictions applicable to employee stock plans in China, as determined by the Company in its sole discretion.

Cashless Exercise Restriction. Notwithstanding anything to the contrary in the Agreement, due to legal restrictions in China, the Optionee will be required to pay the Grant Price by a cashless exercise through a licensed securities broker acceptable to the Company, such that all shares of Common Stock subject to the exercised Option will be sold immediately upon exercise and the proceeds of sale, less the Grant Price, any Tax-Related Items and broker's fees or commissions, will be remitted to the Optionee in accordance with any applicable exchange control laws and regulations. The Company reserves the right to provide the Optionee with additional methods of exercise depending on the development of local law.

In the event that the Optionee is not required to sell shares of Common Stock immediately upon exercise, any shares of Common Stock issued to the Optionee must be maintained in an account with UBS Financial Services, Inc. or such other broker as may be designated by the Company until the shares of Common Stock are sold through that broker. If the Company changes its designated broker, the Optionee acknowledges and agrees that the Company may transfer any shares of Common Stock issued under the Plan to the new designated broker if necessary for legal or administrative reasons. The Optionee agrees to sign any documentation necessary to facilitate the transfer. In addition, the Optionee acknowledges and

agrees that he or she must sell any shares of Common Stock issued upon exercise as soon as practicable following the termination of the Optionee's employment or other service relationship with the Mondelez Group and in no event later than six (6) months following the termination of the Optionee's employment or other service relationship with the Mondelez Group, or within any other such time frame as the Company determines to be necessary or advisable to comply with local requirements.

Expiration Date. Notwithstanding anything to the contrary in the Agreement, in the event of the Optionee's termination of employment with the Mondelez Group, the Optionee shall be permitted to exercise the Option for the shorter of the post-termination exercise period (if any) set forth in the Agreement and six months (or such other period as may be required by the State Administration of Foreign Exchange ("SAFE")) after the date of termination of the Optionee's active employment. At the end of the post-termination exercise period specified by SAFE, any unexercised portion of the Option shall immediately expire.

Exchange Control Restrictions. The Optionee understands and agrees that, due to exchange control laws in China, he or she will be required to immediately repatriate to China any cash proceeds from dividends and/or the cashless exercise of the Option. The Optionee further understands that, under local law, such repatriation of the cash proceeds will be effected through a special exchange control account established by a member of the Mondelez Group and the Optionee hereby consents and agrees that any cash proceeds received in connection with the Plan will be transferred to such special account prior to being delivered to him or her. The proceeds may be paid in U.S. dollars or local currency at the Company's discretion. If the proceeds are paid in U.S. dollars, the Optionee acknowledges that he or she will be required to set up a U.S. dollar bank account in China so that the proceeds may be delivered to this account. If the proceeds are converted to local currency, the Optionee acknowledges that the Mondelez Group is under no obligation to secure any currency conversion rate and may face delays in converting the proceeds to local currency due to exchange control restrictions in China. The Optionee agrees to bear any currency fluctuation risk between the date the Option is exercised or dividends are paid and the time that (i) the Tax-Related Items are converted to local currency and remitted to the tax authorities and (ii) net proceeds are converted to local currency and distributed to the Optionee. The Optionee acknowledges that the Mondelez Group will not be held liable for any delay in delivering the proceeds to the Optionee. The Optionee agrees to sign any agreements, forms and/or consents that may be requested by the Company or the Company's designated broker to effectuate any of the remittances, transfers, conversions or other processes affecting the proceeds.

The Optionee further agrees to comply with any other requirements that may be imposed by the Company in the future in order to facilitate compliance with exchange control requirements in China.

NOTIFICATIONS

Foreign Asset/Account Reporting Information. Chinese residents may be required to report to the SAFE all details of their foreign financial assets and liabilities, as well as details of any economic transactions conducted with non-Chinese residents, including the Company.

COLOMBIA

TERMS AND CONDITIONS

Labor Law Acknowledgement. The following provision supplements the acknowledgments contained in paragraph 12 of the Agreement:

The Optionee acknowledges that pursuant to Article 128 of the Colombian Labor Code, the Plan and related benefits do not constitute a component of the Optionee's "salary" for any legal purpose. Therefore, they will not be included and/or considered for purposes of calculating any and all labor benefits, such as legal/fringe benefits, vacations, indemnities, payroll taxes, social insurance contributions and/or any other labor-related amounts, subject to the limitations provided in Law 1393/2010.

NOTIFICATIONS

Securities Law Information. The shares of Common Stock are not and will not be registered in the Colombian registry of publicly traded securities (*Registro Nacional de Valores y Emisores*) and therefore the shares of Common Stock may not be offered to the public in Colombia. Nothing in this document should be construed as the making of a public offer of securities in Colombia.

Exchange Control Information. Colombian residents must register shares of Common Stock acquired under the Plan, regardless of value, with the Central Bank of Colombia (*Banco de la República*) as foreign investment held abroad. In addition, all payments relating to foreign investment originating in Colombia (*i.e.*, payment of the Grant Price by cash exercise) and the liquidation of such investments must be transferred through the Colombian foreign exchange market (*e.g.* local banks), which includes the obligation of correctly completing and filing the appropriate foreign exchange form (*declaración de cambio*). If the Optionee exercises the Option by way of a cashless method of exercise, filing the appropriate foreign exchange form will not be required because no funds will be remitted out of Colombia. However, any sales proceeds related to shares of Common Stock acquired pursuant to cashless exercise must still be transferred through the Colombian foreign exchange market.

The Optionee is responsible for ensuring compliance with all exchange control laws in Colombia and the Optionee should consult his or her legal advisor prior to the acquisition or sale of the shares of Common Stock under the Plan to ensure compliance with current regulations.

Foreign Asset/Account Reporting Information. The Optionee must file an annual informative return with the Colombian Tax Office detailing any assets (*e.g.* shares of Common Stock) held abroad. NEW ZEALAND

NOTIFICATIONS

Securities Law Information. *WARNING: The Optionee is being offered an Option which allows the Optionee to purchase shares of Common Stock in accordance with the terms of the Plan and the Agreement. The shares of Common Stock, if purchased, give the Optionee a stake in the ownership of the Company. The Optionee may receive a return if dividends are paid.*

If the Company runs into financial difficulties and is wound up, the Optionee will be paid only after all creditors and holders of preferred shares have been paid. The Optionee may lose some or all of his or her investment.

New Zealand law normally requires people who offer financial products to give information to investors before they invest. This information is designed to help investors to make an informed decision.

The usual rules do not apply to this offer because it is made under an employee share purchase scheme. As a result, the Optionee may not be given all the information usually required. The Optionee will also have fewer other legal protections for this investment.

The Optionee understands that he or she should ask questions, read all documents carefully, and seek independent financial advice before exercising any Options under the Plan.

The shares of Common Stock are quoted and approved for trading on the Nasdaq Global Select Market in the United States of America. This means that, if the Optionee purchases shares of Common Stock under the Plan, the Optionee may be able to sell his or her investment on the Nasdaq if there are interested

buyers. The Optionee understands that the Optionee may get less than his or her investment. The price will depend on the demand for the shares of Common Stock.

For information on risk factors impacting the Company's business that may affect the value of the shares of Common Stock, the Optionee should refer to the risk factors discussion in the Company's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, which are filed with the U.S. Securities and Exchange Commission and are available online at www.sec.gov, as well as on the Company's website at <http://ir.mondelezinternational.com/sec.cfm>.

RUSSIA

TERMS AND CONDITIONS

Securities Law Information. This Agreement, the Plan and all other materials that the Optionee may receive concerning the grant of the Option and the Optionee's participation in the Plan do not constitute advertising or an offering of securities in Russia. The Common Stock to be issued upon exercise of the Option have not and will not be registered in Russia and, therefore, the Common Stock described in any Plan documents may not be offered or placed in public circulation in Russia. In no event will Common Stock to be issued upon exercise of the Option be delivered to the Optionee in Russia. All Common Stock acquired under the Plan will be maintained on the Optionee's behalf outside of Russia. The Optionee will not be permitted to sell Common Stock directly to a Russian legal entity or resident.

Cashless Exercise Provision. Notwithstanding anything to the contrary in the Agreement, depending on the development of local regulatory requirements, the Company reserves the right to restrict the Optionee to a cashless exercise through a licensed securities broker acceptable to the Company, such that all shares of Common Stock subject to the exercised Option will be sold immediately upon exercise and the proceeds of sale, less the Grant Price, any Tax-Related Items and broker's fees or commissions, will be remitted to the Optionee in accordance with any applicable exchange control laws and regulations.

Data Privacy. The following provision supplements paragraph 13 of the Agreement:

The Optionee understands and agrees that he or she must complete and return a Consent to Processing of Personal Data (the "**Consent**") form to the Company. Further, the Optionee understands and agrees that if the Optionee does not complete and return a Consent form to the Company, the Company will not be able to grant Options to the Optionee or other Grants or administer or maintain such Grants. Finally, the Optionee understands that the Company has no obligation to substitute other forms of Grants or compensation in lieu of the Options if the Optionee fails to complete and return the Consent. Therefore, the Optionee understands that refusing to complete a Consent form or withdrawing his or her consent may affect the Optionee's ability to participate in the Plan.

NOTIFICATIONS

Exchange Control Information. The Optionee may be required to repatriate certain cash amounts received with respect to the Option to Russia as soon as the Optionee intends to use those cash amounts for any purpose, including reinvestment. If the repatriation requirement applies, such funds must initially be credited to the Optionee through a foreign currency account at an authorized bank in Russia. After the funds are initially received in Russia, they may be further remitted to foreign banks in accordance with Russian exchange control laws. Under the Directive N 5371-U of the Russian Central Bank (the "CBR"), the repatriation requirement may not apply in certain cases with respect to cash amounts received in an

account that is considered by the CBR to be a foreign brokerage account. Statutory exceptions to the repatriation requirement also may apply. The Optionee should contact their personal advisor to ensure compliance with the applicable exchange control requirements prior to exercising the Option and/or selling Common Stock.

Labor Law Information. If the Optionee continues to hold shares of Common Stock acquired at exercise of the Option after an involuntary termination of the Optionee's employment, the Optionee will not be eligible to receive unemployment benefits in Russia.

Foreign Asset/Account Reporting Information. Russian residents are required to report the opening, closing or change of details of any foreign brokerage account to the Russian tax authorities within one (1) month of opening, closing or change of details of such account. Russian residents are also required to submit an annual cash flow report for any such foreign brokerage account on or before June 1 of the following year. Reporting requirements were further revised effective August 11, 2020 to expand the reporting requirement to include financial asset (including Common Stock) transactions in offshore accounts. The Optionee should consult with their personal legal advisor to determine the applicability of these reporting requirements to any brokerage account opened in connection with participation in the Plan.

Anti-Corruption Information. Anti-corruption laws prohibit certain public servants, their spouses and their dependent children from owning any foreign source financial instruments (*e.g.*, shares of foreign companies such as the Company). Accordingly, the Optionee should inform the Company if the Optionee is covered by these laws because the Optionee should not hold shares of Common Stock acquired under the Plan.

SERBIA

NOTIFICATIONS

Exchange Control Information. Pursuant to the Law on Foreign Exchange Transactions, the Optionee is permitted to acquire shares of Common Stock under the Plan and hold the shares and any proceeds from the sale of shares of Common Stock in a U.S. brokerage account or other foreign brokerage account. However, the Optionee needs permission from the National Bank of Serbia to hold any proceeds from the sale of shares of Common Stock in an offshore bank account. Because the exchange control regulations in Serbia may change without notice, the Optionee should consult with his or her personal advisor to ensure compliance with applicable exchange control laws.

SINGAPORE

TERMS AND CONDITIONS

Sale Restriction. The Optionee agrees that any shares of Common Stock acquired pursuant to the Option will not be offered for sale in Singapore prior to the six-month anniversary of the Grant Date, unless such sale or offer is made pursuant to the exemptions under Part XIII Division (1) Subdivision (4) (other than section 280) of the Securities and Futures Act (Chapter 289, 2006 Ed.) ("SFA"), or pursuant to, and in accordance with the conditions of, any applicable provisions of the SFA.

NOTIFICATIONS

Securities Law Information. The grant of the Option is being made pursuant to the "Qualifying Person" exemption under section 273(1)(f) of the SFA and is not made to the Optionee with a view to the Option being subsequently offered for sale to any other party. The Plan has not been lodged or registered as a prospectus with the Monetary Authority of Singapore.

Director Notification Requirement. The directors, associate directors and shadow directors of a Singapore subsidiary or affiliate are subject to certain notification requirements under the Singapore Companies Act. The directors, associate directors and shadow directors must notify the Singapore

subsidiary or affiliate in writing of an interest (*e.g.*, Options, shares of Common Stock, etc.) in the Company or any related companies within two business days of (i) its acquisition or disposal, (ii) any change in a previously disclosed interest (*e.g.*, when the shares of Common Stock are sold), or (iii) becoming a director, associate director or shadow director. If the Optionee is the chief executive officer (“CEO”) of a Singapore subsidiary or affiliate and the above notification requirements are determined to apply to the CEO of a Singapore subsidiary or affiliate, the above notification requirements also may apply to the Optionee.

SLOVAK REPUBLIC

There are no country specific provisions.

SLOVENIA

NOTIFICATIONS

Foreign Asset/Account Reporting Information. Slovenian residents may be required to report the opening of bank and/or brokerage accounts to tax authorities within eight (8) days of opening such account. The Optionee should consult with his or her personal tax advisor to determine whether this requirement will be applicable to any accounts opened in connection with the Optionee’s participation in the Plan (*e.g.*, the Optionee’s brokerage account with the Company’s designated broker).

SOUTH AFRICA

TERMS AND CONDITIONS

Securities Law Notice. In compliance with South African Securities Law, the documents listed below are available for the Optionee’s review on the Company’s public site or intranet site, as applicable, as listed below:

1. The Company’s most recent Annual Report (Form 10-K): from the investor relations section of the Company’s website at <http://www.mondelezinternational.com/investors>.
2. The Company’s most recent Plan prospectus: a copy of which can be found on the Company’s Intranet site located at: <https://intranet.mdlz.com/sites/globalhr/comp/Pages/Legal-Documents.aspx>.

The Optionee acknowledges that he or she may have copies of the above documents sent to him or her, at no charge, on written request being mailed to Corporate Secretary, Mondelēz International, Inc., 905 West Fulton Market, Suite 200, Chicago, Illinois 60607, U.S.A. The telephone number at the executive offices is +1 847-943-4000.

Withholding Taxes. The following provision supplements paragraph 4 of the Agreement:

By accepting the Option, the Optionee understands and acknowledges that he or she is required to notify the Employer of the amount of any gain realized upon exercise of the Option.

Exchange Control Obligations. The Optionee is solely responsible for complying with applicable South African exchange control regulations. Since the exchange control regulations change frequently and without notice, the Optionee should consult his or her legal advisor prior to the acquisition or sale of the shares of Common Stock under the Plan to ensure compliance with current regulations. As noted, it is the Optionee’s responsibility to comply with South African exchange control laws, and neither the Company nor the Employer will be liable for any fines or penalties resulting from failure to comply with applicable laws.

NOTIFICATIONS

Tax Clearance Certificate for Cash Exercises. If the Optionee exercises the Option by a cash purchase exercise, the Optionee is required to obtain and provide to the Employer, or any third party designated by the Employer or the Company, a Tax Clearance Certificate (with respect to Foreign Investments) bearing the official stamp and signature of the Exchange Control Department of the South African Revenue Service (“SARS”). The Optionee must renew this Tax Clearance Certificate each twelve (12) months or in such other period as may be required by the SARS.

If the Optionee exercises the Option by a cashless exercise whereby no funds are remitted offshore for the purchase of shares, he or she is not required to obtain a Tax Clearance Certificate.

Exchange Control Information. Under current South African exchange control policy, if the Optionee is a South African resident, he or she may invest a maximum of ZAR11,000,000 per annum in offshore investments, including in shares of Common Stock. The first ZAR1,000,000 annual discretionary allowance requires no prior authorization. The next ZAR10,000,000 requires tax clearance. This limit does not apply to non-resident employees. It is the Optionee’s responsibility to ensure that he or she does not exceed this limit and obtains the necessary tax clearance for remittances exceeding ZAR1,000,000. This limit is a cumulative allowance; therefore, the Optionee’s ability to remit funds for the exercise of an Option will be reduced if the Optionee’s foreign investment limit is utilized to make a transfer of funds offshore that is unrelated to the Option. If the ZAR11,000,000 limit will be exceeded as a result of an Option exercise, the Optionee may still exercise the Option and participate in the Plan, however the Optionee will be required to immediately sell the shares of Common Stock underlying the exercised Option and repatriate the proceeds to South Africa. If the ZAR11,000,000 limit is not exceeded, the Optionee will not be required to immediately repatriate the sale proceeds to South Africa.

SOUTH KOREA

NOTIFICATIONS

Exchange Control Information. If the Optionee remits funds out of South Korea to pay the Grant Price for Options, the remittance of funds must be confirmed by a foreign exchange bank in South Korea. This confirmation is not necessary if the Optionee pays the Grant Price through an arrangement with a broker approved by the Company whereby payment of the Grant Price is accomplished with the proceeds of the sale of shares of Common Stock, because in this case there is no remittance of funds out of South Korea.

Foreign Asset/Account Reporting Information. South Korean residents must declare all foreign financial accounts (*e.g.*, non-South Korean bank accounts, brokerage accounts, etc.) to the South Korean tax authority and file a report with respect to such accounts if the value of such accounts exceeds KRW 500 million (or an equivalent amount in foreign currency) on any month-end date during a calendar year. The Optionee should consult with his or her personal tax advisor to determine how to value the Optionee’s foreign accounts for purposes of this reporting requirement and whether the Optionee is required to file a report with respect to such accounts.

SPAIN

TERMS AND CONDITIONS

Nature of Grant. The following provision supplements paragraph 12 of the Agreement:

In accepting the Option, the Optionee consents to participation in the Plan and acknowledges that he or she has received a copy of the Plan.

The Optionee understands and agrees that, as a condition of the grant of the Option, except as provided for in paragraph 2 of the Agreement, the termination of the Optionee’s employment for any reason (including for the reasons listed below) will automatically result in the loss of the Option that may have been granted to the Optionee and that have not vested on the date of termination.

