**Item 1.01. Entry into a Material Definitive Agreement.**

The information described below under “Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant” is hereby incorporated by reference into this Item 1.01.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On November 30, 2009, we entered into a revolving credit agreement (the “Revolving Loan Agreement”) for a three-year senior unsecured revolving credit facility in an aggregate principal amount of \$4.5 billion with the lenders named therein and Deutsche Bank Securities Inc., Citigroup Global Markets Inc. and HSBC Securities (USA) Inc., as joint bookrunners, and Deutsche Bank AG New York Branch and Citibank, N.A., as co-administrative agents. The Revolving Loan Agreement replaces our existing \$4.5 billion five-year revolving credit agreement (the “Existing Revolving Credit Agreement”), dated as of April 15, 2005, which was terminated on November 30, 2009. Under the Revolving Loan Agreement, we and certain of our subsidiaries that may be designated by us may borrow advances up to the aggregate amount of the unused commitments under the revolving facility on or after November 30, 2009 and prior to the termination of the Revolving Loan Agreement. Under the Revolving Loan Agreement, we guarantee the obligations of any subsidiary borrower. At our request, the amount of the revolving facility may be increased by up to \$500 million in the aggregate upon agreement by the lenders providing the increased commitments. The Revolving Loan Agreement will terminate on November 30, 2012, provided that we may, on no more than three occasions, request that the lenders extend their commitments for successive one-year periods. All committed pro rata borrowings under the revolving facility will bear interest at a variable annual rate based on LIBOR or base rate, at our election, plus an applicable margin based on our three-year credit default swap mid-rate spread (as determined pursuant to the Revolving Loan Agreement).

The Revolving Loan Agreement requires us to maintain a minimum total shareholders’ equity (excluding accumulated other comprehensive income or losses) of not less than \$23 billion, which minimum level would be increased, if the proposed acquisition of Cadbury plc is consummated, by 75% of any increase in such total shareholders’ equity as a direct result of certain issuances by us of equity securities to finance the proposed acquisition of Cadbury plc or to refinance certain indebtedness. The Revolving Loan Agreement also contains customary representations, covenants and events of default.

We expect to use the Revolving Loan Agreement for general corporate purposes, including for working capital purposes, and to support our commercial paper issuances. Some of the lenders under the Revolving Loan Agreement and their affiliates have various relationships with us and our subsidiaries involving the provision of financial services, including cash management, investment banking and trust services. In addition, we and certain of our subsidiaries have entered into foreign exchange and other derivative arrangements with certain of the lenders and their affiliates.

The foregoing description of the Revolving Loan Agreement is qualified in its entirety by reference to the complete terms and conditions of the Agreement, which will be filed with our Annual Report on Form 10-K for the year ended December 31, 2009.
