The Company is a corporation validly existing and, based solely on the Good Standing Certificate, in good standing under the laws of the Commonwealth of Virginia as of the date of such certificate, and has the corporate power and authority to own or hold its properties and to conduct the businesses in which it is engaged as described in the Prospectus.
2. No filing with, notice to, or consent, approval, authorization or order of any governmental agency or body or official of the Commonwealth of Virginia or, to our knowledge, any court thereof, is required to be made or obtained in connection with the execution, delivery and performance of the Terms Agreement or the consummation of the transactions contemplated by the Terms Agreement, except as may be required under the blue sky laws of the Commonwealth of Virginia (as to which we express no opinion).
3. The Terms Agreement, the Indenture and the Notes have been duly authorized, executed and delivered by the Company.
4. None of the execution and delivery by the Company of the Terms Agreement, the consummation by the Company of the transactions contemplated by the Terms Agreement and the Indenture, or the issuance and sale of the Notes or compliance with the terms and provisions thereof, will (a) violate the Articles of Incorporation or the By-Laws or (b) violate any law, rule, regulation or order, known to us to be applicable to the Company, of any Virginia court or governmental agency under the laws of the Commonwealth of Virginia.

EXHIBIT B

Form of Opinion of Gibson, Dunn & Crutcher LLP

1. Each subsidiary of the Company listed on **Annex A** (each, a “Significant Subsidiary”) is a validly existing corporation or limited liability company, as the case may be, in good standing under the laws of the State of Delaware with the requisite corporate or other power and authority to own its properties and conduct its business as described in the Prospectus.
2. The Indenture constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms.
3. The Notes, when executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the Underwriters in accordance with the terms of the Underwriting Agreement, will be legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.
4. The Note Documents have been duly executed by the Company, to the extent such actions are governed by the laws of the State of New York.
5. The execution and delivery by the Company of the Note Documents to which it is a party, the performance of its obligations thereunder, and the issuance by the Company of the Notes to the Underwriters:
 - (i) do not and will not result in a breach of or default under any agreement to which the Company is a party that is identified to us in a certificate of the Company as being material to the Company and its subsidiaries taken as a whole, which agreements are listed on **Annex B**; and
 - (ii) do not and will not violate, or require any filing with or approval of any governmental authority or regulatory body of the State of New York or the United States of America under, any law, rule or regulation of the State of New York or the United States of America applicable to the Company that, in our experience, is generally applicable to transactions in the nature of those contemplated by the Underwriting Agreement, except for such filings or approvals as already have been made or obtained under the Securities Act of 1933, as amended (the “Securities Act”).
6. Insofar as the statements in the Pricing Disclosure Package and the Prospectus under the caption “Description of Notes” and “Description of Debt Securities” purport to describe specific provisions of the Notes or the Indenture, such statements present in all material respects an accurate summary of such provisions.
7. Insofar as the statements in the Pricing Disclosure Package and the Prospectus under the caption “Certain U.S. Federal Income Tax Considerations,” purport to describe specific provisions of the Internal Revenue Code of 1986, as amended, or the rules and regulations thereunder, or legal conclusions with respect thereto, such statements present in all material respects an accurate summary of such provisions or conclusions.

8. The Company is not and, after giving effect to the sale of the Notes and the use of proceeds therefrom as described in the Prospectus, will not be an “investment company” that is required to be registered under the Investment Company Act of 1940, as amended (the “Investment Company Act”). For purposes of this paragraph 8, the term “investment company” has the meanings ascribed to such term in the Investment Company Act.