In particular, the Optionee understands and agrees that any unvested Option as of Optionee's termination date and any vested Option not exercised within the period set forth in the Agreement following Optionee's termination date will be forfeited without entitlement to the underlying shares of Common Stock or to any amount as indemnification in the event of a termination by reason of, including, but not limited to: resignation, disciplinary dismissal adjudged to be with cause, disciplinary dismissal adjudged or recognized to be without good cause (*i.e.*, subject to a "*despido improcedente*"), individual or collective layoff on objective grounds, whether adjudged to be with cause or adjudged or recognized to be without cause, material modification of the terms of employment under Article 41 of the Workers' Statute, relocation under Article 40 of the Workers' Statute, Article 50 of the Workers' Statute, unilateral withdrawal by the Employer, and under Article 10.3 of Royal Decree 1382/1985.

Furthermore, the Optionee understands that the Company has unilaterally, gratuitously and discretionally decided to grant the Option under the Plan to individuals who may be employees of the Mondelēz Group. The decision is a limited decision that is entered into upon the express assumption and condition that any Grant will not economically or otherwise bind the Mondelēz Group on an ongoing basis other than to the extent set forth in the Agreement. Consequently, the Optionee understands that the Option is granted on the assumption and condition that the Option and the shares of Common Stock issued upon exercise shall not become a part of any employment or contract (with the Mondelēz Group, including the Employer) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. Furthermore, the Optionee understands and freely accepts that there is no guarantee that any benefit whatsoever will arise from the Option, which is gratuitous and discretionary, since the future value of the Option and the underlying shares of Common Stock is unknown and unpredictable. In addition, the Optionee understands that the grant of the Option would not be made to the Optionee but for the assumptions and conditions referred to above; thus, the Optionee acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, then any grant to the Optionee of the Option shall be null and void.

NOTIFICATIONS

Securities Law Information. No "offer of securities to the public", as defined under Spanish law, has taken place or will take place in the Spanish territory. The Agreement (including this Appendix) has not been nor will it be registered with the *Comisión Nacional del Mercado de Valores*, and does not constitute a public offering prospectus.

Exchange Control Information. The Optionee must declare the acquisition, ownership and disposition of shares of Common Stock to the Spanish *Dirección General de Comercio e Inversiones* (the "*DGCI*") of the Ministry of Economy and Competitiveness on a Form D-6. Generally, the declaration must be made in January for shares of Common Stock owned as of December 31 of the prior year and/or shares of Common Stock acquired or disposed of during the prior year; however, if the value of the shares of Common Stock acquired or disposed of or the amount of the sale proceeds exceeds €1,502,530 (or if the Optionee holds 10% or more of the share capital of the Company), the declaration must be filed within one month of the acquisition or disposition, as applicable.

In addition, the Optionee is required to declare electronically to the Bank of Spain any foreign accounts (including brokerage accounts held abroad), any foreign instruments (including any shares of Common Stock acquired under the Plan) and any transactions with non-Spanish residents (including any payments of shares of Common Stock made to the Optionee by the Company) depending on the value of such accounts and instruments and the amount of the transactions during the relevant year as of December 31 of the relevant year.

Foreign Asset/Accounting Reporting Information. If the Optionee holds rights or assets (*e.g.*, shares of Common Stock or cash held in a bank or brokerage account) outside Spain with a value in excess of €50,000 per type of right or asset (*e.g.*, shares of Common Stock, cash, etc.) as of December 31 each year, the Optionee is required to report certain information regarding such rights and assets on tax form 720. After such rights and/or assets are initially reported, the reporting obligation will apply for subsequent years only if the value of any previously-reported rights or assets increases by more than €20,000, or if ownership of the asset is transferred or relinquished during the year. If the value of such rights and/or assets does not exceed €50,000, a summarized form of declaration may be presented. The reporting must

be completed by the March 31 each year. The Optionee should consult his or her personal tax advisor for details regarding this requirement.

The Optionee should consult his or her personal advisor to ensure compliance with applicable exchange control laws in Taiwan.

THAILAND

TERMS AND CONDITIONS

Notwithstanding anything to the contrary in the Agreement, due to regulatory requirements in Thailand, the Optionee will be required to pay the Grant Price by a cashless exercise through a licensed securities broker acceptable to the Company, such that all shares of Common Stock subject to the exercised Option will be sold immediately upon exercise and the proceeds of sale, less the Grant Price, any Tax-Related Items and broker's fees or commissions, will be remitted to the Optionee in accordance with any applicable laws and regulations. The Company reserves the right to provide the Optionee with additional methods of exercise depending on the development of local law.

In addition, the Optionee must provide details of the transaction (*i.e.*, identification information and purposes of the transaction) to the receiving bank. If the Optionee fails to comply with these obligations, the Optionee may be subject to penalties assessed by the Bank of Thailand.

The Optionee should consult his or her personal advisor prior to taking any action with respect to remittance of proceeds from the sale of shares of Common Stock into Thailand. The Optionee is responsible for ensuring compliance with all exchange control laws in Thailand.

UNITED ARAB EMIRATES

NOTIFICATIONS

Securities Law Information. Participation in the Plan is being offered only to selected Optionees and is in the nature of providing equity incentives to Optionees in the United Arab Emirates. The Plan and the Agreement are intended for distribution only to such Optionees and must not be delivered to, or relied on by, any other person. Prospective purchasers of the securities offered should conduct their own due diligence on the securities.

UNITED KINGDOM (“U.K.”)

TERMS AND CONDITIONS

Miscellaneous Definitions. The following provision replaces paragraph 15 of the Agreement:

For the purposes of this Agreement, the term “Disability” means permanent and total disability as determined under the procedures established by the Company for purposes of the Plan and the term “Retirement” means, unless otherwise determined by the Committee in its sole discretion, retirement from active employment under a pension plan of the Mondelez Group, an employment contract with any member of the Mondelez Group, or a local labor contract, on or after the date specified as normal retirement age in the pension plan or employment contract, if any, under which Optionee is at that time accruing pension benefits for his or her current service (or, in the absence of a specified normal retirement age, the age at which pension benefits under such plan or contract become payable without reduction for early commencement and without any requirement of a particular period of prior service).

Withholding Taxes. The following provision supplements paragraph 4 of the Agreement:

Without limitation to paragraph 4 of the Agreement, the Optionee hereby agrees that he or she is liable for all Tax-Related Items and hereby covenants to pay all such Tax-Related Items, as and when requested by the Company or the Employer, as applicable, or by Her Majesty’s Revenue & Customs (“HMRC”) (or any other tax authority or any other relevant authority). The Optionee also hereby agrees to indemnify and keep indemnified the Company and the Employer, as applicable, against any Tax-Related Items that they are required to pay or withhold or have paid or will pay to HMRC (or any other tax authority or any other relevant authority) on the Optionee’s behalf.

Notwithstanding the foregoing, if the Optionee is a director or executive officer of the Company (within the meaning of Section 13(k) of the Exchange Act), the Optionee understands that he or she may not be able to indemnify the Company for the amount of any Tax-Related Items not collected from or paid by the Optionee, in case the indemnification could be considered to be a loan. In this case, the Tax-Related Items not collected or paid may constitute a benefit to the Optionee on which additional income tax and National Insurance Contributions (“NICs”) may be payable. The Optionee understands that he or she will be responsible for reporting and paying any income tax due on this additional benefit directly to HMRC under the self-assessment regime and for paying to the Company and/or the Employer (as appropriate) the amount of any NICs due on this additional benefit, which may also be recovered from the Optionee by any of the means referred to in paragraph 4 of the Agreement.

In addition, the Optionee agrees that the Company and/or the Employer may calculate the Tax-Related Items to be withheld and accounted for by reference to the maximum applicable rates, without prejudice to any right the Optionee may have to recover any overpayment from the relevant tax authorities.

TERMS AND CONDITIONS

Data Privacy Consent. The Optionee understands that the Data will be collected by the Company and will be transferred to the Company at 905 West Fulton Market, Suite 200, Chicago, Illinois 60607, U.S.A. and/or any financial institutions or brokers involved in the management and administration of the Plan. The Optionee further understands that any of these entities may store the Data for purposes of administering the Optionee's participation in the Plan.

VENEZUELA

TERMS AND CONDITIONS

Investment Representation. As a condition of the grant of the Option, the Optionee acknowledges and agrees that any shares of Common Stock the Optionee may acquire upon exercise of the Option are acquired as and intended to be an investment rather than for the resale of the shares of Common Stock and conversion of such shares into foreign currency.

Exchange Control Information. Exchange control restrictions may limit the ability to exercise the Option or remit funds into Venezuela following the receipt of the cash payment upon the cashless exercise of the Option or cash proceeds from the sale of shares of Common Stock acquired under the Plan. The Optionee is responsible for complying with exchange control laws in Venezuela and neither the Company nor the Employer will be liable for any fines or penalties resulting from the Optionee's failure to comply with applicable laws. **MONDELÉZ INTERNATIONAL, INC.
AMENDED AND RESTATED 2005 PERFORMANCE INCENTIVE PLAN
(Amended and Restated as of February 3, 2017)**

**GLOBAL LONG-TERM INCENTIVE GRANT AGREEMENT
(2022-2024 Performance Cycle)**

MONDELÉZ INTERNATIONAL, INC., a Virginia corporation (the “Company”), hereby grants to the individual (the “Participant”) named in the Long-Term Incentive Grant Notice (the “Notice”) a Long-Term Incentive Grant (the “LTI Grant”) with respect to the Performance Cycle and Performance Goals set forth in the Notice, subject to the terms and provisions of the Notice, this Global Long-Term Incentive Grant Agreement, including any country-specific appendix (this “Agreement”) and the Mondelēz International, Inc. Amended and Restated 2005 Performance Incentive Plan, as amended from time to time (the “Plan”). Unless and until the Committee determines that an Award is payable with respect to the LTI Grant, in the manner set forth in paragraphs 4 or 5 hereof, the Participant shall have no right to payment based on the LTI Grant. Prior to payment of an Award based on the LTI Grant, the LTI Grant represents an unsecured obligation of the Company payable, if at all, from the general assets of the Company. All references to action of or approval by the Committee shall be deemed to include action of or approval by any other person(s) to whom the Committee has delegated authority to act.

The LTI Grant is subject to the following terms and conditions (including the country-specific terms set forth in Appendix A to this Agreement):

The Participant must either execute and deliver an acceptance of the terms set forth in this Agreement or electronically accept the terms set forth in this Agreement, in the manner and within a period specified by the Committee. The Committee may, in its sole discretion, cancel the LTI Grant if the Participant fails to accept this Agreement and related documents within the specified period or using the procedures for acceptance established by the Committee.

1. Definitions. For purposes of the Plan, the following terms shall have the meanings specified below, unless the context clearly indicates otherwise. The singular pronoun shall include the plural where the context so indicates. All capitalized terms used in this Agreement without definition shall have the same meaning as defined under the Plan and the Notice.

- (a) Affiliate. “Affiliate” means any entity that directly or indirectly through one or more intermediaries controls or is controlled by the Company, in each case, as determined by the Committee.
- (b) Disability. “Disability” means permanent and total disability as determined under procedures established by the Company for purposes of the Plan.
- (c) LTI Award Payout. “LTI Award Payout” means the number of shares of Common Stock (if the Award is settled in shares) or the amount (if the Award is settled in cash) in either case with the value determined as the product of (a) the LTI Grant Target multiplied by (b) the Performance Goal Attainment Factor (subject to the Committee’s discretion specified in paragraph 4(c)), and, in the case of a Participant who terminates employment before the last day of the Performance Cycle and is otherwise eligible for a pro rata payout in accordance with the terms of this Agreement, further multiplied by (c) the Participation Period Factor.
- (d) LTI Grant Target. “LTI Grant Target” means the target number of shares of Common Stock or amount set forth in the Notice.
- (e) Maximum Goal Factor. “Maximum Goal Factor” means the maximum percentage set forth in the Notice.

(f) Participation Period Factor. “Participation Period Factor” means a fraction, the numerator of which is the number of months (including partial months, rounded up to the next whole month) the Participant participates during the Performance Cycle and the denominator of which is the number of months in the Performance Cycle. The Committee, in its sole discretion, may adjust the Participation Period Factor.

(g) Performance Cycle. “Performance Cycle” means the performance period set forth in the Notice over which the attainment of the Performance Goals will be measured for the purpose of determining the LTI Award Payout.

(h) Performance Goal Attainment Factor. “Performance Goal Attainment Factor” means a percentage ranging from 0% to the Maximum Goal Factor representing the level at which the Performance Goals have been attained as determined by the Committee.

(i) Retirement. “Retirement” means, unless otherwise determined by the Committee, in its sole discretion, the termination of employment on or after either (i) the date the Participant is age 55 or older with at least ten (10) or more years of active continuous employment with the Mondelēz Group or (ii) the date the Participant is age 65 or older with at least five (5) or more years of active continuous employment with the Mondelēz Group.

2. Incorporation of Terms of Plan. The LTI Grant is subject to the terms and conditions of the Plan, which is incorporated herein by reference. In the event of any inconsistency between the Plan and this Agreement, the terms of the Plan shall control except as otherwise expressly set forth in this Agreement.

3. Vesting and Forfeiture.

(a) Vesting. Except as expressly provided in this Agreement, if the Committee determines that the Performance Goals for the Performance Cycle have been met and the other terms and conditions set forth in the Plan have been satisfied, an Award will be made to the Participant based on the Participant’s LTI Award Payout.

(b) Forfeiture. Unless determined otherwise by the Committee or except as expressly provided in this Agreement, if the Participant has not been continuously and actively employed with a member of the Mondelēz Group that employs the Participant (the “Employer”), from the date of the Notice through the last date of the Performance Cycle or if the Participant is not an employee in good standing with the Employer on the date of payment described in paragraph 4(a) hereof, the LTI Grant will be forfeited immediately and without any further action by the Company or the Committee. For purposes of the preceding sentence, the Participant will not be considered to be continuously and actively employed with the Employer once he or she has stopped providing services, notwithstanding any notice period mandated under the employment laws of the country where the Participant resides (*e.g.*, active employment would not include a period of “garden leave” or similar period pursuant to the employment laws of the country where the Participant resides), unless otherwise determined by the Company on a country-by-country basis. Unless otherwise determined by the Committee, a leave of absence shall not constitute a termination of continuous service. The Committee has the exclusive discretion to determine when a Participant is no longer actively employed for purposes of the LTI Grant, subject to compliance with Section 409A of the Code.

(i) Death/Disability. If the Participant dies or terminates active employment with the Mondelēz Group due to Disability, the vesting of the LTI Grant will occur on a pro rata basis calculated pursuant to paragraph 1(c) of this Agreement. The LTI Award Payout will be made to the Participant by using a Performance Goal Attainment Factor equal to 100%, subject to compliance with the payment timing provisions set forth in paragraph 4(a)(iii) hereof.

(ii) Retirement. If a Participant terminates active employment with the Mondelēz Group prior to the potential payment of an Award as a result of the Participant’s Retirement and the LTI Grant is not otherwise accounted for, or included in, the Participant’s severance or retirement arrangement with the Mondelēz Group and the Participant timely executes a general release and waiver of claims in a

form and manner determined by the Company in its sole discretion, then, unless otherwise determined by the Committee:

(A) if, on the Retirement date, the Participant is employed as a "Band F+" employee: (i) and, if the Retirement date occurs on or prior to the 90th day following the Grant Date, the LTI Grant will be forfeited immediately and without any further action by the Company or the Committee; (ii) and, if the Retirement date occurs on or after the 91st day following the Grant Date, the Participant shall remain eligible to receive a prorated LTI Award Payout (calculated pursuant to paragraph 1(c) of this Agreement) based on actual attainment of the Performance Goals, payable in accordance with the payment timing provisions set forth in paragraph 4(a)(iii) hereof.

(B) if, on the Retirement date, the Participant is employed as a "Band G", "Band H", or "Band I" employee: (i) and, if the Retirement date occurs on or prior to the 90th day following the Grant Date, the LTI Grant will be forfeited immediately and without any further action by the Company or the Committee; (ii) and, if the Retirement date occurs within the period commencing on the 91st day following the Grant Date and ending on the last day of the two (2)-year period following the start of the Performance Cycle, the Participant shall remain eligible to receive a prorated LTI Award Payout (calculated pursuant to paragraph 1(c) of this Agreement, provided that the Performance Goal Attainment Factor shall equal to 100%), payable in accordance with the payment timing provisions set forth in paragraph 4(a)(iii) hereof; (iii) and, if the Retirement date occurs after the end of the two-year period following the start of the Performance Cycle, the Participant shall remain eligible to receive a prorated LTI Award Payout (calculated pursuant to paragraph 1(c) of this Agreement) based on actual attainment of the Performance Goals, payable in accordance with the payment timing provisions set forth in paragraph 4(a)(iii) hereof.

For the purposes of this section 3(b), the prorated LTI Award Payout will be calculated by applying the Participant's Participation Period Factor as determined in the sole discretion of the Committee, subject to compliance with the payment timing provisions set forth in paragraph 4 hereof.

Notwithstanding the above, if the Committee receives an opinion of counsel that there has been a legal judgment and/or legal development in the Participant's jurisdiction that likely would result in the favorable treatment on Retirement described in this section that applies to the LTI Grant being deemed unlawful and/or discriminatory, then the Company will not apply the favorable Retirement treatment at the time of the termination and the LTI Grant will be treated as it would under the rules that apply if the Participant's employment is terminated for reasons other than Retirement, death or Disability.

4. Payment.

(a) Form and Time of Payment.

(i) Form of Payment. Subject to the terms of the Plan, the Notice and this Agreement, and except as otherwise expressly provided and subject to the terms of this Agreement (including Appendix A hereto), any Award that becomes payable in accordance with paragraph 3 hereof shall be paid in whole shares of Common Stock, which shall be issued in book-entry form, registered in the Participant's name. In the event the LTI Award Payout results in less than a whole number of shares of Common Stock, the LTI Award Payout shall be rounded up to the next whole share of Common Stock (no fractional shares of Common Stock shall be issued in payment of an Award).

(ii) Certification; Performance Goal Attainment Factor Determination. Following the completion of the Performance Cycle and, subject to paragraph 3(b)(i) and paragraph 5 hereof, prior to the payment of an Award, the Committee shall certify in writing whether the applicable Performance Goals were achieved for the Performance Cycle and shall determine the Performance Goal Attainment Factor with respect to the Award.

(iii) Payment Timing. Subject to the terms of this Agreement, including Section 22, the Award shall be paid as follows:

(A) The LTI Award Payout, including a payout upon a Participant's Retirement described under paragraph 3(b)(ii)(A) hereof or during the period described under paragraph 3(b)(ii)(B)(iii) hereof, shall be paid as soon as practicable between January 1 and March 15 of the calendar year immediately following or coinciding with the end of the Performance Cycle following the date the Committee determines that the Performance Goals for the Performance Cycle have been attained and determines an LTI Grant has vested and is payable for the Performance Cycle.

