These forward-looking statements involve risks and uncertainties, many of which are beyond our control, and many of these risks and uncertainties are currently amplified by and may continue to be amplified by the COVID-19 pandemic, including the spread of new variants of COVID-19 such as Omicron. Important factors that could cause our actual results to differ materially from those described in our forward-looking statements include, but are not limited to, the impact of ongoing or new developments in the war in Ukraine, related current and future sanctions imposed by governments and other authorities, and related impacts on our business, growth, reputation, prospects, financial condition, operating results (including components of our financial results), cash flows and liquidity; uncertainty about the effectiveness of efforts by health officials and governments to control the spread of COVID-19 and inoculate and treat populations impacted by COVID-19; uncertainty about the reimposition or lessening of restrictions imposed by governments intended to mitigate the spread of COVID-19 and the magnitude, duration, geographic reach and impact on the global economy of COVID-19; the ongoing, and uncertain future, impact of the COVID-19 pandemic on our business, growth, reputation, prospects, financial condition, operating results (including components of our financial results), cash flows and liquidity; risks from operating globally including in emerging markets; changes in currency exchange rates, controls and restrictions; volatility of commodity and other input costs and availability of commodities; weakness in economic conditions; weakness in consumer spending; pricing actions; tax matters including changes in tax laws and rates, disagreements with taxing authorities and imposition of new taxes; use of information technology and third party service providers; unanticipated disruptions to our business, such as malware incidents, cyberattacks or other security breaches, and our compliance with privacy and data security laws; global or regional health pandemics or epidemics, including COVID-19; competition and our response to channel shifts and pricing and other competitive pressures; promotion and protection of our reputation and brand image; changes in consumer preferences and demand and our ability to innovate and differentiate our products; the restructuring program and our other transformation initiatives not yielding the anticipated benefits; changes in the assumptions on which the restructuring program is based; management of our workforce and shifts in labor availability; consolidation of retail customers and competition with retailer and other economy brands; changes in our relationships with customers, suppliers or distributors; compliance with legal, regulatory, tax and benefit laws and related changes, claims or actions; the impact of climate change on our supply chain and operations; strategic transactions; significant changes in valuation factors that may adversely affect our impairment testing of goodwill and intangible assets; perceived or actual product quality issues or product recalls; failure to maintain effective internal control over financial reporting or disclosure controls and procedures; volatility of and access to capital or other markets, the effectiveness of our cash management programs and our liquidity; pension costs; the expected discontinuance of London Interbank Offered Rates and transition to any other interest rate benchmark; and our ability to protect our intellectual property and intangible assets. There may be other factors not presently known to us or which we currently consider to be immaterial that could cause our actual results to differ materially from those projected in any forward-looking statements we make. We disclaim and do not undertake any obligation to update or revise any forward-looking statement in this presentation except as required by applicable law or regulation. In addition, historical, current and forward-looking sustainability-related statements may be based on standards for measuring progress that are still developing, internal controls and processes that continue to evolve, and assumptions that are subject to change in the future.