OFFICERS' CERTIFICATE

February 13, 2019

Reference is made to (i) Section 301 of the Indenture dated as of March 6, 2015 (the "Base Indenture"), by and between Mondelēz International, Inc., a Virginia corporation (the "Company"), and Deutsche Bank Trust Company Americas, as Trustee (the "Trustee"), as modified by the Supplemental Indenture No. 1, dated as of the date hereof, between the Company and the Trustee, and as further modified in respect of the Notes by the Officers' Certificate pursuant to Sections 201 and 301 of the Base Indenture, dated as of the date hereof (the Base Indenture, as so modified, the "Indenture"), (ii) the Terms Agreement dated February 11, 2019 (the "Terms Agreement"), which incorporates the Amended and Restated Underwriting Agreement dated February 28, 2011 (the "Underwriting Agreement"), by and among the Company and Deutsche Bank Securities Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representatives of the underwriters named therein, relating to the offer and sale by the Company of \$600,000,000 aggregate principal amount of its 3.625% Notes due 2026 (the "Notes").

Capitalized terms used but not otherwise defined herein shall have the respective meanings given such terms in the Indenture, the Underwriting Agreement or the Terms Agreement, as the case may be.

Each of the undersigned, Vice President and Treasurer, in the case of Michael A. Call, and Vice President and Chief of Global Governance and Corporate Secretary, in the case of Jeffrey S. Srulovitz, hereby certifies that the Vice President and Treasurer has authorized the issue and sale of the Notes by the Company, and, in connection with such issue, has determined, approved or appointed, as the case may be, the following:

- (a) Title: 3.625% Notes due 2026.
- (b) Principal Amount: \$600,000,000 aggregate principal amount of Notes.
- (c) Interest: Interest on the Notes is payable semi-annually in arrears in equal installments on February 13 and August 13 of each year, commencing on August 13, 2019; provided that if any such date is not a business day, the interest payment date will be postponed to the next succeeding business day, and no interest will accrue as a result of such delayed payment on amounts payable from and after such interest payment date to the next succeeding business day. Interest on the Notes will be paid to persons in whose name a Note is registered at the close of business on the January 29 and July 29 preceding the applicable interest payment date (or to the applicable depository, as the case may be). The Notes will bear interest at a rate per annum of 3.625%. For a full semi-annual interest period, interest on the Notes will be computed on the basis of a 360-day year consisting of twelve 30-day months. For an interest period that is not a full semi-annual interest period, interest on the Notes will be computed on the basis of a 365-day year and the actual number of days in such interest period.

- (d) Form and Denominations: Fully-registered book-entry form, as a Registered Security, only, represented by one or more permanent Global Securities deposited with The Depository Trust Company, including its participants Clearstream or Euroclear, or their respective designated custodian, in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.
- (e) Maturity Date: The Notes will mature on February 13, 2026, unless the Notes are earlier redeemed or repaid in accordance with the Indenture and this Officers' Certificate.

Optional Redemption: Prior to December 13, 2025 (the date that is two months prior to the scheduled maturity date for the Notes) (the "Par Call Date"), the Company may, at its option, redeem the Notes, in whole at any time or in part from time to time, at a redemption price equal to the greater of (1) 100% of the principal amount of the Notes to be redeemed or (2) the sum of the present values of each remaining scheduled payment of principal and interest (exclusive of interest accrued to the date of redemption) thereon discounted (assuming that the Notes matured on the Par Call Date) to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 20 basis points, plus accrued and unpaid interest, if any, thereon to, but excluding, the redemption date.

On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole at any time or in part from time to time, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, thereon to, but excluding, the redemption date.

"Comparable Treasury Issue" means the U.S. Treasury security or securities selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed (assuming that the Notes matured on the Par Call Date) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to such remaining term of such Notes.

"Comparable Treasury Price" means, with respect to any redemption date (1) the average of the Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotation or (2) if the Independent Investment Banker obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

"Independent Investment Banker" means one of the Reference Treasury Dealers appointed by the Company.