(B) An Award that becomes payable under paragraph 3(b)(i) hereof in connection with a Participant's death shall be paid within 75 days following the Participant's death.

(C) An Award that becomes payable in connection with the Participant's (i) Retirement during the period described under paragraph 3(b)(ii)(B)(ii) hereof or (ii) termination resulting from Disability as described under paragraph 3(b)(i), shall be paid within 75 days following such termination of employment or Disability, as applicable, provided that if the Participant is subject to taxation under the laws of the U.S., the Award is considered Deferred Compensation (as defined in Section 22 hereof) and is payable upon a termination resulting from Disability described in clause (ii) and the Disability experienced by the Participant does not constitute a "disability" within the meaning of Section 409A of the Code (in each case as determined by the Company in its sole discretion), then such payment shall be made in accordance with the payment timing described under paragraph 4(a)(iii)(A) hereof.

(b) Conditions to Payment of an Award. Notwithstanding any other provision of this Agreement (including without limitation paragraph 3(a) hereof):

(i) The Award shall not become payable to the Participant or his or her legal representative unless and until the Participant or his or her legal representative shall have satisfied all applicable withholding obligations for Tax-Related Items (as defined in paragraph 8 below), if any, in accordance with paragraph 8 hereof.

(ii) The Company shall not be required to issue or deliver any certificate or certificates (whether in electronic or other form) for any shares of Common Stock in payment of the Award prior to the fulfillment of all of the following conditions: (A) the admission of the Common Stock to listing on all stock exchanges on which the Common Stock is then listed, (B) the completion of any registration or other qualification of the Common Stock under any state or federal law or under rulings or regulations of the Commission or other governmental regulatory body, which the Committee shall, in its sole and absolute discretion, deem necessary and advisable, or if the offering of the Common Stock is not so registered, a determination by the Company that the issuance of the Common Stock would be exempt from any such registration or qualification requirements, (C) the obtaining of any approval or other clearance from any state, federal or foreign governmental agency that the Committee shall, in its absolute discretion, determine to be necessary or advisable and (D) the lapse of any such reasonable period of time following the date the Award becomes payable as the Committee may from time to time establish for reasons of administrative convenience, subject to compliance with Section 409A of the Code.

(c) Payment Amount. The Committee shall retain the right, in its sole discretion, to modify the Performance Goal Attainment Factors (resulting in a reduction, an increase or elimination (including to zero) of, the amount otherwise payable under the LTI Grant) to take into account recommendations of the Chief Executive Officer of the Company and/or such additional factors including qualitative factors, if any, that the Committee may deem relevant to the assessment of individual or corporate performance for the Performance Cycle.

5. Treatment Upon a Change in Control. In the event of a Change in Control (as defined in Section 6(b) of the Plan), the LTI Grant is subject to the terms provided in Section 6 of the Plan.

6. Restrictions and Covenants.

(a) In addition to such other conditions as may be established by the Company or the Committee, in consideration for making a Grant under the terms of the Plan, the Participant agrees and

covenants as follows for a period of twelve (12) months following the date of the Participant's termination of employment from the Mondelez Group:

1. to protect the Mondelez Group's legitimate business interests in its confidential information, trade secrets and goodwill, and to enable the Mondelez Group's ability to reserve these for the exclusive knowledge and use of the Mondelez Group, which is of great competitive importance and commercial value to the Mondelez Group, the Participant, without the express written permission of the Company's chief human resources officer, will not engage in any conduct in which the Participant contributes his/her knowledge and skills, directly or indirectly, in whole or in part, as an executive, employer, employee, owner, operator, manager, advisor, consultant, agent, partner, director, stockholder, officer, volunteer, intern or any other similar capacity to a competitor or to an entity engaged in the same or similar business as the Mondelez Group, including those engaged in the business of production, sale or marketing of snack foods (including, but not limited to gum, chocolate, confectionary products, biscuits or any other product or service the Participant has reason to know has been under development by the Mondelez Group during the Participant's employment with the Mondelez Group). The Participant will not engage in any activity that may require or inevitably require the Participant's use or disclosure of the Mondelez Group's confidential information, proprietary information and/or trade secrets;
2. to protect the Mondelez Group's investment in its employees and to ensure the long-term success of the business, the Participant, without the express written permission of the Company's chief human resources officer, will not directly or indirectly solicit, hire, recruit, attempt to hire or recruit, or induce the termination of employment of any employee of the Mondelez Group; and
3. to protect the Mondelez Group's investment in its development of goodwill and customers and to ensure the long-term success of the business, the Participant will not directly or indirectly solicit (including, but not limited to, e-mail, regular mail, express mail, telephone, fax, instant message, SMS text messaging and social media) or attempt to directly or indirectly solicit, contact or meet with the current or prospective customers of the Mondelez Group for the purpose of offering or accepting goods or services similar to or competitive with those offered by the Mondelez Group.

The provisions contained herein in paragraph 6 are not in lieu of, but are in addition to the continuing obligation of the Participant (which the Participant acknowledges by accepting any Grant under the Plan) to not use or disclose the Mondelez Group's trade secrets or Confidential Information known to the Participant until any particular trade secret or Confidential Information becomes generally known (through no fault of the Participant), whereupon the restriction on use and disclosure shall cease as to that item. For purposes of this agreement, "Confidential Information" includes, but is not limited to, certain sales, marketing, strategy, financial, product, personnel, manufacturing, technical and other proprietary information and material which are the property of the Mondelez Group. The Participant understands that this list is not exhaustive, and that Confidential Information also includes other information that is marked or otherwise identified as confidential or proprietary, or that would otherwise appear to a reasonable person to be confidential or proprietary in the context and circumstances in which the information is known or used.

(b) A main purpose of the Plan is to strengthen the alignment of long-term interests between participants and the Mondelez Group by providing an ownership interest in the Company, and to prevent former employees whose interests become adverse to the Company from maintaining that ownership interest. By acceptance of any Grant (including the LTI Grant) under the Plan, the Participant acknowledges and agrees that if the Participant breaches any of the covenants set forth in paragraph 6(a):

1. all unvested or unearned Grants (including any unearned portion of the LTI Grant) shall be immediately forfeited;

2. the Company may cancel, rescind, suspend, withhold or otherwise limit or restrict any unexpired, unpaid or deferred Grants at any time if the Participant is not in compliance with all terms and conditions set forth in the Plan and this Agreement including, but not limited to, paragraph 6(a);
3. the Participant shall repay to the Mondelez Group the net proceeds of any Plan benefit that occurs at any time after the earlier of the following two dates: (i) the date twelve (12) months immediately preceding any such violation; or (ii) the date six (6) months prior to the Participant's termination of employment with the Mondelez Group. The Participant shall repay to the Mondelez Group the net proceeds in such a manner and on such terms and conditions as may be required by the Mondelez Group, and the Mondelez Group shall be entitled to set-off against the amount of any such net proceeds any amount owed to the Participant by the Mondelez Group, in a way that is intended to avoid the application of penalties under Section 409A of the Code, if applicable, or other applicable law. For purposes of this paragraph, net proceeds shall mean the Fair Market Value of the shares of Common Stock less any Tax-Related Items; and
4. the Mondelez Group shall be entitled to seek, in addition to other available remedies, a temporary or permanent injunction or other equitable relief against such breach or threatened breach from any court of competent jurisdiction, without the necessity of showing any actual damages or that money damages would not afford an adequate remedy, and without the necessity of posting any bond or other security as the Participant acknowledges that such breach would cause the Mondelez Group to suffer irreparable harm. The aforementioned equitable relief shall be in addition to, not in lieu of, legal remedies, monetary damages or other available forms of relief.

(c) If any provision contained in this paragraph 6 shall for any reason, whether by application of existing law or law which may develop after the Participant's acceptance of a Grant under the Plan be determined by a court of competent jurisdiction to be overly broad as to scope of activity, duration or territory, the Participant agrees to join the Mondelez Group in requesting such court to construe such provision by limiting or reducing it so as to be enforceable to the extent compatible with then applicable law.

(d) Notwithstanding the foregoing, no section of this Agreement is intended to or shall limit, prevent, impede or interfere with the Participant's non-waivable right, without prior notice to the Company, to provide information to, participate in investigations by or testify in proceedings before any federal, state or local government subdivision or agency, including but not limited to the U.S. Equal Employment Opportunity Commission, the National Labor Relations Board, the Securities and Exchange Commission, the Occupational Safety and Health Administration, U.S. Department of Justice, the U.S. Congress, or any agency Inspector General, regarding the Mondelez Group's past or future conduct, or to engage in any activities protected under applicable whistleblower statutes, or to receive and fully retain a monetary award from a government-administered whistleblower award program for providing information directly to a government agency. The Participant does not need prior authorization from the Mondelez Group to make any such reports or disclosures and is not required to notify the Mondelez Group that the Participant has made such reports or disclosures.

(e) The Participant is hereby advised in writing to consult with an attorney before entering into the covenants outlined in this Section 6. The Participant acknowledges that prior to acceptance of this Agreement, the Participant has been advised by the Company of the Participant's right to seek independent advice from an attorney of the Participant's own selection regarding this Agreement, including the restraints imposed upon him or her pursuant to this Section 6. The Participant acknowledges that they have entered into this Agreement knowingly and voluntarily and with full knowledge and understanding of the provisions of this Agreement after being given the opportunity to consult with counsel. The Participant further represents that in entering into this Agreement, the Participant is not relying on any statements or representations made by any of the Company's directors, officers, employees or agents which are not expressly set forth herein, and that the Participant is relying only upon their own judgment and any advice provided by the Participant's attorney. The Participant acknowledges he or she has been provided at

minimum 14 calendar days to review the provisions contained herein but may voluntarily waive this period and sign prior to the 14 calendar day period lapsing.

(f) For purposes of this Section 6, the Company and any member of the Mondelēz Group shall be deemed to be third-party beneficiaries with the right to seek enforcement of any of the provisions of this Section 6. Further, for purposes of this Section 6, references to acting directly or indirectly include acting jointly with or through another person.

7. Clawback Policy/Forfeiture. The Participant understands and agrees that in the Committee's sole discretion, the Company may cancel all or part of the LTI Grant or require repayment by the Participant to the Company of all or part of any LTI Award Payout underlying any vested LTI Grant pursuant to any recovery, recoupment, clawback and/or other forfeiture policy maintained by the Company, including a violation of paragraph 6 above, from time to time. In addition, any payments or benefits the Participant may receive hereunder shall be subject to repayment or forfeiture as may be required to comply with the requirements under the U.S. Securities Act of 1933, as amended (the "Securities Act"), the Exchange Act, rules promulgated by the Commission or any other applicable law, including the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act, or any securities exchange on which the Common Stock is listed or traded, as may be in effect from time to time.

8. Withholding Taxes. The Participant acknowledges that regardless of any action taken by the Company or, if different, the Employer, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to the Participant's participation in the Plan and legally applicable to the Participant or deemed by the Company or the Employer, in their discretion, to be an appropriate charge to the Participant even if legally applicable to the Company or the Employer ("Tax-Related Items") is and remains his or her responsibility and may exceed the amount, if any, actually withheld by the Company or the Employer. The Participant further acknowledges that the Company and/or the Employer (a) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the LTI Grant, including the vesting or payment of any Award relating to the LTI Grant, the receipt of any dividends or cash payments in lieu of dividends, or the subsequent sale of shares of Common Stock; and (b) do not commit to and are under no obligation to structure the terms of the LTI Grant or any aspect of the Participant's participation in the Plan to reduce or eliminate his or her liability for Tax-Related Items or achieve any particular tax result. Further, if the Participant becomes subject to any Tax-Related Items in more than one jurisdiction, the Participant acknowledges that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for (including report) Tax-Related Items in more than one jurisdiction.

The Company is authorized to satisfy the withholding for any or all Tax-Related Items arising from the vesting or payment of any Award relating to the LTI Grant or sale of shares of Common Stock issued pursuant to the Award, as the case may be, by deducting the number of shares of Common Stock having an aggregate value equal to the amount of Tax-Related Items withholding due from the LTI Award Payout or otherwise becoming subject to current taxation. If the Company satisfies the Tax-Related Items obligation by withholding a number of shares of Common Stock as described herein, for tax purposes, the Participant will be deemed to have been issued the full number of shares of Common Stock due to the Participant at vesting, notwithstanding that a number of shares of Common Stock is held back solely for the purpose of such Tax-Related Items withholding.

The Company is also authorized to satisfy the actual Tax-Related Items arising from the vesting or payment of any Award relating to the LTI Grant, the sale of shares of Common Stock issued pursuant to the Award or hypothetical withholding tax amounts if the Participant is covered under a Company tax equalization policy, as the case may be, by the remittance of the required amounts from any proceeds realized upon the open-market sale of the Common Stock received by the Participant. Such open-market sale is on the Participant's behalf and at the Participant's direction pursuant to this authorization without further consent.

Furthermore, the Company and/or the Employer are authorized to satisfy any withholding obligations with regard to all Tax-Related Items arising from the vesting or payment of any Award relating to the LTI

Grant, or sale of shares issued pursuant to the Award, as the case may be, by withholding from the Participant's wages or other cash compensation paid to the Participant by the Company and/or the Employer. Shares of Common Stock deducted from the LTI Award Payout in satisfaction of any Tax-Related Items shall be valued at the Fair Market Value of the Common Stock received in payment of the Award on the date as of which the amount giving rise to the withholding requirement first became includible in the gross income of the Participant under applicable tax laws. If the Participant is covered by a Company tax equalization policy, the Participant also agrees to pay to the Company any additional hypothetical tax obligation calculated and paid under the terms and conditions of such tax equalization policy. Finally, the Participant shall pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold as a result of his or her participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Common Stock if the Participant fails to comply with his or her Tax-Related Items obligations.

If the Participant is subject to the short-swing profit rules of Section 16(b) of the Exchange Act, the Company will deduct the number of shares of Common Stock having an aggregate value equal to the amount of Tax-Related Items due from the LTI Award Payout, or the Committee may determine that a particular method be used to satisfy any Tax Related Items.

The Company may withhold or account for Tax-Related Items and any hypothetical taxes by considering statutory withholding rates or other applicable withholding rates in the Participant's jurisdiction(s), including minimum or maximum applicable withholding rates, in which case the Participant may receive a refund of any over-withheld amount in cash and will have no entitlement to the equivalent shares of Common Stock or, if not refunded, the Participant may be able to seek a refund from the applicable tax authorities. In the event of under-withholding, the Participant may be required to pay any additional Tax-Related Items directly to the applicable tax authority or to the Company and/or the Employer.

9. Nature of the Grant. By participating in the Plan and in exchange for receiving the LTI Grant, the Participant acknowledges, understands and agrees that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, to the extent permitted by the Plan;

(b) the LTI Grant is exceptional, voluntary and occasional and does not create any contractual or other right to receive future awards, or benefits in lieu of LTI Grants, even if LTI Grants have been made in the past;

(c) all decisions with respect to future LTI Grants, if any, will be at the sole discretion of the Committee;

(d) the Participant's participation in the Plan is voluntary;

(e) the LTI Grant and the shares of Common Stock, and the income and value of same, subject to the LTI Grant are not intended to replace any pension rights or compensation;

(f) the LTI Grant and the shares of Common Stock subject to the LTI Grant and the income and value of same, are not part of normal or expected compensation or salary for purposes of calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, holiday pay, bonuses, long-service awards, leave-related payments, pension, retirement or welfare benefits or similar mandatory payments;

(g) the future value of the underlying shares of Common Stock is unknown, indeterminable and cannot be predicted;

(h) unless otherwise agreed with the Company, the LTI Grant and the shares of Common Stock underlying the LTI Grant, and the income and value of same, are not granted as consideration for, or

in connection with, the service the Participant may provide as a director of any entity of the Mondelēz Group;

(i) the LTI Grant and the shares of Common Stock subject to the LTI Grant, and the income and value of same, are not part of normal or expected compensation or salary for any purpose;

(j) neither the Company, the Employer nor any other member of the Mondelēz Group shall be liable for any foreign exchange rate fluctuation between the Participant's local currency and the United States Dollar that may affect the value of the LTI Grant or any shares of Common Stock delivered to the Participant upon vesting of the LTI Grant or of any proceeds resulting from the Participant's sale of such shares; and

(k) no claim or entitlement to compensation or damages shall arise from forfeiture of the LTI Grant resulting from the failure to reach Performance Goals or termination of the Participant's employment or other service relationship by the Company or the Employer (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where the Participant is employed or the terms of his or her employment agreement, if any).

10. ***Data Privacy.*** ***The Participant hereby explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of the Participant's personal data as described in this Agreement and any other LTI Grant materials ("Data") by and among the Mondelēz Group for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan.***

The Participant understands that the Mondelēz Group may hold certain personal information about the Participant, including, but not limited to, the Participant's name, home address, email address and telephone number, date of birth, social security, passport or insurance number or other identification number (e.g., resident registration number), salary, nationality, job title, any shares of stock or directorships held in the Company, details of all LTI Grants or any other entitlement to shares of Common Stock or other equivalent benefits, awarded, canceled, purchased, exercised, vested, unvested or outstanding in the Participant's favor, for the purpose of implementing, administering and managing the Plan.

The Participant understands that Data will be transferred to UBS Financial Services, Inc. ("UBS"), or such other stock plan service provider as may be selected by the Company in the future, which is assisting the Company with the implementation, administration and management of the Plan. The Participant understands that Data may also be transferred to the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP, KPMG LLP or such other public accounting firm that may be engaged by the Company in the future. The Participant understands that the recipients of the Data may be located in the United States or elsewhere, and that the recipients' country (e.g., the United States) may have different data privacy laws and protections than the Participant's country. If the Participant resides outside the United States, the Participant understands that he or she may request a list with the names and addresses of any potential recipients of the Data by contacting his or her local human resources representative. The Participant authorizes the Company, UBS, PricewaterhouseCoopers LLP and any other possible recipients which may assist the Company (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing his or her participation in the Plan. The Participant understands that Data will be held only as long as is necessary to implement, administer and manage the Participant's participation in the Plan. If the Participant resides outside the United States, the Participant understands that he or she may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing his or her local human resources representative. Further, the Participant understands that the Participant is providing the consents herein on a purely voluntary basis. If the Participant does not consent, or if the Participant later seeks to revoke his or her consent, the Participant's employment status or service with the Employer will not be affected; the only consequence of refusing or withdrawing the Participant's

consent is that the Company would not be able to grant the Participant an LTI Grant or other equity awards or administer or maintain such Grants. The Participant also understands that the Company has no obligation to substitute other forms of Grants or compensation in lieu of the LTI Grant as a consequence of the Participant's refusal or withdrawal of his or her consent. Therefore, the Participant understands that refusing or withdrawing his or her consent may affect the Participant's ability to participate in the Plan. For more information on the consequences of the Participant's refusal to consent or withdrawal of consent, the Participant understands that he or she may contact the Participant's local human resources representative.

Further, upon request of the Company or the Employer, the Participant agrees to provide an executed data privacy form (or any other agreements or consents) that the Company and/or the Employer may deem necessary to obtain from the Participant for the purpose of administering his or her participation in the Plan in compliance with the data privacy laws in the Participant's country, either now or in the future. The Participant understands and agrees that he or she will not be able to participate in the Plan if the Participant fails to provide any such consent or agreement requested by the Company and/or the Employer.

11. Nontransferability of LTI Grant. The LTI Grant or the interests or rights therein may not be transferred in any manner other than by will or by the laws of descent and distribution applicable to the Participant, and may not be assigned, hypothecated or otherwise pledged and shall not be subject to execution, attachment or similar process. Upon any attempt to effect any such disposition, or upon the levy of any such process, in violation of the provisions herein, the LTI Grant shall immediately become null and void and any rights to receive a payment under the LTI Grant shall be forfeited.

12. Rights as Shareholder. Neither the Participant nor any person claiming under or through the Participant shall have any of the rights or privileges of a shareholder of the Company in respect of any shares of Common Stock issuable hereunder unless and until certificates representing such Common Stock (which may be in uncertificated form) will have been issued and recorded on the books and records of the Company or its transfer agents or registrars, and delivered to the Participant (including through electronic delivery to a brokerage account). After such issuance, recordation and delivery, the Participant shall have all the rights of a shareholder of the Company, including with respect to the right to vote the Common Stock and the right to receive any cash or share dividends or other distributions paid to or made with respect to the Common Stock. Notwithstanding the foregoing, in accordance with Section 9 of the Plan, the Company may pay dividend equivalents on the outstanding LTI Grant subject to such restrictions and conditions as the Committee may establish.

13. Adjustments. The Committee may make such adjustments to one or more of the Performance Goals, as well as the manner in which the LTI Award Payout is calculated, as the Committee in its sole discretion deems appropriate. The Participant shall be notified of such adjustment and such adjustment shall be binding upon the Company and the Participant.

14. NO GUARANTEE OF CONTINUED EMPLOYMENT. THE PARTICIPANT HEREBY ACKNOWLEDGES AND AGREES THAT THE VESTING OF THE LTI GRANT PURSUANT TO THE PROVISIONS OF THE PLAN AND THIS AGREEMENT IS EARNED ONLY IF THE PERFORMANCE GOALS ARE ATTAINED AND THE OTHER TERMS AND CONDITIONS SET FORTH IN THIS AGREEMENT AND THE PLAN ARE SATISFIED AND BY THE PARTICIPANT CONTINUING TO BE EMPLOYED (SUBJECT TO THE PROVISIONS OF PARAGRAPH 3(b) HEREOF) AT THE WILL OF THE EMPLOYER (AND NOT THROUGH THE ACT OF BEING EMPLOYED BY THE EMPLOYER, BEING GRANTED AN LTI GRANT, OR RECEIVING COMMON STOCK HEREUNDER). THE PARTICIPANT FURTHER ACKNOWLEDGES AND AGREES THAT THIS AGREEMENT, THE TRANSACTIONS CONTEMPLATED HEREUNDER AND THE RIGHT TO EARN A PAYMENT UNDER THE LTI GRANT SET FORTH HEREIN DO NOT CONSTITUTE AN EXPRESS OR IMPLIED PROMISE OF CONTINUED EMPLOYMENT DURING THE PERFORMANCE CYCLE, FOR ANY PERIOD, OR AT ALL, AND SHALL NOT INTERFERE WITH THE PARTICIPANT'S RIGHT OR THE RIGHT OF THE EMPLOYER TO TERMINATE THE PARTICIPANT'S EMPLOYMENT AT ANY TIME, WITH OR WITHOUT CAUSE AND IN ACCORDANCE WITH APPLICABLE EMPLOYMENT LAWS OF THE COUNTRY WHERE

THE PARTICIPANT RESIDES OR BE INTERPRETED AS FORMING AN EMPLOYMENT OR SERVICE CONTRACT WITH THE EMPLOYER.

15. Entire Agreement; Governing Law. The Notice, the Plan and this Agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and the Participant with respect to the subject matter hereof, and may not be modified adversely to the Participant's interest except as provided in the Notice, the Plan or this Agreement or by means of a writing signed by the Company and the Participant. Nothing in the Notice, the Plan and this Agreement (except as expressly provided therein) is intended to confer any rights or remedies on any persons other than the parties. The Notice, the Plan and this Agreement are to be construed in accordance with and governed by the substantive laws of the Commonwealth of Virginia, U.S.A., without giving effect to any choice of law rule that would cause the application of the laws of any jurisdiction other than the substantive laws of the Commonwealth of Virginia to the rights and duties of the parties. Unless otherwise provided in the Notice, the Plan or this Agreement, the Participant is deemed to submit to the exclusive jurisdiction of the Commonwealth of Virginia, U.S.A., and agrees that such litigation shall be conducted in the courts of Henrico County, Virginia, or the federal courts for the United States for the Eastern District of Virginia.

16. Conformity to Securities Laws. The Participant acknowledges that the Notice, the Plan and this Agreement are intended to conform to the extent necessary with all provisions of the Securities Act and the Exchange Act, and any and all regulations and rules promulgated thereunder by the Commission, including, without limitation, Rule 16b-3 under the Exchange Act. Notwithstanding anything herein to the contrary, the Notice, the Plan and this Agreement shall be administered, and the LTI Grant is made, only in such a manner as to conform to such laws, rules and regulations. To the extent permitted by applicable law, the Notice, the Plan and this Agreement shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

17. Administration and Interpretation. The terms and provisions of the Plan (a copy of which will be made available online or furnished to the Participant upon written request to the Corporate Secretary, Mondelez International, Inc., 905 West Fulton Market, Suite 200, Chicago, Illinois 60607, U.S.A.) are incorporated herein by reference. To the extent any provision in the Notice or this Agreement is inconsistent or in conflict with any term or provision of the Plan, the Plan shall govern except as otherwise expressly set forth in this Agreement. The LTI Grant, the vesting of the LTI Grant and any issuance of Common Stock upon payment of the LTI Grant are subject to, and shall be administered in accordance with, the provisions of the Plan, as the same may be amended from time to time. Any question or dispute regarding the administration or interpretation of the Notice, the Plan and this Agreement shall be submitted by the Participant or by the Company to the Committee. The resolution of such question or dispute by the Committee shall be final and binding on all persons.

18. Headings. The captions used in the Notice and this Agreement are inserted for convenience and shall not be deemed a part of the LTI Grant for construction or interpretation.

19. Notices. Any notice required or permitted hereunder shall be (i) given in writing and shall be deemed effectively given upon personal delivery, upon deposit for delivery by an internationally recognized express mail courier service or upon deposit in the United States mail by certified mail (if the parties are within the United States), with postage and fees prepaid, addressed to the other party at its address as shown in these instruments, or to such other address as such party may designate in writing from time to time to the other party or (ii) delivered electronically through the Company's electronic mail system (including any notices delivered by a third-party) and shall be deemed effectively given upon such delivery. Any documents required to be given or delivered to the Participant related to current or future participation in the Plan may also be delivered through electronic means as described in paragraph 26 below.

20. Successors and Assigns. The Company may assign any of its rights under this Agreement to single or multiple assignees, and this Agreement shall inure to the benefit of the successors and assigns of the Company. Subject to the restrictions on transfer herein set forth, this Agreement shall be binding upon the Participant and his or her heirs, executors, administrators, successors and assigns.

21. Severability. Whenever feasible, each provision of the Notice, this Agreement and the Plan shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision in the Notice, the Plan or this Agreement is held to be prohibited by or invalid under applicable law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of the Notice, the Plan or this Agreement.

22. Code Section 409A. This LTI Grant is intended to be exempt from, or otherwise comply with, Section 409A of the Code and shall be interpreted, operated and administered in a manner consistent with such intent. The Company reserves the right, to amend or modify this Agreement at any time, without the consent of the Participant or any other party, to avoid the application of Section 409A of the Code in a particular circumstance or that is necessary or desirable to satisfy any of the requirements under Section 409A of the Code, but the Company shall not be under any obligation to make any such amendment. Nothing in the Agreement or the Plan shall provide a basis for any person to take action against the Mondelez Group based on matters covered by Section 409A of the Code, including the tax treatment of any amount paid under the LTI Grant made hereunder, and Mondelez Group shall not under any circumstances have any liability to any participant or his estate or any other party for any taxes, penalties or interest due on amounts paid or payable under this Agreement, including taxes, penalties or interest imposed under Section 409A of the Code.

Notwithstanding anything to the contrary in the Agreement, if the Award is considered nonqualified deferred compensation subject to Section 409A of the Code (“Deferred Compensation”) and is settled on or on a date that is by reference to the Participant’s “separation from service” and the Participant is a “specified employee” (each within the meaning of Section 409A of the Code and each determined by the Company in its sole discretion) on the date the Participant experiences a separation from service, then the Award (or applicable portion thereof) shall be settled on the first business day of the seventh month following the Participant’s separation from service, or, if earlier, on the date of the Participant’s death, to the extent such delayed payment is required in order to avoid a prohibited distribution under Section 409A of the Code.

23. No Advice Regarding LTI Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Participant’s participation in the Plan or the Participant’s acquisition or sale of any shares of Common Stock issued in payment of the LTI Grant. The Participant understands and agrees that the Participant should consult with his or her own personal tax, legal and financial advisors regarding the Participant’s participation in the Plan before taking any action related to the Plan.

24. Language. The Participant acknowledges that he or she is sufficiently proficient in English, or, alternatively, the Participant acknowledges that he or she will seek appropriate assistance, to understand the terms and conditions in the Agreement. Furthermore, if the Participant has received this Agreement or any other document related to the Plan translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.

25. Appendix. Notwithstanding any provisions in this Agreement, the LTI Grant shall be subject to any terms and conditions set forth in Appendix A to this Agreement for the Participant’s country. Moreover, if the Participant relocates to one of the countries included in Appendix A, the terms and conditions for such country will apply to the Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. Appendix A constitutes part of this Agreement.

26. Electronic Delivery and Acceptance. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through any on-line or electronic system established and maintained by the Company or a third party designated by the Company.

27. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Participant’s participation in the Plan or on the LTI Grant and on any shares of Common Stock

issued in payment of the LTI Grant, to the extent the Company determines it is necessary or advisable for legal or administrative reasons and to require the Participant to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

28. Insider Trading/Market Abuse Laws. The Participant may be subject to insider trading and/or market abuse laws, which affect the Participant's ability to accept, acquire, sell or otherwise dispose of shares of Common Stock, rights to such shares (*e.g.*, the LTI Grant) or rights linked to the value of shares of Common Stock under the Plan during such times as the Participant is considered to have "material nonpublic information" or "insider information" regarding the Company (as defined by the laws or regulations in the relevant jurisdictions). Local insider trading laws and regulations may prohibit the cancellation or amendment of orders the Participant places before the Participant possessed inside information. Furthermore, the Participant could be prohibited from (i) disclosing inside information to any third party, including fellow employees (other than on a "need to know" basis) and (ii) "tipping" third parties or causing them otherwise to buy or sell Company securities. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under the Company's insider trading policy, and the requirements of applicable laws may or may not be consistent with the terms of the Company's insider trading policy. The Participant acknowledges that it is his or her responsibility to be compliant with any applicable restrictions, and that the Participant should speak to his or her personal advisor on this matter.

29. Exchange Control, Tax and Foreign Asset/Account Reporting Requirements. The Participant acknowledges that there may be exchange control, tax, foreign asset and/or account reporting requirements which may affect the Participant's ability to acquire or hold shares of Common Stock acquired under the Plan or cash received from participating in the Plan (including from any dividends paid on shares of Common Stock acquired under the Plan) in a brokerage, bank account or legal entity outside the Participant's country. The Participant may be required to report such accounts, balances, assets and/or the related transactions to the tax or other authorities in his or her country. The Participant also may be required to repatriate sale proceeds or other funds received as a result of the Participant's participation in the Plan to his or her country through a designated bank or broker within a certain time after receipt. The Participant acknowledges that it is the Participant's responsibility to be compliant with such regulations, and the Participant understands and agrees that the Participant should consult his or her personal legal advisor for any details.

30. Waiver. The Participant acknowledges that a waiver by the Company of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any other provision of this Agreement or of any subsequent breach by the Participant or any other participant of the Plan.

The Participant acknowledges that the Participant has reviewed the Plan, the Notice and this Agreement (including any appendices hereto) in their entirety and fully understands their respective provisions. The Participant agrees to accept as binding, conclusive and final all decisions or interpretations of the Committee upon any questions arising under the Plan, the Notice or this Agreement.

IN WITNESS WHEREOF, this Agreement has been executed as of the date of the Notice.

APPENDIX A

**MONDELÉZ INTERNATIONAL, INC.
AMENDED AND RESTATED 2005 PERFORMANCE INCENTIVE PLAN
(Amended and Restated as of February 3, 2017)**

**ADDITIONAL TERMS AND CONDITIONS OF THE
GLOBAL LONG-TERM INCENTIVE GRANT AGREEMENT**

This Appendix A includes additional terms and conditions that govern the LTI Grant to the Participant under the Plan if he or she resides and/or works in one of the countries listed herein. If the Participant is a citizen or resident (or is considered as such for local law purposes) of a country other than the country in which the Participant is currently residing and/or working, or if the Participant transfers to another country after receiving the LTI Grant, the Company shall, in its discretion, determine to what extent the terms and conditions contained herein shall be applicable to the Participant. Certain capitalized terms used but not defined in this Appendix A have the meanings set forth in the Plan and/or the Agreement.

This Appendix A also includes information regarding securities, exchange control and certain other issues of which the Participant should be aware with respect to participation in the Plan. The information is based on the securities, exchange control and other laws in effect in the respective countries as of January 2022. Such laws are often complex and change frequently. As a result, the Participant should not rely on the information in this Appendix A as the only source of information relating to the consequences of his or her participation in the Plan because the information may be out of date at the time the Participant vests in the LTI Grant or sells shares of Common Stock acquired under the Plan.

In addition, the information contained herein is general in nature and may not apply to the Participant's particular situation, and the Company is not in a position to assure the Participant of a particular result. Accordingly, the Participant should seek appropriate professional advice as to how the relevant laws in his or her country may apply to the Participant's situation.

Finally, if the Participant is a citizen or resident of a country other than the one in which the Participant is currently working, transfers employment after the LTI Grant is made, or is considered a resident of another country for local law purposes, the information contained herein may not be applicable to the Participant in the same manner.

EUROPEAN UNION / EUROPEAN ECONOMIC AREA, SWITZERLAND AND THE UNITED KINGDOM

TERMS AND CONDITIONS

Data Privacy Notice. The following provision replaces in its entirety paragraph 10 of the Agreement:

If the Participant is based in the European Union (“EU”), the European Economic Area, Switzerland or the United Kingdom, the Participant should note that Mondelēz International, Inc., with registered address at 905 West Fulton Market, Suite 200, Chicago, Illinois 60607, U.S.A. is the controller responsible for the processing of the Participant's Personal Data (as defined below) in connection with the Agreement and the Plan.

Data Collection and Usage. Pursuant to applicable data protection laws, the Participant is hereby notified that the Company collects, processes and uses the following types of personal data about the Participant: name, home address and telephone number, email address, date of birth, social insurance, passport number or other identification number, salary, nationality, job title, any shares of stock or directorships held in any entity in the Mondelēz Group, details of all LTI Grants or any other entitlement to shares awarded, canceled, settled, vested, unvested or outstanding in the Participant's favor, which the Company receives from the Participant or the Employer (“Personal Data”) for the exclusive legitimate purpose of the LTI Grant and implementing, administering and managing the Participant's participation in the Plan.

Purposes and Legal Bases of Processing. The legal basis for the processing of the Personal Data by the Company is the necessity of the data processing for the Company to perform its contractual obligations under the Agreement and for the Company's legitimate business interests of managing the Plan and generally administering Participant equity awards. The Participant understands that providing the Company with Personal Data is necessary for the performance of the Agreement and that the Participant's refusal to provide Personal Data would make it impossible for the Company to perform its contractual obligations and may affect the Participant's ability to participate in the Plan.

International Data Transfers. The Company is located in the United States which means that it will be necessary for Personal Data to be transferred to, and processed in, the United States. The Participant understands and acknowledges that the United States is not subject to an unlimited adequacy finding by the European Commission and that the Participant's Personal Data may not have an equivalent level of protection as compared to the Participant's country of residence. To provide appropriate safeguards for the protection of the Participant's Personal Data, the Personal Data is transferred to the Company based on data transfer and processing agreements implementing the EU Standard Contractual Clauses. Further, the Participant understands that the Company transfers his or her Personal Data, or parts thereof to third parties based on agreements implementing the EU Standard Contractual Clauses. These third parties include UBS Financial Services, Inc. (“UBS”), an independent service provider based in the United States which assists the Company with the implementation, administration and management of the Plan. UBS has opened or will open an account for the Participant to receive and trade shares of Common Stock acquired under the Plan. The Participant understands that Personal Data may also be transferred to the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP, KPMG LLP or such other public accounting firm that may be engaged by the Company. In the future, the Company may select a different service provider or other service providers and share the Personal Data with such other provider(s) serving the Company in a similar manner. The Participant may be asked to agree on separate terms and data processing practices with UBS, PricewaterhouseCoopers LLP or KPMG LLP with such agreement being a condition to the Participant's ability to participate in the Plan.

The Participant may request a copy of the safeguards used to protect his or her Personal Data or the names and addresses of any potential recipients of Personal Data by contacting the Company at: DataProtectionOfficeMEU@mdlz.com.