“Reference Treasury Dealer” means each of Deutsche Bank Securities Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, or their affiliates, which are primary United States government securities dealers and three other leading primary U.S. government securities dealers in New York City reasonably designated by the Company; provided, however, that if any of the foregoing shall cease to be a primary U.S. government securities dealer in New York City (a “Primary Treasury Dealer”), the Company will substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotation” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer at 2:00 pm New York time on the third business day preceding such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity or interpolated maturity (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (such price expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

- (f) Change of Control: Upon the occurrence of both (i) a change of control of the Company and (ii) a downgrade of the Notes below an investment grade rating by each of Moody’s Investors Service, Inc. and S&P Global Ratings within a specified period, the Company will be required to make an offer to purchase the Notes at a price equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest to the date of repurchase as and to the extent set forth in the Prospectus Supplement dated February 11, 2019 under the caption “Description of Notes—Change of Control.”
- (g) Sinking Fund: None.
- (h) Conversion or Exchange: The Notes will not be convertible or exchangeable into other securities of the Company or another Person.
- (i) Place of Payment; Transfer, Registration and Exchange; Notices and Demands: Payments of principal and interest on the Notes will be made as set forth in the Global Securities representing the Notes attached hereto as Exhibit A. Transfer, registration and exchange of the Notes will be made as set forth in the Global Securities representing the Notes attached hereto as Exhibit A. Any notice required to be given under the Notes to the Company or the Trustee under Section 105 of the Indenture shall be in English in writing and shall be delivered in person, sent by pre-paid post (first class if domestic, first class airmail if international) or by facsimile addressed to:

THIS NOTE IS A GLOBAL SECURITY WITHIN THE MEANING OF THE INDENTURE HEREINAFTER REFERRED TO AND IS REGISTERED IN THE NAME OF A DEPOSITARY OR A NOMINEE THEREOF. UNLESS AND UNTIL IT IS EXCHANGED IN WHOLE OR IN PART FOR NOTES IN CERTIFICATED FORM, THIS NOTE MAY NOT BE TRANSFERRED EXCEPT AS A WHOLE BY THE DEPOSITARY TRUST COMPANY (THE "DEPOSITARY") TO A NOMINEE OF THE DEPOSITARY OR BY THE DEPOSITARY OR ANY SUCH NOMINEE TO A SUCCESSOR DEPOSITARY OR A NOMINEE OF SUCH SUCCESSOR DEPOSITARY. UNLESS THIS NOTE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITARY TO THE COMPANY OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY NOTE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITARY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITARY), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

MONDELEZ INTERNATIONAL, INC., a Virginia corporation (hereinafter called the "Company", which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to Cede & Co. or registered assigns, the principal sum of \$500,000,000 (FIVE HUNDRED MILLION DOLLARS) on February 13, 2026, and to pay interest thereon from February 13, 2019 or from the most recent Interest Payment Date to which interest has been paid or duly provided for, at a rate per annum of 3.625%, semi-annually in arrears on February 13 and August 13 of each year (these dates are called "Interest Payment Dates"), beginning on August 13, 2019, until the principal hereof is paid or made available for payment.

If any Interest Payment Date is not a business day, the Interest Payment Date will be postponed to the next succeeding business day, and no interest will accrue as a result of such delayed payment on amounts payable from and after such Interest Payment Date to the next succeeding business day.

The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Note (or one or more Predecessor Securities) is registered at the close of business on the preceding January 29 and July 29 (each, a "Record Date") before the applicable Interest Payment Date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Holders on such date and may be paid to the Person in whose name this Note (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee for the Notes, notice whereof shall be given to Holders of the Notes not less than 10 days prior to such Special Record Date, or may be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, all as more fully provided in said Indenture.

Payment of the principal, premium (if any), and interest, including payment made upon any redemption or repurchase, with respect to this Note will be made at the office or agency of the Company maintained for that purpose in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; provided, that, at the option of the Company, payment of interest may be made by check mailed or delivered to the address of the Person entitled thereto as such address shall appear on the Security Register or by transfer to an account maintained by the payee at a bank located in the United States. Notwithstanding the foregoing, a Holder of \$1,000,000 or more in aggregate principal amount of the Notes will, at the option of the Company, be entitled to receive interest payments, other than at the maturity date, by wire transfer of immediately available funds if appropriate wire transfer instructions have been received in writing by the Trustee at least 15 days prior to the applicable Interest Payment Date. Any wire instructions received by the Trustee for the Notes shall remain in effect until revoked by the Holder.