Data Retention. The Company will use the Personal Data only as long as necessary to implement, administer and manage the Participant's participation in the Plan, or as required to comply with legal or regulatory obligations, including tax and securities laws. When the Company no longer needs the Personal Data, the Company will remove it from its systems. If the Company keeps data longer, it would

be to satisfy legal or regulatory obligations and the Company's legal basis would be relevant laws or regulations.

Data Subject Rights. To the extent provided by law, the Participant has the right to (i) inquire whether and what kind of Personal Data the Company holds about the Participant and how it is processed, and to access or request copies of such Personal Data, (ii) request the correction or supplementation of Personal Data that is inaccurate, incomplete or out-of-date in light of the purposes underlying the processing, (iii) obtain the erasure of Personal Data no longer necessary for the purposes underlying the processing or processed in non-compliance with applicable legal requirements, (iv) request the Company to restrict the processing of Personal Data in certain situations where the Participant feels its processing is inappropriate, (v) object, in certain circumstances, to the processing of Personal Data for legitimate interests, (vi) request portability of Personal Data that the Participant has actively or passively provided to the Company, where the processing of such Personal Data is based on consent or a contractual agreement with the Participant and is carried out by automated means, or (vii) lodge a complaint with the competent local data protection authority. To receive additional information regarding the Participant's rights, raise any other questions regarding the practices described in the Agreement or to exercise his or her rights, the Participant should contact the Company at: DataProtectionOfficeMEU@mdlz.com.

Further, the Employer is under no obligation to seek or obtain the approval of its shareholders in general meeting for the purpose of overcoming any such limitation or restriction.

NOTIFICATIONS

Exchange Control Information. Exchange control reporting is required for cash transactions exceeding AUD10,000 and for international fund transfers. If an Australian bank is assisting with the transaction, the bank will file the report on the Participant’s behalf, otherwise the Participant will be responsible for complying with any exchange control reporting requirements.

The issuance of shares of Common Stock pursuant to the LTI Grant described herein has not and will not be registered in Bahrain and hence, the shares of Common Stock described herein may not be admitted or used for offering, placement or public circulation in Bahrain. Accordingly, the Participant may not make any public advertising or announcements regarding the LTI Grant or shares of Common Stock in Bahrain, promote these shares of Common Stock to legal entities or individuals in Bahrain, or sell shares of Common Stock directly to other legal entities or individuals in Bahrain. CANADA

TERMS AND CONDITIONS

Form of Payment. LTI Grants to employees resident in Canada shall be paid in shares of Common Stock only.

Termination of Employment. The following provision supplements paragraph 3(b) of the Agreement:

Except as expressly required by applicable legislation, the Participant's employment with the Mondelēz Group shall be deemed to be terminated and vesting for the LTI Grant will terminate effective as of the date that is the earliest of: (1) the date the Participant's employment with the Mondelēz Group is terminated, or (2) the date the Participant receives notice of termination of employment from the Mondelēz Group; regardless of the reason for such termination and whether or not later found to be invalid or in breach of any applicable law, including Canadian provincial employment law (including but not limited to statutory law, regulatory law and/or common law) or the terms of the Participant's employment or service agreement, if any. The Committee shall have the exclusive discretion to determine when the Participant is no longer actively employed or providing services and the termination date for purposes of the Agreement.

Notwithstanding the foregoing, if applicable employment standards legislation explicitly requires continued entitlement to vesting during a statutory notice period, the Participant's right to vest in the LTI Grants under the Plan, if any, will terminate effective as of the last day of the Participant's minimum statutory notice period. The Participant will not earn or be entitled to pro-rated vesting for that portion of time before the date on which the Participant's right to vest terminates or if the vesting date falls after the end of the Participant's statutory notice period, nor will the Participant be entitled to any compensation for lost vesting.

The following provisions apply for Participants resident in Quebec:

Data Privacy. The following provision supplements paragraph 10 of the Agreement:

The Participant hereby authorizes the Company and the Company's representatives to discuss with and obtain all relevant information from all personnel, professional or not, involved in the administration and operation of the Plan. The Participant further authorizes the Mondelēz Group and the administrator of the Plan to disclose and discuss the Plan with their advisors. The Participant further authorizes the Mondelēz Group to record such information and to keep such information in his or her employee file.

Language Consent. The parties acknowledge that it is their express wish that the Agreement, including this Appendix A, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English.

Consentement relatif à la langue utilisée. Les parties reconnaissent avoir exigé la rédaction en anglais de cette convention, ainsi que de tous documents, avis et procédures judiciaires, exécutés, donnés ou intentés en vertu de, ou liés directement ou indirectement à, la présente convention.

NOTIFICATIONS

Securities Law Information. The Participant is permitted to sell shares of Common Stock acquired under the Plan through the designated broker appointed under the Plan, if any, provided that the sale of such shares takes place outside Canada through the facilities of a stock exchange on which the shares of Common Stock are listed (*i.e.*, the Nasdaq Global Select Market).

Foreign Asset/Account Reporting Information. The Participant is required to report any specified foreign property annually on Form T1135 (Foreign Income Verification Statement) if the total cost of the Participant's specified foreign property exceeds C\$100,000 at any time during the year. The form must be filed by April 30th of the following year. Specified foreign property includes shares of Common Stock acquired under the Plan and may include the LTI Grant. The LTI Grant must be reported--generally at a nil cost--if the \$100,000 cost threshold is exceeded because of other specified foreign property the Participant holds. If shares of Common Stock are acquired, their cost generally is the adjusted cost base ("ACB") of the shares of Common Stock. The ACB would normally equal the fair market value of the shares of Company Common Stock at vesting for the LTI Grant, but if the Participant owns other shares of Common Stock, this ACB may have to be averaged with the ACB of the other shares of Common Stock owned by the Participant. It is the Participant's responsibility to comply with applicable reporting obligations.

CHILE

NOTIFICATIONS

Securities Law Information. The LTI Grant constitutes a private offering of securities in Chile effective as of the Grant Date. The LTI Grant is made subject to general ruling N° 336 of the Chilean Superintendence of Securities and Insurance ("SVS"). CHINA

TERMS AND CONDITIONS

The following provisions apply to Participants who are exclusively citizens of the People's Republic of China and who reside in mainland China, and Participants who are otherwise subject to exchange control restrictions applicable to employee stock plans in China, as determined by the Company in its sole discretion.

Time and Form of Payment. Due to legal restrictions in China, the LTI Award Payout may be made to the Participant in cash, rather than shares of Common Stock as stated in paragraph 4(a) of the Agreement. If shares of Common Stock are issued upon payment of the LTI Grant, in the Company's sole discretion, the shares may be required to be immediately sold. Thus, as a condition of the LTI Grant, the Participant agrees to the immediate sale of any shares of Common Stock issued to Participant upon payment and settlement of the LTI Grant. The Participant further agrees that the Company is authorized to instruct its designated broker to assist with any mandatory sale of such shares of Common Stock (on the Participant's behalf pursuant to this authorization) and the Participant expressly authorizes the Company's designated broker to complete the sale of such shares. Upon any such sale of the shares, the proceeds, less any Tax-Related Items and broker's fees or commissions, will be remitted to the Participant in accordance with any applicable exchange control laws and regulations.

In the event that the Participant is not required to sell shares of Common Stock immediately upon payment of the LTI Grant, any shares of Common Stock issued to the Participant must be maintained in an account with UBS Financial Services, Inc. or such other broker as may be designated by the Company until the shares of Common Stock are sold through that broker. If the Company changes its designated broker, the Participant acknowledges and agrees that the Company may transfer any shares of Common Stock issued under the Plan to the new designated broker if necessary for legal or administrative reasons. The Participant agrees to sign any documentation necessary to facilitate the transfer. In addition, the Participant acknowledges and agrees that he or she must sell any shares of Common Stock issued as soon as practicable following the termination of the Participant's employment or other service relationship with the Mondelez Group and in no event later than six (6) months following the termination of the Participant's employment or other service relationship with the Mondelez Group, or within any other such time frame the Company determines to be necessary or advisable to comply with local requirements.

Exchange Control Restrictions. The Participant understands and agrees that, due to exchange control laws in China, he or she will be required to immediately repatriate to China the cash proceeds from the sale of shares of Common Stock acquired under the LTI Grant. The Participant further understands that, under local law, such repatriation of the cash proceeds will be effected through a special exchange control account established by a member of the Mondelez Group and the Participant hereby consents and agrees that any cash proceeds received in connection with the Plan will be transferred to such special account prior to being delivered to him or her. The proceeds may be paid in U.S. dollars or local currency at the Company's discretion. If the proceeds are paid in U.S. dollars, the Participant acknowledges that he or she will be required to set up a U.S. dollar bank account in China so that the proceeds may be delivered to this account. If the proceeds are converted to local currency, the Participant acknowledges that the Mondelez Group is under no obligation to secure any currency conversion rate, and may face delays in converting the proceeds to local currency due to exchange control restrictions in China. The Participant agrees to bear any currency fluctuation risk between the date the shares of Common Stock acquired from the LTI Grant are sold and the time that (i) the Tax-Related Items are converted to local currency and remitted to the tax authorities and (ii) net proceeds are converted to local currency and distributed to the Participant. The Participant acknowledges that the Mondelez Group will not be held liable for any delay in delivering the proceeds to the Participant. The Participant agrees to sign any agreements, forms and/or consents that may be requested by the Company or the Company's designated broker to effectuate any of the remittances, transfers, conversions or other processes affecting the proceeds.

The Participant further agrees to comply with any other requirements that may be imposed by the Company in the future in order to facilitate compliance with exchange control requirements in China. For shares issued under the Plan, these additional requirements may include, but are not limited to, a requirement to maintain any shares of Common Stock acquired under the Plan in an account with a Company-designated broker and/or to sell any shares of Common Stock that the Participant receives

immediately upon issuance (as described above) or upon termination of the Participant's service with the Mondelez Group.

Securities Law Information. The usual rules do not apply to this offer because it is made under an employee share purchase scheme. As a result, the Participant may not be given all the information usually required. The Participant will also have fewer other legal protections for this investment.

The Participant understands that he or she should ask questions, read all documents carefully, and seek independent financial advice before participating in the Plan.

SPAIN

TERMS AND CONDITIONS

Nature of Grant. The following provision supplements paragraph 9 of the Agreement:

In accepting the LTI Grant, the Participant consents to participation in the Plan and acknowledges that he or she has received a copy of the Plan.

The Participant understands and agrees that, as a condition of the grant of the LTI Grant, except as provided for in paragraph 3 of the Agreement, the termination of the Participant's employment for any reason (including for the reasons listed below) will automatically result in the loss of the LTI Grant that may have been granted to the Participant and that have not vested on the date of termination.

In particular, the Participant understands and agrees that any unvested LTI Grants as of Participant's termination date will be forfeited without entitlement to the underlying shares of Common Stock or to any amount as indemnification in the event of a termination by reason of, including, but not limited to: resignation, disciplinary dismissal adjudged to be with cause, disciplinary dismissal adjudged or recognized to be without good cause (*i.e.*, subject to a "*despido improcedente*"), individual or collective layoff on objective grounds, whether adjudged to be with cause or adjudged or recognized to be without cause, material modification of the terms of employment under Article 41 of the Workers' Statute, relocation under Article 40 of the Workers' Statute, Article 50 of the Workers' Statute, unilateral withdrawal by the Employer, and under Article 10.3 of Royal Decree 1382/1985.

Furthermore, the Participant understands that the Company has unilaterally, gratuitously and discretionally decided to make the LTI Grant under the Plan to individuals who may be Participants of the Mondelēz Group. The decision is a limited decision that is entered into upon the express assumption and condition that any LTI Grant will not economically or otherwise bind the Mondelēz Group on an ongoing basis other than to the extent set forth in the Agreement. Consequently, the Participant understands that the LTI Grant is made on the assumption and condition that the LTI Grant and the shares of Common Stock issued shall not become a part of any employment or contract (with the Mondelēz Group, including the Employer) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. Furthermore, the Participant understands and freely accepts that there is no guarantee that any benefit whatsoever will arise from the LTI Grant, which is gratuitous and discretionary, since the future value of the underlying shares of Common Stock is unknown and unpredictable. In addition, the Participant understands that the LTI Grant would not be made to the Participant but for the assumptions and conditions referred to above; thus, the Participant acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, then the LTI Grant made to the Participant shall be null and void.

UNITED KINGDOM ("U.K.")

TERMS AND CONDITIONS

Retirement. The following provision replaces paragraph 1(j) of the Agreement:

Retirement. "Retirement" means, unless otherwise determined by the Committee in its sole discretion, retirement from active employment under a pension plan of the Mondelez Group, an employment contract with any member of the Mondelez Group, or a local labor contract, on or after the date specified as normal retirement age in the pension plan or employment contract, if any, under which the Participant is at that time accruing pension benefits for his or her current service (or, in the absence of a specified normal retirement age, the age at which pension benefits under such plan or contract become payable without reduction for early commencement and without any requirement of a particular period of prior service).

Withholding Taxes. The following provision supplements paragraph 8 of the Agreement:

Without limitation to paragraph 8 of the Agreement, the Participant hereby agrees that he or she is liable for all Tax-Related Items and hereby covenants to pay all such Tax-Related Items, as and when requested by the Company or the Employer, as applicable, or by Her Majesty's Revenue & Customs ("HMRC") (or any other tax authority or any other relevant authority). The Participant also hereby agrees to indemnify and keep indemnified the Company and the Employer, as applicable, against any Tax-Related Items that they are required to pay or withhold or have paid or will pay on the Participant's behalf to HMRC (or any other tax authority or any other relevant authority).

Notwithstanding the foregoing, if the Participant is a director or executive officer of the Company (within the meaning of Section 13(k) of the U.S. Securities Exchange Act), the Participant understands that he or she may not be able to indemnify the Company for the amount of any Tax-Related Items not collected from or paid by the Participant, in case the indemnification could be considered to be a loan. In this case, the Tax-Related Items not collected or paid may constitute a benefit to the Participant on which additional income tax and National Insurance Contributions ("NICs") may be payable. The Participant understands that he or she will be responsible for reporting and paying any income tax due on this additional benefit directly to HMRC under the self-assessment regime and for paying to the Company and/or the Employer (as appropriate) the amount of any NICs due on this additional benefit, which may also be recovered from the Participant by any of the means referred to in paragraph 8 of the Agreement.

In addition, the Participant agrees that the Company and/or the Employer may calculate the Tax-Related Items to be withheld and accounted for by reference to the maximum applicable rates, without prejudice to any right the Participant may have to recover any overpayment from the relevant tax authorities.

**MONDELÉZ INTERNATIONAL, INC.
AMENDED AND RESTATED 2005 PERFORMANCE INCENTIVE PLAN
(Amended and Restated as of February 3, 2017)**

GLOBAL DEFERRED STOCK UNIT AGREEMENT

MONDELÉZ INTERNATIONAL, INC., a Virginia corporation (the “Company”), hereby grants to the employee (the “Employee”) named in the award statement provided to the Employee (the “Award Statement”) as of the date set forth in the Award Statement (the “Grant Date”) pursuant to the provisions of the Mondelēz International, Inc. Amended and Restated 2005 Performance Incentive Plan, as amended from time to time (the “Plan”), Deferred Stock Units (the “Grant”) representing a right to receive a corresponding number of shares of Common Stock of the Company set forth in the Award Statement, upon and subject to the restrictions, terms and conditions set forth below (including the country-specific terms set forth in the attached Appendix A), in the Award Statement and in the Plan. Capitalized terms not otherwise defined in this Global Deferred Stock Unit Agreement (this “Agreement”) shall have the same meaning as defined under the Plan. All references to action of or approval by the Committee shall be deemed to include action of or approval by any other person(s) to whom the Committee has delegated authority to act.

The Grant is subject to the following terms and conditions (including the country-specific terms set forth in Appendix A to this Agreement):

The Employee must either execute and deliver an acceptance of the terms set forth in this Agreement or electronically accept the terms set forth in this Agreement, in the manner and within a period specified by the Committee. The Committee may, in its sole discretion, cancel the Deferred Stock Units if the Employee fails to accept this Agreement and related documents within the specified period or using the procedures for acceptance established by the Committee.

1. **Restrictions.** Except as expressly provided in this Agreement, the restrictions on the Deferred Stock Units shall lapse and the Deferred Stock Units shall vest on the Vesting Date shown in the Award Statement (the “Vesting Date”), provided that the Employee remains an active employee of the Mondelēz Group during the entire period commencing on the Grant Date and ending on the Vesting Date.

2. **Termination of Employment Before Vesting Date.** Unless determined otherwise by the Committee or except as expressly provided in this Agreement, if the Employee terminated employment with the Mondelēz Group prior to the Vesting Date, the Employee shall forfeit all rights to the Deferred Stock Units and the shares of Common Stock underlying the Deferred Stock Units. If the Employee terminates employment with the Mondelēz Group prior to the Vesting Date due to:

(a) the Employee’s death or Disability (as defined below in paragraph 21), the restrictions on the Deferred Stock Units shall lapse and the Deferred Stock Units shall become fully vested on the date of the Employee’s death or termination due to Disability; or

(b) the Employee’s Retirement (as defined below in paragraph 21), or as otherwise determined by the Committee, and provided that (i) the Deferred Stock Units are not otherwise accounted for, or included in, the Employee’s severance or retirement arrangement with the Mondelēz Group; (ii) the Employee timely executes a general release and waiver of claims in a form and manner determined by the Company in its sole discretion; and (iii) the Retirement date occurs on or after the 91st day following the Grant Date, then the Deferred Stock Units will vest on a pro-rata basis. The proration amount will be a fraction, the numerator of which is the number of months (excluding the month of the Grant Date and including partial months thereafter, rounded up to the next whole month) the Employee was actively employed by the Mondelēz Group during the vesting period and the denominator of which is the total number of months in the vesting period. For clarity, in the event any of (i), (ii) or (iii) of this subsection 2(b) are not met then, unless determined otherwise by the Committee, the Employee shall forfeit all rights to the Deferred Stock Units and the shares of Common Stock underlying the Deferred Stock Units.

For purposes of this Agreement, the Employee's employment shall be deemed to be terminated when he or she is no longer actively employed by the Mondelez Group (regardless of the reason for such termination and whether or not later found to be invalid or in breach of employment laws in the jurisdiction where the Employee is employed or the terms of the Employee's employment agreement, if any). The Employee shall not be considered actively employed during any period for which he or she is receiving, or is eligible to receive, salary continuation, notice period or garden leave payments, or other comparable benefits or through other such arrangements that may be entered into that give rise to separation or notice pay. The Committee shall have the exclusive discretion to determine when the Employee is no longer actively employed for purposes of the Deferred Stock Units. Unless otherwise determined by the Committee, leaves of absence shall not constitute a termination of employment for purposes of this Agreement.