As used herein, "business day" means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which commercial banks are authorized or required by law, regulation or executive order to close in The City of New York.

For a full semi-annual interest period, interest on the Notes will be computed on the basis of a 360-day year consisting of twelve 30-day months. For an interest period that is not a full semi-annual interest period, interest on the Notes will be computed on the basis of a 365-day year and the actual number of days in such interest period.

Interest on the Notes will be calculated from the last date on which interest was paid on the Notes (or February 13, 2019, if no interest has been paid on the Notes) to, but excluding, the next scheduled Interest Payment Date.

If the maturity date or a date fixed for redemption or repurchase is not a business day, then payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding business day, in each case with the same force and effect as if made on the scheduled maturity date or such date fixed for redemption or repurchase, and no interest shall accrue as a result of such delayed payment on amounts payable from and after the scheduled maturity date or such redemption date or repurchase date, as the case may be, to the next succeeding business day.

Additional provisions of this Note are contained on the reverse hereof, and such provisions shall have the same effect as though fully set forth in this place.

Unless the certificate of authentication hereon has been executed by or on behalf of the Trustee for the Notes by manual signature, this Note shall not be entitled to any benefit under the Indenture, or be valid or obligatory for any purpose.

This is one of the Securities of the series designated therein described in the within-mentioned Indenture.

DEUTSCHE BANK TRUST COMPANY AMERICAS,
as Trustee

By: /s/ Luke Russell
Authorized Signatory

MONDELÉZ INTERNATIONAL, INC.

This Note is one of a duly authorized issue of debentures, notes or other evidences of indebtedness (hereinafter called the “Securities”) of the Company of the series hereinafter specified, all such Securities issued and to be issued under an Indenture dated as of March 6, 2015, between the Company and Deutsche Bank Trust Company Americas, as Trustee (the “Trustee”), as modified by the Supplemental Indenture No. 1 dated as of the date hereof, between the Company and the Trustee, and as further modified pursuant to Section 301 thereof in respect of the Notes by that certain Officers’ Certificate of the Company dated as of the date hereof (collectively, as modified, the “Indenture”), to which Indenture and all other indentures supplemental thereto reference is hereby made for a statement of the rights and limitations of rights thereunder of the Holders of the Securities and of the rights, obligations, duties and immunities of the Trustee for each series of Securities and of the Company, and the terms upon which the Securities are and are to be authenticated and delivered. The terms, conditions and provisions of this Note are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, and those set forth in this Note. To the extent the terms, conditions and other provisions of this Note modify, supplement or are inconsistent with those of the Indenture, then the terms, conditions and other provisions of this Note shall govern.

As provided in the Indenture, the Securities may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may mature at different times, may bear interest, if any, at different rates, may be subject to different redemption provisions, if any, may be subject to different sinking, purchase or analogous funds, if any, may be subject to different covenants and Events of Default and may otherwise vary as provided or permitted in the Indenture. This Note is one of a series of the Securities designated therein as 3.625% Notes due 2026 (the “Notes”), initially issued in an aggregate principal amount of \$600,000,000 on February 13, 2019.

The Company may, without the consent of the Holders of the Notes, issue additional notes having the same ranking and the same interest rate, maturity and other terms as the Notes, except for the issue price, issue date and, in some cases, the first payment of interest or interest accruing prior to the issue date of such additional notes. The additional notes may only be issued if they would be fungible with the Notes for U.S. federal income tax purposes. Any additional notes having such similar terms, together with the Notes, shall constitute a single series of notes under the Indenture. No additional notes may be issued if an Event of Default has occurred with respect to the Notes.

Change of Control

If a Change of Control Triggering Event (as defined below) occurs, Holders may require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of their Notes pursuant to an offer (the “Change of Control Offer”) of payment in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to the date of purchase (the “Change of Control

Payment”). Within 30 days following any Change of Control Triggering Event, the Company will mail (or otherwise transmit as provided in the Indenture) a notice to Holders (with a copy to the Trustee) describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is sent (the “Change of Control Payment Date”), pursuant to the procedures described in such notice. The Company must comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Notes, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the Notes by virtue of such conflicts.

On the Change of Control Payment Date, the Company will, to the extent lawful:

- accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The paying agent will promptly mail (or otherwise deliver in accordance with the applicable procedures of the Depositary) to each Holder of Notes properly tendered the purchase price for the Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new note equal in principal amount to any unpurchased portion of any Notes surrendered; provided that each new note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.

For purposes of the foregoing discussion of a repurchase at the option of Holders, the following definitions are applicable:

“Below Investment Grade Rating Event” means the Notes are rated below an Investment Grade Rating by each of the Rating Agencies (as defined below) on any date from the date of the public notice of an arrangement that could result in a Change of Control (as defined below) until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long

as the rating of the Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies); provided that a below investment grade rating event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect to a particular Change of Control (and thus shall not be deemed a below investment grade rating event for purposes of the definition of Change of Control Triggering Event hereunder) if the rating agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee in writing that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the below investment grade rating event).

“Change of Control” means the occurrence of any of the following: (1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Company and its subsidiaries taken as a whole to any Person (as defined below) or group of related persons for purposes of Section 13(d) of the Exchange Act (a “Group”) other than the Company or one of its subsidiaries; (2) the approval by the holders of the Company’s common stock of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the indenture); (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any Person or Group becomes the beneficial owner, directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the first day on which a majority of the members of the Company’s Board of Directors are not Continuing Directors.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Continuing Directors” means, as of any date of determination, any member of the Board of Directors of the Company who (1) was a member of such Board of Directors on the date of the issuance of the Notes; or (2) was nominated for election or elected to such Board of Directors with the approval of a majority of the Continuing Directors who were members of such Board of Directors at the time of such nomination or election (either by a specific vote or by approval of the Company’s proxy statement in which such member was named as a nominee for election as a director, without objection to such nomination).

“Investment Grade Rating” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s (as defined below) and BBB- (or the equivalent) by S&P (as defined below), respectively.

“Moody’s” means Moody’s Investors Service, Inc., a subsidiary of Moody’s Corporation, and its successors.

“Person” has the meaning set forth in the indenture and includes a “person” as used in Section 13(d)(3) of the Exchange Act.

“Rating Agencies” means (1) each of Moody’s and S&P; and (2) if either Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) under the Exchange Act, selected by the Company (as certified by a resolution of the Company’s Board of Directors) as a replacement agency for Moody’s or S&P, or both of them, as the case may be.

“S&P” means S&P Global Ratings, a division of S&P Global Inc., and its successors.

Optional Redemption

At any time prior to December 13, 2025, the Notes will be redeemable, in whole or in part, at the Company’s option, at any time and from time to time on at least 15 days’, but not more than 60 days’, prior notice (with written notice to the Trustee no less than 15 days (or such shorter period as agreed by the Trustee) prior to the sending of such redemption notice in the event the Trustee is engaged by the Company to send such notice in the Company’s name and at the Company’s expense). The redemption price will be equal to the greater of (1) 100% of the principal amount of the Notes to be redeemed or (2) the sum of the present values of each remaining scheduled payment of principal and interest (exclusive of interest accrued to the date of redemption) thereon discounted (assuming that the Notes matured on December 13, 2025) to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 20 basis points, plus accrued and unpaid interest, if any, on the principal amount of the Notes to, but excluding, the date of redemption.

“Comparable Treasury Issue” means the U.S. Treasury security or securities selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed (assuming that the Notes matured on December 13, 2025) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of the Notes.

“Comparable Treasury Price” means, with respect to any redemption date (1) the average of the Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotation or (2) if the Independent Investment Banker obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Independent Investment Banker” means one of the Reference Treasury Dealers appointed by the Company.