3. Voting and Dividend Rights. The Employee does not have the right to vote the Deferred Stock Units or receive dividends or dividend equivalents prior to the date, if any, such Deferred Stock Units vest and are paid to the Employee in the form of Common Stock pursuant to the terms hereof. However, the Employee shall receive cash payments (less applicable Tax-Related Items (as defined below)) in lieu of dividends otherwise payable with respect to shares of Common Stock equal in number to the unpaid Deferred Stock Units that have not been forfeited, as such dividends are paid.

4. Transfer Restrictions. This Grant and the Deferred Stock Units are non-transferable and may not be assigned, hypothecated or otherwise pledged and shall not be subject to execution, attachment or similar process. Upon any attempt to effect any such disposition, or upon the levy of any such process, the Grant shall immediately become null and void and the Deferred Stock Units shall be forfeited. These restrictions shall not apply, however, to any payments received pursuant to paragraph 7 below.

5. Withholding Taxes. The Employee acknowledges that regardless of any action taken by the Company or, if different, the Employee's employer (the "Employer"), the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to the Employee's participation in the Plan and legally applicable to the Employee or deemed by the Company or the Employer, in their discretion, to be an appropriate charge to the Employee even if legally applicable to the Company or the Employer ("Tax-Related Items") is and remains his or her responsibility and may exceed the amount, if any, actually withheld by the Company or the Employer. The Employee further acknowledges that the Company and/or the Employer (a) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Deferred Stock Units, including the grant, vesting or settlement of the Deferred Stock Units, the receipt of any dividends or cash payments in lieu of dividends, or the subsequent sale of shares of Common Stock; and (b) do not commit to and are under no obligation to structure the terms of the grant of the Deferred Stock Units or any aspect of the Employee's participation in the Plan to reduce or eliminate his or her liability for Tax-Related Items or achieve any particular tax result. Further, if the Employee becomes subject to any Tax-Related Items in more than one jurisdiction, the Employee acknowledges that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for (including report) Tax-Related Items in more than one jurisdiction.

The Employee acknowledges and agrees that the Company may refuse to issue or deliver shares of Common Stock upon vesting of the Deferred Stock Units if Employee fails to comply with his or her Tax-Related Items obligations or the Company has not received payment in a form acceptable to the Company for all applicable Tax-Related Items, as well as amounts due to the Company as "hypothetical taxes", if applicable, pursuant to the then-current international assignment and tax and/or social insurance equalization policies and procedures of the Mondelez Group, or arrangements satisfactory to the Company for the payment thereof have been made.

In this regard, the Employee authorizes the Company and/or the Employer, in their sole discretion and without any notice or further authorization by the Employee, to satisfy any applicable withholding obligations with regard to all Tax-Related Items legally due by the Employee (or otherwise due by the Employee as set forth in this paragraph 5) and any hypothetical taxes from the Employee's wages or other cash compensation paid by the Company and/or the Employer or from proceeds of the sale of the shares of Common Stock issued upon vesting of the Deferred Stock Units, in which case, the Company may instruct the broker it has selected for this purpose (on the Employee's behalf and at the Employer's

direction pursuant to this authorization without further consent) to sell any shares of Common Stock that the Employee acquires upon vesting of the Deferred Stock Units, except to the extent that such a sale would violate any U.S. federal securities law or other applicable law. Alternatively, or in addition, the Company may (i) deduct the number of Deferred Stock Units having an aggregate value equal to the amount of Tax-Related Items and any hypothetical taxes due from the total number of Deferred Stock Units awarded, vested, paid or otherwise becoming subject to current taxation; and/or (ii) satisfy the Tax-Related Items and any hypothetical taxes arising from the vesting of the Deferred Stock Units through any other method established by the Company. Notwithstanding the foregoing, if the Employee is subject to the short-swing profit rules of Section 16(b) of the Exchange Act, the Company will withhold in shares of Common Stock issuable at vesting of the Deferred Stock Units upon the relevant withholding event or the Committee may determine that a particular method be used to satisfy any required withholding. Finally, the Employee agrees to pay to the Company or the Employer any amount of Tax-Related Items and any hypothetical taxes that the Company or the Employer may be required to withhold or account for as a result of the Employee's participation in the Plan that cannot be satisfied by the means previously described.

The Company may withhold or account for Tax-Related Items and any hypothetical taxes by considering statutory withholding rates (in accordance with Section 14(d) of the Plan) or other withholding rates, including minimum rates or maximum rates applicable in the Employee's jurisdiction(s), in which case the Employee may receive a refund of any over-withheld amount in cash and will have no entitlement to the equivalent shares of Common Stock or, if not refunded, the Employee may be able to seek a refund from the applicable tax authorities. In the event of under-withholding, the Employee may be required to pay any additional Tax-Related Items directly to the applicable tax authority or to the Company and/or the Employer. If the obligation for Tax-Related Items is satisfied by withholding in shares of Common Stock, for tax purposes, the Employee is deemed to have been issued the full number of shares of Common Stock underlying the Grant, notwithstanding that a number of shares of Common Stock are held back solely for the purpose of paying the Tax-Related Items and/or hypothetical taxes due as a result of any aspect of the Employee's participation in the Plan.

6. Death of Employee. If any of the Deferred Stock Units shall vest upon the death of the Employee, any Common Stock received in payment of the vested Deferred Stock Units shall be registered in the name of and delivered to the estate of the Employee.

7. Payment of Deferred Stock Units. Each Deferred Stock Unit granted pursuant to this Grant represents an unfunded and unsecured promise of the Company to issue to the Employee, after the date the Deferred Stock Units vest pursuant to paragraph 1 or 2 and otherwise subject to the terms of this Agreement (including the country-specific terms set forth in Appendix A to this Agreement), the value of one share of the Common Stock. Except as otherwise expressly provided and subject to the terms of this Agreement (including Appendix A hereto and Section 9), such issuance shall be made to the Employee (or, in the event of his or her death to the Employee's estate or beneficiary as provided above) in the form of Common Stock as soon as practicable, but not later than 30 days, following the vesting of the Deferred Stock Units pursuant to paragraph 1 or 2 (and with respect to the vesting of Deferred Stock Units pursuant to paragraph 1, in no event later than the last day of the calendar year in which such vesting occurred).

8. Special Payment Provisions. Notwithstanding anything to the contrary in the Agreement, if the Deferred Stock Units are considered nonqualified deferred compensation subject to Section 409A of the Code and are settled on or on a date that is by reference to the Employee's "separation from service" and the Employee is a "specified employee" (each within the meaning of Section 409A of the Code and each determined by the Company at its sole discretion) on the date the Employee experiences a separation from service, then the Deferred Stock Units (or applicable portion thereof) shall be settled on the first business day of the seventh month following the Employee's separation from service, or, if earlier, on the date of the Employee's death, to the extent such delayed payment is required in order to avoid a prohibited distribution under Section 409A of the Code.

9. Restrictions and Covenants.

(a) In addition to such other conditions as may be established by the Company or the Committee, in consideration for making a Grant under the terms of the Plan, the Employee agrees and

covenants as follows for a period of twelve (12) months following the date of the Employee's termination of employment from the Mondelez Group:

1. to protect the Mondelez Group's legitimate business interests in its confidential information, trade secrets and goodwill, and to enable the Mondelez Group's ability to reserve these for the exclusive knowledge and use of the Mondelez Group, which is of great competitive importance and commercial value to the Mondelez Group, the Employee, without the express written permission of the Company's chief human resources officer, will not engage in any conduct in which the Employee contributes his/her knowledge and skills, directly or indirectly, in whole or in part, as an executive, employer, employee, owner, operator, manager, advisor, consultant, agent, partner, director, stockholder, officer, volunteer, intern or any other similar capacity to a competitor or to an entity engaged in the same or similar business as the Mondelez Group, including those engaged in the business of production, sale or marketing of snack foods (including, but not limited to gum, chocolate, confectionary products, biscuits or any other product or service the Employee has reason to know has been under development by the Mondelez Group during the Employee's employment with the Mondelez Group). The Employee will not engage in any activity that may require or inevitably require the Employee's use or disclosure of the Mondelez Group's confidential information, proprietary information and/or trade secrets;
2. to protect the Mondelez Group's investment in its employees and to ensure the long-term success of the business, the Employee, without the express written permission of the Company's chief human resources officer, will not directly or indirectly solicit, hire, recruit, attempt to hire or recruit, or induce the termination of employment of any employee of the Mondelez Group; and
3. to protect the Mondelez Group's investment in its development of goodwill and customers and to ensure the long-term success of the business, the Employee will not directly or indirectly solicit (including, but not limited to, e-mail, regular mail, express mail, telephone, fax, instant message, SMS text messaging and social media) or attempt to directly or indirectly solicit, contact or meet with the current or prospective customers of the Mondelez Group for the purpose of offering or accepting goods or services similar to or competitive with those offered by the Mondelez Group.

The provisions contained herein in paragraph 9 are not in lieu of, but are in addition to the continuing obligation of the Employee (which the Employee acknowledges by accepting any Grant under the Plan) to not use or disclose the Mondelez Group's trade secrets or Confidential Information known to the Employee until any particular trade secret or Confidential Information becomes generally known (through no fault of the Employee), whereupon the restriction on use and disclosure shall cease as to that item. For purposes of this agreement, "Confidential Information" includes, but is not limited to, certain sales, marketing, strategy, financial, product, personnel, manufacturing, technical and other proprietary information and material which are the property of the Mondelez Group. The Employee understands that this list is not exhaustive, and that Confidential Information also includes other information that is marked or otherwise identified as confidential or proprietary, or that would otherwise appear to a reasonable person to be confidential or proprietary in the context and circumstances in which the information is known or used.

(b) A main purpose of the Plan is to strengthen the alignment of long-term interests between employees and the Mondelez Group by providing an ownership interest in the Company, and to prevent former employees whose interests become adverse to the Company from maintaining that ownership interest. By acceptance of any Grant (including the Deferred Stock Units) under the Plan, the Employee acknowledges and agrees that if the Employee breaches any of the covenants set forth in paragraph 9(a):

1. all unvested Grants (including any unvested Deferred Stock Units) shall be immediately forfeited;

2. the Company may cancel, rescind, suspend, withhold or otherwise limit or restrict any unexpired, unpaid or deferred Grants (including the Deferred Stock Units) at any time if the Employee is not in compliance with all terms and conditions set forth in the Plan and this Agreement including, but not limited to, paragraph 9(a);
3. the Employee shall repay to the Mondelēz Group the net proceeds of any Plan benefit that occurs at any time after the earlier of the following two dates: (i) the date twelve (12) months immediately preceding any such violation; or (ii) the date six (6) months prior to the Employee's termination of employment with the Mondelēz Group. The Employee shall repay to the Mondelēz Group the net proceeds in such a manner and on such terms and conditions as may be required by the Mondelēz Group, and the Mondelēz Group shall be entitled to set-off against the amount of any such net proceeds any amount owed to the Employee by the Mondelēz Group, in a way that is intended to avoid the application of penalties under Section 409A of the Code, if applicable, or other applicable law. For purposes of this paragraph, net proceeds shall mean the Fair Market Value of the shares of Common Stock less any Tax-Related Items; and
4. the Mondelēz Group shall be entitled to seek, in addition to other available remedies, a temporary or permanent injunction or other equitable relief against such breach or threatened breach from any court of competent jurisdiction, without the necessity of showing any actual damages or that money damages would not afford an adequate remedy, and without the necessity of posting any bond or other security as the Employee acknowledges that such breach would cause the Mondelēz Group to suffer irreparable harm. The aforementioned equitable relief shall be in addition to, not in lieu of, legal remedies, monetary damages or other available forms of relief.

(c) If any provision contained in this paragraph 9 shall for any reason, whether by application of existing law or law which may develop after the Employee's acceptance of a Grant under the Plan be determined by a court of competent jurisdiction to be overly broad as to scope of activity, duration or territory, the Employee agrees to join the Mondelēz Group in requesting such court to construe such provision by limiting or reducing it so as to be enforceable to the extent compatible with then applicable law.

(d) Notwithstanding the foregoing, no section of this Agreement is intended to or shall limit, prevent, impede or interfere with the Employee's non-waivable right, without prior notice to the Company, to provide information to, participate in investigations by or testify in proceedings before any federal, state or local government subdivision or agency, including but not limited to the U.S. Equal Employment Opportunity Commission, the National Labor Relations Board, the Securities and Exchange Commission, the Occupational Safety and Health Administration, U.S. Department of Justice, the U.S. Congress, or any agency Inspector General, regarding the Mondelēz Group's past or future conduct, or to engage in any activities protected under applicable whistleblower statutes, or to receive and fully retain a monetary award from a government-administered whistleblower award program for providing information directly to a government agency. The Employee does not need prior authorization from the Mondelēz Group to make any such reports or disclosures and is not required to notify the Mondelēz Group that the Employee has made such reports or disclosures.

(e) The Employee is hereby advised in writing to consult with an attorney before entering into the covenants outlined in this Section 9. The Employee acknowledges that prior to acceptance of this Agreement, the Employee has been advised by the Company of the Employee's right to seek independent advice from an attorney of the Employee's own selection regarding this Agreement, including the restraints imposed upon him or her pursuant to this Section 9. The Employee acknowledges that they have entered into this Agreement knowingly and voluntarily and with full knowledge and understanding of the provisions of this Agreement after being given the opportunity to consult with counsel. The Employee further represents that in entering into this Agreement, the Employee is not relying on any statements or representations made by any of the Company's directors, officers, employees or agents which are not expressly set forth herein, and that the Employee is relying only upon their own judgment and any advice provided by the Employee's attorney. The Employee acknowledges he or she has been provided at

minimum 14 calendar days to review the provisions contained herein but may voluntarily waive this period and sign prior to the 14 calendar day period lapsing.

(f) For purposes of this Section 9, the Company and any member of the Mondelez Group shall be deemed to be third-party beneficiaries with the right to seek enforcement of any of the provisions of this Section 9. Further, for purposes of this Section 9, references to acting directly or indirectly include acting jointly with or through another person.

10. Clawback Policy/ Forfeiture. The Employee understands and agrees that in the Committee's sole discretion, the Company may cancel all or part of the Deferred Stock Units or require repayment by the Employee to the Company of all or part of any cash payment or shares of Common Stock underlying any vested Deferred Stock Units pursuant to any recovery, recoupment, clawback and/or other forfeiture policy maintained by the Company, including a violation of paragraph 9 above, from time to time. In addition, any payments or benefits the Employee may receive hereunder shall be subject to repayment or forfeiture as may be required to comply with the requirements under the U.S. Securities Act of 1933, as amended (the "Securities Act"), the Exchange Act, rules promulgated by the Commission or any other applicable law, including the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act, or any securities exchange on which the Common Stock is listed or traded, as may be in effect from time to time.

11. Original Issue or Transfer Taxes. The Company shall pay all original issue or transfer taxes and all fees and expenses incident to the delivery of the shares of Common Stock underlying the vested Deferred Stock Units, except as otherwise provided in paragraph 5.

12. Grant Confers No Rights to Continued Employment. Nothing contained in the Plan or this Agreement (including the country-specific terms set forth in Appendix A to this Agreement) shall give any Employee the right to be retained in the employment of any member of the Mondelez Group, affect the right of any Employer to terminate any Employee, or be interpreted as forming or amending an employment or service contract with any member of the Mondelez Group. The adoption and maintenance of the Plan shall not constitute an inducement to, or condition of, the employment of the Employee.

13. Nature of the Grant. In accepting the Deferred Stock Units, the Employee acknowledges, understands, and agrees that:

- (a) the Plan is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, to the extent permitted by the Plan;
- (b) the Grant is exceptional, voluntary and occasional and does not create any contractual or other right to receive future Grants, or benefits in lieu of Deferred Stock Units, even if Deferred Stock Units have been granted in the past;
- (c) all decisions with respect to future Grants, if any, will be at the sole discretion of the Committee;
- (d) the Employee's participation in the Plan is voluntary;
- (e) the Deferred Stock Units and the shares of Common Stock subject to the Deferred Stock Units, and the income and value of same, are not intended to replace any pension rights or compensation;
- (f) the Grant and the shares of Common Stock subject to the Deferred Stock Units, and the income and value of same, are not part of normal or expected compensation or salary for purposes of calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, holiday pay, bonuses, long-service awards, leave-related payments, pension, retirement or welfare benefits or similar mandatory payments;

(g) the future value of the underlying shares of Common Stock is unknown, indeterminable and cannot be predicted;

(h) unless otherwise agreed with the Company, the Deferred Stock Units and the shares of Common Stock underlying the Deferred Stock Units, and the income and value of same, are not granted as consideration for, or in connection with, the service the Employee may provide as a director of any entity of the Mondelēz Group;

(i) the Employee understands and agrees that the Employee should consult with the Employee's own personal tax, legal and financial advisors regarding the Employee's participation in the Plan before taking any action related to the Plan and that the Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Employee's participation in the Plan or Employee's acquisition or sale of the underlying shares of Common Stock;

(j) unless otherwise provided in the Plan or by the Company in its discretion, the Grant of Deferred Stock Units and the benefits evidenced by this Agreement do not create any entitlement to have the Deferred Stock Units or any such benefits transferred to, or assumed by, another company, nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Company's Common Stock;

(k) the Deferred Stock Units and the shares of Common Stock subject to the Deferred Stock Units, and the income and value of same, are not part of normal or expected compensation or salary for any purpose;

(l) neither the Company, the Employer nor any member of the Mondelēz Group shall be liable for any foreign exchange rate fluctuation between the Employee's local currency and the United States Dollar that may affect the value of the Deferred Stock Units or any shares of Common Stock delivered to the Employee upon vesting of the Deferred Stock Units or of any proceeds resulting from the Employee's sale of such shares; and

(m) no claim or entitlement to compensation or damages shall arise from forfeiture of the Deferred Stock Units resulting from the termination of the Employee's employment or other service relationship by the Company or the Employer (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where the Employee is employed or the terms of his or her employment agreement, if any).

14. ***Data Privacy. The Employee hereby explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of his or her personal data as described in this Agreement and any other grant materials ("Data") by and among the Mondelēz Group for the exclusive purpose of implementing, administering and managing Employee's participation in the Plan.***

The Employee understands that the Mondelēz Group may hold certain personal information about him or her, including, but not limited to, the Employee's name, home address, email address and telephone number, date of birth, social security, passport or insurance number or other identification number (e.g., resident registration number), salary, nationality, job title, any shares of stock or directorships held in the Company, and details of the Deferred Stock Units or any other entitlement to shares of Common Stock or other equivalent benefits awarded, canceled, purchased, exercised, vested, unvested or outstanding in the Employee's favor, for the exclusive purpose of implementing, administering and managing the Plan.

The Employee understands that Data will be transferred to UBS Financial Services, Inc. ("UBS"), or such other stock plan service provider as may be selected by the Company in the future, which is assisting the Company with the implementation, administration and management of the Plan. The Employee understands that Data may also be transferred to the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP, KPMG LLP or such other public accounting firm that may be engaged by the Company in the future. The Employee understands that the recipients of the Data may be located in the United States or elsewhere, and that the recipients' country (e.g., the United States) may have different data privacy laws and protections than Employee's country. If the

Employee resides outside the United States, the Employee understands that he or she may request a list with the names and addresses of any potential recipients of the Data by contacting the Employee's local human resources representative. The Employee authorizes the Company, UBS, PricewaterhouseCoopers LLP and any other possible recipients which may assist the Company (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing the Employee's participation in the Plan. The Employee understands that Data will be held only as long as is necessary to implement, administer and manage the Employee's participation in the Plan. If the Employee resides outside the United States, the Employee understands that he or she may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing the Employee's local human resources representative. Further, the Employee understands that the Employee is providing the consents herein on a purely voluntary basis. If the Employee does not consent, or if the Employee later seeks to revoke his or her consent, the Employee's employment status or service with the Employer will not be affected; the only consequence of refusing or withdrawing the Employee's consent is that the Company would not be able to grant the Employee Deferred Stock Units or other equity awards or administer or maintain such grants. The Employee also understands that the Company has no obligation to substitute other forms of Grants or compensation in lieu of the Deferred Stock Units as a consequence of the Employee's refusal or withdrawal of his or her consent. Therefore, the Employee understands that refusing or withdrawing his or her consent may affect the Employee's ability to participate in the Plan. For more information on the consequences of the Employee's refusal to consent or withdrawal of consent, the Employee understands that he or she may contact the Employee's local human resources representative.

Further, upon request of the Company or the Employer, the Employee agrees to provide an executed data privacy form (or any other agreements or consents) that the Company and/or the Employer may deem necessary to obtain from the Employee for the purpose of administering the Employee's participation in the Plan in compliance with the data privacy laws in the Employee's country, either now or in the future. The Employee understands and agrees that he or she will not be able to participate in the Plan if the Employee's fails to provide any such consent or agreement as requested by the Company and/or the Employer.

15. **Notices.** Any notice required or permitted hereunder shall be (i) given in writing and shall be deemed effectively given upon personal delivery, upon deposit for delivery by an internationally recognized express mail courier service or upon deposit in the United States mail by certified mail (if the parties are within the United States), with postage and fees prepaid, addressed to the other party at its address as shown in these instruments, or to such other address as such party may designate in writing from time to time to the other party or (ii) delivered electronically through the Company's electronic mail system (including any notices delivered by a third-party) and shall be deemed effectively given upon such delivery. Any documents required to be given or delivered to the Employee related to current or future participation in the Plan may also be delivered through electronic means as described in paragraph 16 below.

16. **Electronic Delivery and Acceptance.** The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Employee hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through any on-line or electronic system established and maintained by the Company or a third party designated by the Company.

17. **Language.** The Employee acknowledges that he or she is sufficiently proficient in English, or, alternatively, the Employee acknowledges that he or she will seek appropriate assistance, to understand the terms and conditions in the Agreement. Furthermore, if the Employee has received this Agreement or any other document related to the Plan translated into a language other than English and if the meaning of the translated version is different from the English version, the English version will control.

18. Interpretation. The terms and provisions of the Plan (a copy of which will be made available online or furnished to the Employee upon written request to the Corporate Secretary, Mondelez International, Inc., 905 West Fulton Market, Suite 200, Chicago, Illinois 60607, U.S.A.) are incorporated herein by reference. To the extent any provision in the Award Statement or this Agreement is inconsistent or in conflict with any term or provision of the Plan, the Plan shall govern. The Committee shall have the right to resolve all questions that may arise in connection with the Grant or this Agreement, including whether the Employee is no longer actively employed. Any interpretation, determination or other action made or taken by the Committee regarding the Plan or this Agreement shall be final, binding and conclusive.

19. Successors and Assigns. The Company may assign any of its rights under this Agreement to single or multiple assignees, and this Agreement shall be binding upon and inure to the benefit of any successors or assigns of the Company and any person or persons who shall acquire any rights hereunder in accordance with this Agreement, the Award Statement or the Plan.

20. Entire Agreement; Governing Law. The Award Statement, the Plan and this Agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and the Employee with respect to the subject matter hereof, and may not be modified adversely to the Employee's interest except as provided in the Award Statement, the Plan or this Agreement or by means of a writing signed by the Company and the Employee. Nothing in the Award Statement, the Plan and this Agreement (except as expressly provided therein) is intended to confer any rights or remedies on any persons other than the parties. The Award Statement, the Plan and this Agreement are to be construed in accordance with and governed by the substantive laws of the Commonwealth of Virginia, U.S.A., without giving effect to any choice of law rule that would cause the application of the laws of any jurisdiction other than the substantive laws of the Commonwealth of Virginia to the rights and duties of the parties. Unless otherwise provided in the Award Statement, the Plan or this Agreement, the Employee is deemed to submit to the exclusive jurisdiction of the Commonwealth of Virginia, U.S.A., and agrees that such litigation shall be conducted in the courts of Henrico County, Virginia, or the federal courts for the United States for the Eastern District of Virginia. This Agreement is intended to be exempt from, or otherwise comply with, Section 409A of the Code and shall be interpreted, operated and administered in a manner consistent with such intent. The Company reserves the right, to amend or modify this Agreement at any time, without the consent of the Employee or any other party, to avoid the application of Section 409A of the Code in a particular circumstance or that is necessary or desirable to satisfy any of the requirements under Section 409A of the Code, but the Company shall not be under any obligation to make any such amendment. Nothing in the Agreement or the Plan shall provide a basis for any person to take action against the Mondelez Group based on matters covered by Section 409A of the Code, including the tax treatment of any amount paid under the Grant made hereunder, and Mondelez Group shall not under any circumstances have any liability to any employee or his estate or any other party for any taxes, penalties or interest due on amounts paid or payable under this Agreement, including taxes, penalties or interest imposed under Section 409A of the Code. For purposes of Section 409A of the Code, each payment and each series of payments under this Agreement, if any, shall be treated as a separate payment.

21. Miscellaneous. In the event of any merger, share exchange, reorganization, consolidation, recapitalization, reclassification, distribution, stock dividend, stock split, reverse stock split, split-up, spin-off, issuance of rights or warrants or other similar transaction or event affecting the Common Stock after the date of this Grant, the Board or the Committee shall make adjustments to the number and kind of shares of Common Stock subject to this Grant, including, but not limited to, the substitution of equity interests in other entities involved in such transactions, to provide for cash payments in lieu of Deferred Stock Units, and to determine whether continued employment with any entity resulting from such a transaction will or will not be treated as continued employment with any member of the Mondelez Group, in each case subject to any Board or Committee action specifically addressing any such adjustments, cash payments, or continued employment treatment.

For the purposes of this Agreement, (a) the term "Disability" means permanent and total disability as determined under the procedures established by the Company for purposes of the Plan, and (b) the term "Retirement" means, unless otherwise determined by the Committee in its sole discretion, the termination of employment on or after either (i) the date the Employee is age 55 or older with at least ten

(10) or more years of active continuous employment with the Mondelēz Group or (ii) the date the Employee is age 65 or older with at least five (5) or more years of active continuous employment with the Mondelēz Group.

Notwithstanding the above, if the Company receives an opinion of counsel that there has been a legal judgment and/or legal development in the Employee's jurisdiction that likely would result in the favorable Retirement treatment (as set forth above) that applies to the Deferred Stock Units being deemed unlawful and/or discriminatory, then the Company will not apply the favorable Retirement treatment at the time of termination and the Deferred Stock Units will be treated as they would under the rules that apply if the Employee's employment is terminated for reasons other than Retirement, death or Disability.

22. Compliance With Law. Notwithstanding any other provision of the Plan or this Agreement, unless there is an available exemption from any registration, qualification or other legal requirement applicable to the shares of Common Stock, the Company shall not be required to deliver any Common Stock issuable upon settlement of the Deferred Stock Units prior to the completion of any registration or qualification of the shares of Common Stock under any local, state, federal or foreign securities or exchange control law or under rulings or regulations of the Commission or of any other governmental regulatory body, or prior to obtaining any approval or other clearance from any local, state, federal or foreign governmental agency, which registration, qualification or approval the Company shall, in its absolute discretion, deem necessary or advisable. The Employee understands that the Company is under no obligation to register or qualify the shares of Common Stock with the Commission or any state, provincial or foreign securities commission or to seek approval or clearance from any governmental authority for the issuance or sale of the shares of Common Stock. Further, the Employee agrees that the Company shall have unilateral authority to amend the Plan and this Agreement without the Employee's consent to the extent necessary to comply with securities or other laws applicable to the issuance of shares of Common Stock.

23. Agreement Severable. In the event that any provision in this Agreement will be held invalid or unenforceable, such provision will be severable from, and such invalidity or unenforceability will not be construed to have any effect on, the remaining provisions of this Agreement.

24. Headings. Headings of paragraphs and sections used in this Agreement are for convenience only and are not part of this Agreement, and must not be used in construing it.

25. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Employee's participation in the Plan, on the Deferred Stock Units and on any shares of Common Stock acquired under the Plan, to the extent the Company determines it is necessary or advisable for legal or administrative reasons and to require the Employee to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

26. Insider Trading/Market Abuse Laws. The Employee may be subject to insider trading and/or market abuse laws, which may affect the Employee's ability to accept, acquire, sell or otherwise dispose of shares of Common Stock, rights to such shares (*e.g.*, Deferred Stock Units) or rights linked to the value of shares of Common Stock under the Plan during such times as the Employee is considered to have "material nonpublic information" or "insider information" regarding the Company (as defined by the laws or regulations in the relevant jurisdiction). Local insider trading laws and regulations may prohibit the cancellation or amendment of orders the Employee places before the Employee possessed inside information. Furthermore, the Employee could be prohibited from (i) disclosing inside information to any third party, including fellow employees (other than on a "need to know" basis) and (ii) "tipping" third parties or causing them otherwise to buy or sell Company securities. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under the Company's insider trading policy, and the requirements of applicable laws may or may not be consistent with the terms of the Company's insider trading policy. The Employee acknowledges that it is his or her responsibility to comply with any applicable restrictions, and that the Employee should speak to his or her personal advisor on this matter.

27. Exchange Control, Tax and Foreign Asset/Account Reporting Requirements. The Employee acknowledges that there may be exchange control, tax, foreign asset and/or account reporting

requirements which may affect the Employee's ability to acquire or hold shares of Common Stock acquired under the Plan or cash received from participating in the Plan (including from any dividends paid on shares of Common Stock acquired under the Plan) in a brokerage, bank account or legal entity outside the Employee's country. The Employee may be required to report such accounts, balances, assets and/or the related transactions to the tax or other authorities in his or her country. The Employee also may be required to repatriate sale proceeds or other funds received as a result of the Employee's participation in the Plan to his or her country through a designated bank or broker within a certain time after receipt. The Employee acknowledges that it is the Employee's responsibility to be compliant with such regulations, and the Employee should consult his or her personal legal advisor for any details.

28. Appendix. Notwithstanding any provisions in this Agreement, the Deferred Stock Units shall be subject to any terms set forth in the Appendix to this Agreement for the Employee's country. Moreover, if the Employee relocates to one of the countries included in the Appendix, the terms for such country will apply to the Employee, to the extent the Company determines that the application of such terms is necessary or advisable for legal or administrative reasons. The Appendix constitutes part of this Agreement.

29. Waiver. The Employee acknowledges that a waiver by the Company of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any other provision of this Agreement or of any subsequent breach by the Employee or any other participant of the Plan.

30. Conformity to Securities Laws. The Employee acknowledges that the Award Statement, the Plan and this Agreement are intended to conform to the extent necessary with all provisions of the Securities Act and the Exchange Act, and any and all regulations and rules promulgated thereunder by the Commission, including, without limitation, Rule 16b-3 under the Exchange Act. Notwithstanding anything herein to the contrary, the Award Statement, the Plan and this Agreement shall be administered, and the Grant is made, only in such a manner as to conform to such laws, rules and regulations. To the extent permitted by applicable law, the Award Statement, the Plan and this Agreement shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

The Employee acknowledges that the Employee has reviewed the Plan, the Award Statement and this Agreement (including any appendices hereto) in their entirety and fully understands their respective provisions. The Employee agrees to accept as binding, conclusive and final all decisions or interpretations of the Committee upon any questions arising under the Plan, the Award Statement or this Agreement.

IN WITNESS WHEREOF, this Agreement has been executed as of the Grant Date.

APPENDIX A

MONDELÉZ INTERNATIONAL, INC. AMENDED AND RESTATED 2005 PERFORMANCE INCENTIVE PLAN (Amended and Restated as of February 3, 2017)

ADDITIONAL TERMS AND CONDITIONS OF THE GLOBAL DEFERRED STOCK UNIT AGREEMENT

This Appendix A includes additional terms and conditions that govern the Deferred Stock Units granted to the Employee under the Plan if he or she resides and/or works in one of the countries listed herein. If the Employee is a citizen or resident (or is considered as such for local law purposes) of a country other than the country in which the Employee is currently residing and/or working, or if the Employee transfers to another country after receiving the Deferred Stock Units, the Company shall, in its discretion, determine to what extent the terms and conditions contained herein shall be applicable to the Employee. Certain capitalized terms used but not defined in this Appendix A have the meanings set forth in the Plan and/or the Global Deferred Stock Unit Agreement (the "Agreement").

This Appendix A also includes information regarding securities, exchange control and certain other issues of which the Employee should be aware with respect to participation in the Plan. The information is based on the securities, exchange control and other laws in effect in the respective countries as of January 2022. Such laws are often complex and change frequently. As a result, the Employee should not rely on the information in this Appendix A as the only source of information relating to the consequences of his or her participation in the Plan because the information may be out of date at the time the Employee vests in the Deferred Stock Units or sells shares of Common Stock acquired under the Plan.

In addition, the information contained herein is general in nature and may not apply to the Employee's particular situation, and the Company is not in a position to assure the Employee of a particular result. Accordingly, the Employee should seek appropriate professional advice as to how the relevant laws in his or her country may apply to the Employee's situation.

Finally, if the Employee is a citizen or resident of a country other than the one in which he or she is currently working, transfers employment after the Grant Date, or is considered a resident of another country for local law purposes, the information contained herein may not be applicable to the Employee in the same manner.

EUROPEAN UNION / EUROPEAN ECONOMIC AREA, SWITZERLAND AND THE UNITED KINGDOM

TERMS AND CONDITIONS

Data Privacy Notice. The following provision replaces in its entirety paragraph 14 of the Agreement:

If the Employee is based in the European Union ("EU"), the European Economic Area, Switzerland or the United Kingdom, the Employee should note that Mondelēz International, Inc., with registered address at 905 West Fulton Market, Suite 200, Chicago, Illinois 60607, U.S.A. is the controller responsible for the processing of the Employee's Personal Data (as defined below) in connection with the Agreement and the Plan.

Data Collection and Usage. Pursuant to applicable data protection laws, the Employee is hereby notified that the Company collects, processes and uses the following types of personal data about the Employee: name, home address and telephone number, email address, date of birth, social insurance, passport number or other identification number, salary, nationality, job title, any shares of stock or directorships held in any entity in the Mondelēz Group, details of all Deferred Stock Units or any other entitlement to shares awarded, canceled, settled, vested, unvested or outstanding in the Employee's favor, which the Company receives from the Employee or the Employer ("Personal Data") for the exclusive legitimate purpose of granting Deferred Stock Units and implementing, administering and managing the Employee's participation in the Plan.

Purposes and Legal Bases of Processing. The legal basis for the processing of the Personal Data by the Company is the necessity of the data processing for the Company to perform its contractual obligations under the Agreement and for the Company's legitimate business interests of managing the Plan and generally administering employee equity awards. The Employee understands that providing the Company with Personal Data is necessary for the performance of the Agreement and that the Employee's refusal to provide Personal Data would make it impossible for the Company to perform its contractual obligations and may affect the Employee's ability to participate in the Plan.

International Data Transfers. The Company is located in the United States which means that it will be necessary for Personal Data to be transferred to, and processed in, the United States. The Employee understands and acknowledges that the United States is not subject to an unlimited adequacy finding by the European Commission and that the Employee's Personal Data may not have an equivalent level of protection as compared to the Employee's country of residence. To provide appropriate safeguards for the protection of the Employee's Personal Data, the Personal Data is transferred to the Company based on data transfer and processing agreements implementing the EU Standard Contractual Clauses. Further, the Employee understands that the Company transfers his or her Personal Data, or parts thereof to third parties based on agreements implementing the EU Standard Contractual Clauses. These third parties include UBS Financial Services, Inc. ("UBS"), an independent service provider based in the United States which assists the Company with the implementation, administration and management of the Plan. UBS has opened or will open an account for the Employee to receive and trade shares of Common Stock acquired under the Plan. The Employee understands that Personal Data may also be transferred to the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP, KPMG LLP or such other public accounting firm that may be engaged by the Company. In the future, the Company may select a different service provider or other service providers and share the Personal Data with such other provider(s) serving the Company in a similar manner. The Employee may be asked to agree on separate terms and data processing practices with UBS, PricewaterhouseCoopers LLP or KPMG LLP with such agreement being a condition to the Employee's ability to participate in the Plan.

The Employee may request a copy of the safeguards used to protect his or her Personal Data or the names and addresses of any potential recipients of Personal Data by contacting the Company at: DataProtectionOfficeMEU@mdlz.com.

Data Retention. The Company will use the Personal Data only as long as necessary to implement, administer and manage the Employee's participation in the Plan, or as required to comply with legal or regulatory obligations, including tax and securities laws. When the Company no longer needs the Personal Data, the Company will remove it from its systems. If the Company keeps data longer, it would be to satisfy legal or regulatory obligations and the Company's legal basis would be relevant laws or regulations.