“Reference Treasury Dealer” means each of Deutsche Bank Securities Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, or their affiliates, which are primary United States government securities dealers, and three other leading primary U.S. government securities dealers in New York City reasonably designated by the Company; provided, however, that if any of the foregoing shall cease to be a primary U.S. government securities dealer in New York City (a “Primary Treasury Dealer”), the Company will substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotation” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer at 2:00 p.m. New York time on the third business day preceding such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity or interpolated maturity (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (such price expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

On or after December 13, 2025, the Company may, at its option, redeem the Notes, in whole at any time or in part from time to time, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, thereon to, but excluding, the date of redemption.

On and after the redemption date, interest will cease to accrue on the Notes or any portion of the Notes called for redemption (unless the Company defaults in the payment of the redemption price and accrued interest). On or before the redemption date, the Company will deposit with the Trustee or set aside, segregate and hold in trust (if the Company is acting as paying agent), funds sufficient to pay the redemption price of, and (unless the redemption date shall be an interest payment date) accrued and unpaid interest on, the Notes to be redeemed on the redemption date. If fewer than all of the Notes are to be redeemed, the Trustee shall select the Notes or portions of Notes for redemption from the outstanding Notes not previously called for redemption by such method as the Trustee shall deem fair and appropriate and in accordance with the applicable procedures of the Depository; provided, however, that no Notes of a principal amount of \$2,000 or less shall be redeemed in part.

Amendments

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities under the Indenture at any time by the Company with the consent of the Holders of more than 50% in aggregate principal amount of the Securities at the time Outstanding of each series issued under the Indenture to be affected thereby. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities of that series at the time Outstanding, on behalf of the Holders of all the Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences with respect to such series. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the transfer hereof or in exchange or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

If any Interest Payment Date is not a business day, the Interest Payment Date will be postponed to the next succeeding business day, and no interest will accrue as a result of such delayed payment on amounts payable from and after such Interest Payment Date to the next succeeding business day.

The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Note (or one or more Predecessor Securities) is registered at the close of business on the preceding January 29 and July 29 (each, a "Record Date") before the applicable Interest Payment Date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Holders on such date and may be paid to the Person in whose name this Note (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee for the Notes, notice whereof shall be given to Holders of the Notes not less than 10 days prior to such Special Record Date, or may be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, all as more fully provided in said Indenture.

DEUTSCHE BANK TRUST COMPANY AMERICAS,
as Trustee

By: /s/ Luke Russell
Authorized Signatory

MONDELÉZ INTERNATIONAL, INC.

This Note is one of a duly authorized issue of debentures, notes or other evidences of indebtedness (hereinafter called the “Securities”) of the Company of the series hereinafter specified, all such Securities issued and to be issued under an Indenture dated as of March 6, 2015, between the Company and Deutsche Bank Trust Company Americas, as Trustee (the “Trustee”), as modified by the Supplemental Indenture No. 1 dated as of the date hereof, between the Company and the Trustee, and as further modified pursuant to Section 301 thereof in respect of the Notes by that certain Officers’ Certificate of the Company dated as of the date hereof (collectively, as modified, the “Indenture”), to which Indenture and all other indentures supplemental thereto reference is hereby made for a statement of the rights and limitations of rights thereunder of the Holders of the Securities and of the rights, obligations, duties and immunities of the Trustee for each series of Securities and of the Company, and the terms upon which the Securities are and are to be authenticated and delivered. The terms, conditions and provisions of this Note are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, and those set forth in this Note. To the extent the terms, conditions and other provisions of this Note modify, supplement or are inconsistent with those of the Indenture, then the terms, conditions and other provisions of this Note shall govern.

As provided in the Indenture, the Securities may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may mature at different times, may bear interest, if any, at different rates, may be subject to different redemption provisions, if any, may be subject to different sinking, purchase or analogous funds, if any, may be subject to different covenants and Events of Default and may otherwise vary as provided or permitted in the Indenture. This Note is one of a series of the Securities designated therein as 3.625% Notes due 2026 (the “Notes”), initially issued in an aggregate principal amount of \$600,000,000 on February 13, 2019.