Data Subject Rights. To the extent provided by law, the Employee has the right to (i) inquire whether and what kind of Personal Data the Company holds about the Employee and how it is processed, and to access or request copies of such Personal Data, (ii) request the correction or supplementation of Personal Data that is inaccurate, incomplete or out-of-date in light of the purposes underlying the processing, (iii) obtain the erasure of Personal Data no longer necessary for the purposes underlying the processing or processed in non-compliance with applicable legal requirements, (iv) request the Company to restrict the processing of Personal Data in certain situations where the Employee feels its processing is inappropriate, (v) object, in certain circumstances, to the processing of Personal Data for legitimate interests, (vi) request portability of Personal Data that the Employee has actively or passively provided to the Company, where the processing of such Personal Data is based on consent or a contractual agreement with the Employee and is carried out by automated means, or (vii) lodge a complaint with the competent local data protection authority. To receive additional information regarding the Employee's rights, raise any other questions regarding the practices described in the Agreement or to exercise his or her rights, the Employee should contact the Company at: DataProtectionOfficeMEU@mdlz.com.

Securities Law Information. The Employee is permitted to sell shares of Common Stock acquired under the Plan through the designated broker appointed under the Plan, if any, provided that the sale of such shares takes place outside Canada through the facilities of a stock exchange on which the shares of Common Stock are listed (*i.e.*, the Nasdaq Global Select Market).

Foreign Asset/Account Reporting Information. The Employee is required to report any specified foreign property annually on Form T1135 (Foreign Income Verification Statement) if the total cost of the Employee's specified foreign property exceeds C\$100,000 at any time during the year. The form must be filed by April 30th of the following year. Specified foreign property includes shares of Common Stock acquired under the Plan and may include the Deferred Stock Units. The Deferred Stock Units must be reported--generally at a nil cost--if the \$100,000 cost threshold is exceeded because of other specified foreign property the Employee holds. If shares of Common Stock are acquired, their cost generally is the adjusted cost base ("ACB") of the shares of Common Stock. The ACB would normally equal the fair market value of the shares of Common Stock at vesting for Deferred Stock Units, but if the Employee owns other shares of Company Common Stock, this ACB may have to be averaged with the ACB of the other shares of Common Stock owned by the Employee. It is the Employee's responsibility to comply with applicable reporting obligations.

However, if the Employee decides to repatriate such funds, he or she must do so through the Formal Exchange Market (i.e., a commercial bank or registered foreign exchange office) if the amount of the funds repatriated exceeds US\$10,000. Further, if the value of the aggregate investments held by the Employee outside of Chile exceeds US\$5,000,000 (e.g., shares of Common Stock and cash proceeds acquired under the Plan), the Employee must report the investments annually to the Central Bank using Annex 3.1 of Chapter XII of the Foreign Exchange Regulations.

Exchange control requirements are subject to change. *The Employee should consult with his or her personal legal advisor regarding any exchange control obligations that may apply in connection with the Deferred Stock Units.*

In either case, the Employee must file Tax Form 1929 by June 30 each year, which should be submitted electronically through the CIRS website: www.sii.cl.

CHINA

TERMS AND CONDITIONS

The following provisions apply to Employees who are exclusively citizens of the People’s Republic of China and who reside in mainland China, and Employees who are otherwise subject to exchange control restrictions applicable to employee stock plans in China, as determined by the Company in its sole discretion.

Settlement of Deferred Stock Units and Sale of Shares. Due to legal restrictions in China, upon the vesting of Deferred Stock Units, the Employee acknowledges that the Deferred Stock Units may be paid to the Employee in cash rather than shares of Common Stock. If shares of Common Stock are issued upon vesting of the Deferred Stock Units, in the Company's sole discretion, the shares may be required to be immediately sold. Thus, as a condition of the grant of the Deferred Stock Units, the Employee agrees to the immediate sale of any shares of Common Stock issued to Employee upon vesting and settlement of the Deferred Stock Units. The Employee further agrees that the Company is authorized to instruct its designated broker to assist with any mandatory sale of such shares of Common Stock (on the Employee's behalf pursuant to this authorization) and the Employee expressly authorizes the Company's designated broker to complete the sale of such shares. The Employee acknowledges that the Company's designated broker is under no obligation to arrange for the sale of shares of Common Stock at any particular price. Upon any such sale of the shares, the proceeds, less any Tax-Related Items and broker's fees or commissions, will be remitted to the Employee in accordance with any applicable exchange control laws and regulations.

In the event that the Employee is not required to sell shares of Common Stock immediately upon vesting, any shares of Common Stock issued to the Employee must be maintained in an account with UBS Financial Services, Inc. or such other broker as may be designated by the Company until the shares of Common Stock are sold through that broker. If the Company changes its designated broker, the Employee acknowledges and agrees that the Company may transfer any shares of Common Stock issued under the Plan to the new designated broker if necessary for legal or administrative reasons. The Employee agrees to sign any documentation necessary to facilitate the transfer. In addition, the Employee acknowledges and agrees that he or she must sell any shares of Common Stock issued upon vesting as soon as practicable following the termination of the Employee's employment or other service relationship with the Mondelēz Group and in no event later than six (6) months following the termination of the Employee's employment or other service relationship with the Mondelēz Group, or within any other such time frame the Company determines to be necessary or advisable to comply with local requirements.

Exchange Control Restrictions. The Employee understands and agrees that, due to exchange control laws in China, he or she will be required to immediately repatriate to China any proceeds from the sale of shares of Common Stock acquired from the Deferred Stock Units and any dividends and/or dividend equivalents paid to the Employee in cash. The Employee further understands that, under local law, such repatriation of the cash proceeds will be effected through a special exchange control account established by a member of the Mondelēz Group and the Employee hereby consents and agrees that any cash proceeds received in connection with the Plan will be transferred to such special account prior to being delivered to him or her. The proceeds may be paid in U.S. dollars or local currency at the Company's discretion. If the proceeds are paid in U.S. dollars, the Employee acknowledges that he or she will be required to set up a U.S. dollar bank account in China so that the proceeds may be delivered to this account. If the proceeds are converted to local currency, the Employee acknowledges that the Mondelēz Group is under no obligation to secure any currency conversion rate and may face delays in converting the proceeds to local currency due to exchange control restrictions in China. The Employee agrees to bear any currency fluctuation risk between the date the shares of Common Stock acquired from the Deferred Stock Units are sold or any dividends are paid and the time that (i) the Tax-Related Items are converted to local currency and remitted to the tax authorities and (ii) net proceeds are converted to local currency and distributed to the Employee. The Employee acknowledges that the Mondelēz Group will not be held liable for any delay in delivering the proceeds to the Employee. The Employee agrees to sign any agreements, forms and/or consents that may be requested by the Company or the Company's designated broker to effectuate any of the remittances, transfers, conversions or other processes affecting the proceeds.

The Employee further agrees to comply with any other requirements that may be imposed by the Company in the future in order to facilitate compliance with exchange control requirements in China. For Deferred Stock Units, these additional requirements may include, but are not limited to, a requirement to maintain any shares of Common Stock acquired from the Deferred Stock Units in an account with a Company-designated broker and/or to sell any shares of Common Stock that the Employee receives immediately upon vesting of the Deferred Stock Units (as explained above) or upon termination of the Employee's service with the Mondelēz Group.

NOTIFICATIONS

Securities Law Information. WARNING: *The Employee is being offered Deferred Stock Units which allows the Employee to acquire shares of Common Stock in accordance with the terms of the Plan and the Agreement. The shares of Common Stock, if issued, give the Employee a stake in the ownership of the Company. The Employee may receive a return if dividends are paid.*

If the Company runs into financial difficulties and is wound up, the Employee will be paid only after all creditors and holders of preferred shares have been paid. The Employee may lose some or all of his or her investment.

New Zealand law normally requires people who offer financial products to give information to investors before they invest. This information is designed to help investors to make an informed decision.

The usual rules do not apply to this offer because it is made under an employee share purchase scheme. As a result, the Employee may not be given all the information usually required. The Employee will also have fewer other legal protections for this investment.

The Employee understands that he or she should ask questions, read all documents carefully, and seek independent financial advice before participating in the Plan.

The shares of Common Stock are quoted and approved for trading on the Nasdaq Global Select Market in the United States of America. This means that, if the Employee acquires shares of Common Stock under the Plan, the Employee may be able to sell his or her investment on the Nasdaq if there are interested buyers. The price will depend on the demand for the shares of Common Stock.

For information on risk factors impacting the Company's business that may affect the value of the shares of Common Stock, the Employee should refer to the risk factors discussion in the Company's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, which are filed with the U.S. Securities and Exchange Commission and are available online at www.sec.gov, as well as on the Company's website at <http://ir.mondelezinternational.com/sec.cfm>.

In particular, the Employee understands and agrees that any unvested Deferred Stock Units as of Employee's termination date will be forfeited without entitlement to the underlying shares of Common Stock or to any amount as indemnification in the event of a termination by reason of, including, but not limited to: resignation, disciplinary dismissal adjudged to be with cause, disciplinary dismissal adjudged or recognized to be without good cause (*i.e.*, subject to a "despido improcedente"), individual or collective layoff on objective grounds, whether adjudged to be with cause or adjudged or recognized to be without cause, material modification of the terms of employment under Article 41 of the Workers' Statute, relocation under Article 40 of the Workers' Statute, Article 50 of the Workers' Statute, unilateral withdrawal by the Employer, and under Article 10.3 of Royal Decree 1382/1985.

Furthermore, the Employee understands that the Company has unilaterally, gratuitously and discretionally decided to grant the Deferred Stock Units under the Plan to individuals who may be employees of the Mondelēz Group. The decision is a limited decision that is entered into upon the express assumption and condition that any Grant will not economically or otherwise bind the Mondelēz Group on an ongoing basis other than to the extent set forth in the Agreement. Consequently, the Employee understands that the Deferred Stock Units are granted on the assumption and condition that the Deferred Stock Units and the shares of Common Stock issued upon vesting shall not become a part of any employment or contract (with the Mondelēz Group, including the Employer) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. Furthermore, the Employee understands and freely accepts that there is no guarantee that any benefit whatsoever will arise from the Deferred Stock Units, which is gratuitous and discretionary, since the future value of the underlying shares of Common Stock is unknown and unpredictable. In addition, the Employee understands that the grant of the Deferred Stock Units would not be made to the Employee but for the assumptions and conditions referred to above; thus, the Employee acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, then any grant to the Employee of the Deferred Stock Units shall be null and void.

Securities Law Information. No "offer of securities to the public," as defined under Spanish law, has taken place or will take place in the Spanish territory. The Agreement (including this Appendix) has not been nor will it be registered with the *Comisión Nacional del Mercado de Valores*, and does not constitute a public offering prospectus.

Exchange Control Information. The Employee must declare the acquisition, ownership and disposition of shares of Common Stock to the Spanish Dirección General de Comercio e Inversiones of the Ministry of Economy and Competitiveness on a Form D-6. Generally, the declaration must be made in January for shares of Common Stock owned as of December 31 of the prior year and/or shares of Common Stock acquired or disposed of during the prior year; however, if the value of the shares of Common Stock acquired or disposed of or the amount of the sale proceeds exceeds €1,502,530 (or if the Employee holds 10% or more of the share capital of the Company), the declaration must be filed within one month of the acquisition or disposition, as applicable.

In addition, the Employee is required to declare electronically to the Bank of Spain any foreign accounts (including brokerage accounts held abroad), any foreign instruments (including any shares of Common Stock acquired under the Plan) and any transactions with non-Spanish residents (including any payments of shares of Common Stock made to the Employee by the Company) depending on the value of such

accounts and instruments and the amount of the transactions during the relevant year as of December 31 of the relevant year.

Foreign Asset/Accounting Reporting Information. If the Employee holds rights or assets (*e.g.*, shares of Common Stock or cash held in a bank or brokerage account) outside Spain with a value in excess of €50,000 per type of right or asset (*e.g.*, shares of Common Stock, cash, etc.) as of December 31 each year, the Employee is required to report certain information regarding such rights and assets on tax form 720. After such rights and/or assets are initially reported, the reporting obligation will apply for subsequent years only if the value of any previously-reported rights or assets increases by more than €20,000, or if ownership of the asset is transferred or relinquished during the year. If the value of such rights and/or assets does not exceed €50,000, a summarized form of declaration may be presented. The reporting must be completed by the March 31 each year. The Employee should consult his or her personal tax advisor for details regarding this requirement.

Exchange Control Information. The Employee may acquire and remit foreign currency (including proceeds from the sale of shares of Common Stock) into Taiwan up to US\$5,000,000 per year. If the transaction amount is TWD\$500,000 or more in a single transaction, the Employee must submit a foreign exchange transaction form and also provide supporting documentation to the satisfaction of the remitting bank. If the Employee fails to comply with these obligations, the Employee may be subject to penalties assessed by the Bank of Thailand.

The Employee should consult his or her personal legal advisor prior to the vesting of the Deferred Stock Units or any sale of shares of Common Stock to ensure compliance with the current requirements.

UKRAINE

Notwithstanding any discretion in the Plan or anything to the contrary in the Agreement (including paragraph 7 of the Agreement), the grant of Deferred Stock Units does not provide any right for the Employee to receive shares of Common Stock upon the Vesting Date. Deferred Stock Units granted to Employees in Ukraine shall be paid in cash in an amount equal to the value of the shares of Common Stock on the Vesting Date.

NOTIFICATIONS

Exchange Control Information. The Employee is solely responsible for complying with applicable Ukraine exchange control regulations. Since the exchange control regulations change frequently and without notice, the Employee should consult his or her legal advisor prior to the acquisition or sale of shares of Common Stock under the Plan to ensure compliance with current regulations. As noted, it is the Employee's responsibility to comply with the Ukraine exchange control laws, and the Mondelez Group will not be liable for any fines or penalties resulting from the Employee's failure to comply with applicable laws.

UNITED KINGDOM ("U.K.")

TERMS AND CONDITIONS

Miscellaneous. The following provision replaces paragraph 21 of the Agreement:

In the event of any merger, share exchange, reorganization, consolidation, recapitalization, reclassification, distribution, stock dividend, stock split, reverse stock split, split-up, spin-off, issuance of rights or warrants or other similar transaction or event affecting the Common Stock after the date of this Grant, the Board of Directors of the Company or the Committee shall make adjustments to the number and kind of shares of Common Stock subject to this Grant, including, but not limited to, the substitution of equity interests in other entities involved in such transactions, to provide for cash payments in lieu of Deferred Stock Units, and to determine whether continued employment with any entity resulting from such a transaction will or will not be treated as continued employment with any member of the Mondelez Group, in each case subject to any Board of Directors or Committee action specifically addressing any such adjustments, cash payments, or continued employment treatment.

For purposes of this Agreement, (a) the term "Disability" means permanent and total disability as determined under procedures established by the Company for purposes of the Plan, and (b) the term "Retirement" means, unless otherwise determined by the Committee in its sole discretion, retirement from active employment under a pension plan of the Mondelez Group, an employment contract with any member of the Mondelez Group, or a local labor contract, on or after the date specified as normal retirement age in the pension plan or employment contract, if any, under which the Employee is at that time accruing pension benefits for his or her current service (or, in the absence of a specified normal retirement age, the age at which pension benefits under such plan or contract become payable without reduction for early commencement and without any requirement of a particular period of prior service).

Withholding Taxes. The following provision supplements paragraph 5 of the Agreement:

Without limitation to paragraph 5 of the Agreement, the Employee hereby agrees that he or she is liable for all Tax-Related Items and hereby covenants to pay all such Tax-Related Items, as and when requested by the Company or the Employer, as applicable, or by Her Majesty's Revenue & Customs ("HMRC") (or any other tax authority or any other relevant authority). The Employee also hereby agrees to indemnify

and keep indemnified the Company and the Employer, as applicable, against any Tax-Related Items that they are required to pay or withhold or have paid or will pay to HMRC (or any other tax authority or any other relevant authority) on the Employee's behalf.

Notwithstanding the foregoing, if the Employee is a director or executive officer of the Company (within the meaning of Section 13(k) of the Exchange Act), the Employee understands that he or she may not be able to indemnify the Company for the amount of any Tax-Related Items not collected from or paid by the Employee, in case the indemnification could be considered to be a loan. In this case, the Tax-Related Items not collected or paid may constitute a benefit to the Employee on which additional income tax and National Insurance Contributions ("NICs") may be payable. The Employee understands that he or she will be responsible for reporting and paying any income tax due on this additional benefit directly to HMRC under the self-assessment regime and for paying to the Company and/or the Employer (as appropriate) the amount of any NICs due on this additional benefit, which may also be recovered from the Employee by any of the means referred to in paragraph 5 of the Agreement.

In addition, the Employee agrees that the Company and/or the Employer may calculate the Tax-Related Items to be withheld and accounted for by reference to the maximum applicable rates, without prejudice to any right the Employee may have to recover any overpayment from the relevant tax authorities.

UNITED STATES

URUGUAY

Data Privacy Consent. The Employee understands that the Data will be collected by the Employer and will be transferred to the Company at 905 West Fulton Market, Suite 200, Chicago, Illinois 60607, U.S.A. and/or any financial institutions or brokers involved in the management and administration of the Plan. The Employee further understands that any of these entities may store the Data for purposes of administering the Employee's participation in the Plan.

VENEZUELA

TERMS AND CONDITIONS

Investment Representation. As a condition of the grant of the Deferred Stock Units, the Employee acknowledges and agrees that any shares of Common Stock the Employee may acquire upon the settlement of the Deferred Stock Units are acquired as and intended to be an investment rather than for the resale of the shares of Common Stock and conversion of shares into foreign currency.

Exchange Control Information. Exchange control restrictions may limit the ability to vest in the Deferred Stock Units or remit funds into Venezuela following the receipt of the cash proceeds from the sale of shares of Common Stock acquired upon settlement of the Deferred Stock Units under the Plan. The Company reserves the right to further restrict the settlement of the Deferred Stock Units, or to amend or cancel the Deferred Stock Units at any time, in order to comply with the applicable exchange control laws in Venezuela. The Employee is responsible for complying with exchange control laws in Venezuela and neither the Company nor the Employer will be liable for any fines or penalties resulting from the Employee's failure to comply with applicable laws. Because exchange control laws and regulations

change frequently and without notice, the Employee should consult with his or her personal legal advisor before accepting the Deferred Stock Units to ensure compliance with current regulations.

NOTIFICATIONS

Securities Law Information. The Deferred Stock Units granted under the Plan and the shares of Common Stock issued under the Plan are offered as a personal, private, exclusive transaction and are not subject to Venezuelan government securities regulations.