The Company may, without the consent of the Holders of the Notes, issue additional notes having the same ranking and the same interest rate, maturity and other terms as the Notes, except for the issue price, issue date and, in some cases, the first payment of interest or interest accruing prior to the issue date of such additional notes. The additional notes may only be issued if they would be fungible with the Notes for U.S. federal income tax purposes. Any additional notes having such similar terms, together with the Notes, shall constitute a single series of notes under the Indenture. No additional notes may be issued if an Event of Default has occurred with respect to the Notes.

Change of Control

If a Change of Control Triggering Event (as defined below) occurs, Holders may require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of their Notes pursuant to an offer (the “Change of Control Offer”) of payment in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to the date of purchase (the “Change of Control

Payment”). Within 30 days following any Change of Control Triggering Event, the Company will mail (or otherwise transmit as provided in the Indenture) a notice to Holders (with a copy to the Trustee) describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is sent (the “Change of Control Payment Date”), pursuant to the procedures described in such notice. The Company must comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Notes, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the Notes by virtue of such conflicts.

On the Change of Control Payment Date, the Company will, to the extent lawful:

- accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The paying agent will promptly mail (or otherwise deliver in accordance with the applicable procedures of the Depositary) to each Holder of Notes properly tendered the purchase price for the Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new note equal in principal amount to any unpurchased portion of any Notes surrendered; provided that each new note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.

For purposes of the foregoing discussion of a repurchase at the option of Holders, the following definitions are applicable:

“Below Investment Grade Rating Event” means the Notes are rated below an Investment Grade Rating by each of the Rating Agencies (as defined below) on any date from the date of the public notice of an arrangement that could result in a Change of Control (as defined below) until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long

as the rating of the Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies); provided that a below investment grade rating event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect to a particular Change of Control (and thus shall not be deemed a below investment grade rating event for purposes of the definition of Change of Control Triggering Event hereunder) if the rating agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee in writing that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the below investment grade rating event).

“Change of Control” means the occurrence of any of the following: (1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Company and its subsidiaries taken as a whole to any Person (as defined below) or group of related persons for purposes of Section 13(d) of the Exchange Act (a “Group”) other than the Company or one of its subsidiaries; (2) the approval by the holders of the Company’s common stock of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the indenture); (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any Person or Group becomes the beneficial owner, directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the first day on which a majority of the members of the Company’s Board of Directors are not Continuing Directors.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Investment Grade Rating” means a rating equal to or higher than Baa3 (or the equivalent) by Moody’s (as defined below) and BBB- (or the equivalent) by S&P (as defined below), respectively.

“Moody’s” means Moody’s Investors Service, Inc., a subsidiary of Moody’s Corporation, and its successors.

“Person” has the meaning set forth in the indenture and includes a “person” as used in Section 13(d)(3) of the Exchange Act.

“Rating Agencies” means (1) each of Moody’s and S&P; and (2) if either Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) under the Exchange Act, selected by the Company (as certified by a resolution of the Company’s Board of Directors) as a replacement agency for Moody’s or S&P, or both of them, as the case may be.

“S&P” means S&P Global Ratings, a division of S&P Global Inc., and its successors.

Optional Redemption

At any time prior to December 13, 2025, the Notes will be redeemable, in whole or in part, at the Company’s option, at any time and from time to time on at least 15 days’, but not more than 60 days’, prior notice (with written notice to the Trustee no less than 15 days (or such shorter period as agreed by the Trustee) prior to the sending of such redemption notice in the event the Trustee is engaged by the Company to send such notice in the Company’s name and at the Company’s expense). The redemption price will be equal to the greater of (1) 100% of the principal amount of the Notes to be redeemed or (2) the sum of the present values of each remaining scheduled payment of principal and interest (exclusive of interest accrued to the date of redemption) thereon discounted (assuming that the Notes matured on December 13, 2025) to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 20 basis points, plus accrued and unpaid interest, if any, on the principal amount of the Notes to, but excluding, the date of redemption.

“Comparable Treasury Issue” means the U.S. Treasury security or securities selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed (assuming that the Notes matured on December 13, 2025) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of the Notes.

“Comparable Treasury Price” means, with respect to any redemption date (1) the average of the Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotation or (2) if the Independent Investment Banker obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Independent Investment Banker” means one of the Reference Treasury Dealers appointed by the Company.

“Reference Treasury Dealer” means each of Deutsche Bank Securities Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, or their affiliates, which are primary United States government securities dealers, and three other leading primary U.S. government securities dealers in New York City reasonably designated by the Company; provided, however, that if any of the foregoing shall cease to be a primary U.S. government securities dealer in New York City (a “Primary Treasury Dealer”), the Company will substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotation” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer at 2:00 p.m. New York time on the third business day preceding such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity or interpolated maturity (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (such price expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

On or after December 13, 2025, the Company may, at its option, redeem the Notes, in whole at any time or in part from time to time, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, thereon to, but excluding, the date of redemption.

On and after the redemption date, interest will cease to accrue on the Notes or any portion of the Notes called for redemption (unless the Company defaults in the payment of the redemption price and accrued interest). On or before the redemption date, the Company will deposit with the Trustee or set aside, segregate and hold in trust (if the Company is acting as paying agent), funds sufficient to pay the redemption price of, and (unless the redemption date shall be an interest payment date) accrued and unpaid interest on, the Notes to be redeemed on the redemption date. If fewer than all of the Notes are to be redeemed, the Trustee shall select the Notes or portions of Notes for redemption from the outstanding Notes not previously called for redemption by such method as the Trustee shall deem fair and appropriate and in accordance with the applicable procedures of the Depository; provided, however, that no Notes of a principal amount of \$2,000 or less shall be redeemed in part.

Defeasance

The Indenture contains provisions for defeasance at any time of the entire principal of all the Securities of any series upon compliance by the Company with certain conditions set forth therein.

less than 25% in principal amount of the Notes of this series then Outstanding may declare the entire principal amount of the Notes of this series due and payable in the manner and with effect provided in the Indenture. If an Event of Default specified in Section 501(a)(4) or Section 501(a)(5) of the Indenture occurs with respect to the Company, all of the unpaid principal amount and accrued interest then outstanding shall ipso facto become and be immediately due and payable in the manner and with the effect provided in the Indenture without any declaration or other act by the Trustee or any Holder.

Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the transfer hereof or in exchange or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

Ladies and Gentlemen:

We have acted as counsel to Mondelēz International, Inc., a Virginia corporation (the "Company"), in connection with the preparation and filing with the Securities and Exchange Commission (the "Commission") of a prospectus supplement, dated February 11, 2019 (the "Prospectus Supplement"), filed with the Commission on February 12, 2019 pursuant to Rule 424(b) of the Securities Act of 1933, as amended (the "Securities Act"), and the offering by the Company pursuant thereto of \$600,000,000 principal amount of the Company's 3.625% Notes due 2026 (the "Notes"). In connection therewith, we have examined the registration statement on Form S-3, File No. 333-216408 (the "Registration Statement"), under the Securities Act and the prospectus included therein.

The Notes have been issued pursuant to the Indenture, dated as of March 6, 2015 (the "Base Indenture"), between the Company and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"), as modified by the Supplemental Indenture No. 1, dated as of the date hereof, between the Company and the Trustee, and as further modified in respect of the Notes by the Officers' Certificate pursuant to Sections 201 and 301 of the Base Indenture, dated as of the date hereof (the Base Indenture, as so modified, the "Indenture").

In arriving at the opinions expressed below, we have examined originals, or copies certified or otherwise identified to our satisfaction as being true and complete copies of the originals, of the Indenture and the Notes and such other documents, corporate records, certificates of officers of the Company and of public officials and other instruments as we have deemed necessary or advisable to enable us to render these opinions. In our examination, we have assumed, without independent investigation, the genuineness of all signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as copies. As to any facts material to these opinions, we have relied to the extent we deemed appropriate and without independent investigation upon statements and representations of officers and other representatives of the Company and others.
